## Section II Proposed Rules

### DEPARTMENT OF ENVIRONMENTAL PROTECTION

RULE NOS.:	RULE TITLES:
62-330.010	Purpose and Implementation
62-330.050	Procedures for Review and Agency Action on Exemption Requests
62-330.055	Conceptual Approval Permits for Urban Infill or Redevelopment
62-330.301	Conditions for Issuance of Individual and Conceptual Approval Permits
62-330.310	Operation and Maintenance
62-330.311	Inspections and Reporting
62-330.350	General Conditions for Individual Permits
62-330.405	General Conditions for All General Permits

**PURPOSE AND EFFECT:** Chapter 2020-150, Laws of Florida, codified at section 373.4131(6), F.S., required the Department to adopt rules to update the stormwater design and operation regulations and the Environmental Resource Permit Applicant’s Handbook using the most recent scientific information available. The revisions proposed to Chapter 62-330, Florida Administrative Code (F.A.C.), and the ERP Applicant’s Handbooks under Part IV, Chapter 373, Florida Statutes (F.S), pursuant to this direction, include the following provisions to strengthen Florida’s water resource protections; 1) Updated rule language to provide stormwater design performance criteria and to establish updated practices to ensure increased removals of nutrients from stormwater discharges; 2) New permitting requirements for consistent application of the net improvement performance standard, to ensure significant reductions of pollutant loadings to a waterbody where existing water quality does not meet standards for a stormwater pollutant; and 3) Increased requirements for stormwater operation and maintenance regulations, including new minimum inspection and permitting requirements for

entities performing operation and maintenance of permitted stormwater management systems.

**SUMMARY:** Minor revisions to the rule and Applicant Handbooks are proposed to provide technical corrections, clarifications, and updates to forms and notices. More substantive proposed amendments include amendments to update design requirements and minimum stormwater treatment performance standards that increase the removal of nutrients from stormwater discharges, and additional revisions to strengthen stormwater operation, maintenance, inspection, and reporting regulations in accordance with s. 373.4131, Fla. Stat.

Rule 62-330.010, Fla. Admin. Code, Purpose and Implementation, is amended to incorporate by reference the updated and revised Applicant’s Handbook (AH) Volume I, Additional Appendices, and AH Volume II for the Northwest Florida Water Management District (NFWFMD) to address any changes that are being proposed during this rulemaking that revise water quantity or water quality permitting criteria within the NFWFMD.

In sections 62-330.050, 62-330.350, and 62-330.405, the existing references to the State of Florida Erosion and Sediment Control Designer and Reviewer Manual and Florida Stormwater Erosion and Sedimentation Control Inspector’s Manual is updated to reference the most recent version of the manuals in sections. The Florida Stormwater Erosion and Sedimentation Control Inspector’s Manual was divided into Tier I and Tier II, which are now both incorporated in these rule sections.

Section 62-330.055, Conceptual Approval Permits for Urban Infill or Redevelopment, is amended to reference both AH Volume I and AH Volume II for performance standards.

Section 62-330.301, Conditions for Issuance of Individual and Conceptual Approval Permits, is amended to incorporate two new forms (Dam System Information and Certification of Financial Capability for Perpetual Operations and Maintenance Entities) and to clarify language for net improvement requirements.

Section 62-330.310, Operation and Maintenance, is amended to require an operation and maintenance entity to demonstrate its financial, legal, and administrative capability to maintain a stormwater management system in perpetuity.

Section 62-330.311, Inspections and Reporting, is amended to incorporate a new inspection checklist form; to refer to AH Volume I for required inspection frequencies for stormwater systems; and to require operation and maintenance entities to submit the “Operation and Maintenance Inspection

Certification” 30 days after an inspection, as outlined in paragraph (1).

Section 62-330.350, General Conditions for Individual Permits, is also amended to clarify operation and maintenance requirements for stormwater management systems.

**53ER23-8 Payment of Prizes.**

(1) GENERAL. To be eligible to receive a prize, all requirements established by the Florida Lottery to validate the prize claim for a winning ticket must be met. Upon determination of such requirements being met, payment shall be made in accordance with the applicable provisions of this rule, the applicable Lottery game rule, and federal and state law.

(2) CLAIMING PRIZES. For purposes of this rule, the provisions for claiming a prize as set forth in Section 24.115(1), F.S., will be deemed satisfied upon the claimant meeting the following requirements:

(a) Draw Game Prizes.

