SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Section 18 of Chapter 2023-172, Laws of Florida, authorizes the Financial Services Commission to promulgate emergency rules to implement the provision of the newly created Section 627.4108, F.S., which contains minimum requirements for claims-handling manuals, requirement that authorized residential property insurers annually attest and certify that their manuals meet the requirements of law, that they have adequate resources to implement those manuals, and will provide copies of the claims-handling manuals upon request. The bill is effective July 1, 2023, and the first attestation and certification required by the law must be filed by

Blanket design professional liability insurance will be required from the architect, mechanical, electrical, plumbing, fire protection, structural, and civil engineering consultants for this project and will be provided as a part of Basic Services. The selected applicant will also be required to provide insurance coverage for General Liability, Automotive Liability, and Workers' Compensation.

Applicants will be evaluated on the basis of their past performance, experience, personnel, design ability, references, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant and its landscape architectural and engineering consultants must possess current design licenses from the appropriate governing board and be properly registered to practice its profession in the State of Florida. If the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the PQS Instructions and shall include:

As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months.