1. For Draw game prizes, the claimant must submit the winning Draw game lottery ticket for validation at a Florida Lottery (or “Lottery”) office or retailer on or before the 180th calendar day after the winning draw date. Winning Draw game lottery tickets submitted to the Lottery by mail for validation must be addressed to any Lottery office in an envelope postmarked on or before the 180th calendar day after the winning drawing.

2. If the claimant is not paid at the time of ticket validation, he or she must submit the validated winning Draw game lottery ticket, along with the documents specified in paragraph (9)(c), as applicable, for prize payment at a Lottery office on or before the 210th calendar day after the winning drawing. If the claimant chooses to submit the validated winning Draw game lottery ticket for prize payment by mail, the ticket and all required documents must be sent to any Lottery office, and received by the Lottery, on or before the 210th calendar day after the winning drawing. Failure of a claimant to submit all required documentation, and receipt by the Lottery thereof, on or before the 210th calendar day after the winning drawing shall result in forfeiture of the prize.

(b) Scratch-Off Game Prizes.

1. For Scratch-Off game prizes, the claimant must submit the winning Scratch-Off ticket for validation at a Lottery office or retailer on or before the 60th calendar day after the official end of the game. Winning Scratch-Off tickets submitted to the Lottery by mail for validation must be addressed to any Lottery office in an envelope postmarked on or before the 60th calendar day after the official end of the game.

2. If the claimant is not paid at the time of ticket validation, he or she must submit the validated winning ticket, along with the documents specified in paragraph (9)(c), as applicable, for prize payment at any Lottery office on or before the 90th calendar day after the official end of the game. If the claimant chooses to submit the validated winning ticket for prize

payment by mail, the ticket and all required documents must be sent to any Lottery office, and received by the Lottery, on or before the 90th calendar day after the official end of the game. Failure of a claimant to submit all required documentation, and receipt by the Lottery thereof, on or before the 90th calendar day after the official end of the game shall result in forfeiture of the prize.

(3) TICKET SUBMISSION AND PAYMENT.

(a) Winning tickets of any value, along with the documents specified in paragraph (9)(c), as applicable, may be submitted or mailed to any Lottery office. Risk of mailing remains with the prizewinner.

(b) A claimant must submit for validation an original winning ticket or an original winning continuation ticket, if issued, to the Lottery or to a retailer to claim a prize, except as provided below.

(c) No Original Winning Ticket or Original Winning Continuation Ticket - Actions Attributable to Retailer or Gaming System.

If a claimant does not submit an original winning ticket or an original winning continuation ticket but makes a claim for prize payment based upon: (i) presentment of an original player claim instructions ticket produced from validation of an original winning ticket or an original continuation ticket; or (ii) presentment of an original Advance Play winning ticket that has been recorded as "paid" in the Lottery's gaming system as the result of the issuance of a continuation ticket, an investigation will be conducted. If the investigation concludes that the absence of the original ticket or original continuation ticket, as applicable, is attributable to the actions of a retailer or the gaming system, payment will be made following conclusion of the investigation in accordance with the applicable payment provision herein, provided the original winning ticket or original continuation ticket is not submitted prior to conclusion of the investigation. If the original winning ticket or original continuation ticket is submitted prior to conclusion of the investigation, a subsequent investigation will be conducted to determine to whom payment should be made, if anyone.

(d) No Original Winning Ticket or Original Winning Continuation Ticket- Other Actions Not Attributable to Retailer or Gaming System.

If a claimant does not submit an original winning ticket or an original winning continuation ticket but makes a claim for prize payment based upon: (i) presentment of an original player claim instructions ticket produced from validation of an original winning ticket or an original continuation ticket; or (ii) presentment of an original Advance Play winning ticket that has been recorded as "paid" in the Lottery's gaming system as the

result of the issuance of a continuation ticket, but the continuation ticket is not submitted, an investigation will be conducted. If the investigation concludes that the absence of the original winning ticket or original winning continuation ticket, as applicable, is not attributable to the actions of a retailer or the gaming system but is attributable to other actions (e.g., fault of player) and that the available evidence demonstrates the claimant's entitlement to the prize, payment will be made as set forth in subparagraphs (3)(d)1. and 2., and in accordance with any other applicable payment provision herein, provided the original winning ticket or original continuation ticket is not submitted prior to the expiration of the time periods set forth below. If the original winning ticket or original continuation ticket is submitted prior to expiration of the time periods set forth below, a subsequent investigation will be conducted to determine to whom payment should be made, if anyone.

1. For winning Draw game tickets, payment will be made following expiration of 210 days after the winning draw date, provided that payment for the original winning ticket or original continuation ticket is not made sooner.

2. For winning Scratch-Off tickets, payment for prizes valued at \$600 through \$1,000 will be made following expiration of 180 days from the date the claim was filed or following expiration of 90 days after the official end of the game, whichever occurs first, provided that payment for the original winning ticket is not made sooner. Payment for tickets valued at greater than \$1,000 will be made following expiration of 90 days after the official end of the game, provided payment for the original winning ticket is not made sooner.

(e) No photographs, copies, facsimiles, or other images in any form or in any medium will be accepted under paragraph (3)(c) or (d) in lieu of an original player claim instructions ticket or an original Advance Play winning ticket that has been recorded as "paid" in the Lottery's gaming system as the result of the issuance of a continuation ticket.

(4) TICKET VALIDATION. An original ticket or an original continuation ticket shall be the only proof of game play and the submission of an original winning ticket or original winning continuation ticket to the Florida Lottery shall be the sole method of claiming a prize, except as otherwise provided in paragraphs (3)(c) and (d). A purchase receipt, play slip (paper or digital), digital barcode, digital ticket checker data, or other digital data stored on a player's mobile device shall not constitute evidence of game play, numbers selected, or evidence of a winning ticket and cannot be used to claim a prize. No photographs, copies, facsimiles, or other images in any form or in any medium will be accepted in lieu of an original ticket or an original continuation ticket. All online terminal game

tickets must meet the validation requirements set forth in paragraph (4)(a), and where applicable, the additional validation requirements set forth in the current rules governing POWERBALL®, MEGA MILLIONS® and CASH4LIFE®. A copy of the current Florida Lottery's POWERBALL, MEGA MILLIONS and CASH4LIFE rules can be obtained from the Florida Lottery's website at flalottery.com. 7. Any ticket not meeting the criteria set forth in subparagraphs (4)(a)1. through 6. is ineligible for any prize and shall not be paid as a winning ticket. (b) Scratch-Off Game Ticket Validation.

1. In order to be a valid winning Scratch-Off lottery ticket, the ticket must be identifiable as a Florida Lottery ticket and have either a complete, legible validation number (sometimes referred to as "Void If Removed Number" or "VIRN"), or a readable bar code.

2. The ticket must not be counterfeit in whole or in part.

3. The validation elements must not be altered or tampered with in any manner.

4. The ticket must not appear on any list of omitted ticket stock on file at the Lottery.

5. The ticket must not have been stolen.

6. The ticket must have been issued to a retailer by the Lottery in an authorized manner.

7. The validation number of an apparent winning ticket must validate on the Lottery's gaming system and must not have been previously paid.

8. The validation elements of a ticket must not be misprinted or illegible.

9. The ticket must pass any additional validation tests determined necessary by the Lottery.

10. Any ticket not meeting the criteria set forth in subparagraphs (4)(b)1. through 9. is ineligible for any prize and shall not be paid as a winning ticket. In the event a defective ticket is purchased, the only responsibility or liability of the Lottery shall be the replacement of the defective ticket with an un-played ticket or tickets of equivalent sales price from a current Lottery game, or refund of the retail sales price.

(5) DETERMINATION OF PRIZEWINNER. The person to whom payment will be made for winning tickets submitted to the Lottery shall be determined as follows:

(a) If only one name appears on the back of the ticket, payment will be made to that person or entity.

(b) For tickets mailed to the Lottery for prize payment with a blank or incomplete player information section, data from the Winner Claim Form, if any, player correspondence, or the mailing envelope, in that order, shall be used to supplement the information.

(c) Scratch-Off tickets and QuickTickets. If more than one name appears on the back of a Scratch-Off ticket or QuickTicket, payment shall be made to the person whose name appears first on the line designated for the name.

(d) Online terminal game tickets printed on official Lottery paper stock.

1. If one player information section is completely filled out, payment shall be made to the person whose name appears first on the name line in the player information section that is completed.

2. If one player information section is partially filled out and another player information section is completely filled out, payment will be made to the person whose name appears on the name line in the completely filled out player information section.

3. If more than one player information section is completely filled out, payment shall be made to the person whose name appears first on the name line in the player information section nearest the top of the ticket.

4. If no player information section is completely filled out and more than one name appears on the back of the ticket, payment shall be made to the person whose name appears first on the name line in the player information section nearest the top of the ticket in which a name is present.

(e) If the name on the back of a ticket is that of a trust, corporation or other legal entity, payment shall be made to the trust, corporation, or other legal entity. For those tickets valued at \$600 or more, no payment shall be made to a legal entity until the Lottery has received a copy of the entity's organizational documents which set forth the names of all members, managers, shareholders, officers, directors, board members, partners, grantors, settlors, trustees, present trust beneficiaries, and all other persons ultimately entitled to receive Lottery winnings of the legal entity. The legal entity must also submit evidence, satisfactory to the Lottery, confirming the Social Security numbers of all members, managers, shareholders, officers, directors, board members, partners, grantors, settlors, trustees, present trust beneficiaries, and all other persons ultimately entitled to receive Lottery winnings of the legal entity.

(f) An individual claimant whose name appears on the back of a ticket when the ticket is presented to the Lottery may claim a prize on that ticket in a different name only if all of the following conditions are met:

1. The claimant would otherwise be determined a prizewinner under paragraphs (5)(a) through (e);

2. The claimant desires for payment to be made to a non-individual entity instead of to himself/herself;

3. The claimant can provide evidence satisfactory to the Lottery that the claimant has the necessary authority to make a claim on behalf of the non-individual entity; and

4. The claimant adds the name of the non-individual entity, and the claimant's title within that entity, to the back of the ticket.

(g) For tickets valued at less than \$600, payment to the person determined in accordance with the applicable provisions in paragraphs (5)(a) through (e) shall be made in the prizewinner's name as it appears on the back of the winning ticket. For tickets valued at \$600 or more, payment shall be made in the prizewinner's name as it appears on the Winner Claim Form as described in paragraph (9)(c).

(h) If the back of a ticket valued at \$600 or more is altered, defaced, or contains erasures, correction fluid, overwriting, or obliteration in the line designated for a name, an investigation will be conducted to determine to whom payment should be made, if anyone, in accordance with paragraphs (5)(c), (d) and (e). As a part of the investigation, the claimant shall be required to complete form DOL-419, Security Affidavit, Revised 7/22,

or form DOL-419S Spanish Security Affidavit, Revised 10/20 and provide an explanation of the circumstances surrounding his or her claim for the ticket. Forms DOL-419 and DOL-419S are incorporated herein by reference and may be obtained at any Lottery office or by writing the Florida Lottery, Division of Security, 250 Marriott Drive, Tallahassee, Florida 32301. If the ticket is valued at less than \$600, payment will be made to the person submitting the ticket for payment.

(i) If the Lottery is presented with undisputed information that payment of a prize as provided in paragraphs (5)(a) through (e) would result in payment to a person or entity who has no claim to the ticket, the Lottery will make payment to the person or entity it determines to be the rightful claimant.

(j) If the Lottery receives notification of a dispute of ownership of a specific ticket prior to prize payment, an investigation will be conducted to determine to whom payment should be made, if anyone.

(k) Any claimant with a winning ticket valued at \$600 or more, and any person whose name appears on an Internal Revenue Service Form 5754 filed by a claimant and whose portion of a prize is \$600 or more, will be analyzed for state-owed debt/child support owed. All members, managers, shareholders, officers, directors, board members, partners, grantors, settlors, trustees, present trust beneficiaries, and all other persons ultimately entitled to receive Lottery winnings from a claim valued at \$600 or more filed by a legal entity, other than a corporation whose shares are publicly traded, will be analyzed for state-owed debt/child support owed. If such claimant or other person is identified as owing an outstanding debt to a state agency or owing child support collected through a court or spousal support or alimony as provided in Section 24.115(4), F.S., following deduction of federal income tax withholding, the remaining prize amount will be allocated as follows:

1. If the debt is owed by the claimant and an Internal Revenue Service Form 5754 is not filed at the time the claim is submitted, an amount sufficient to cover the amount owed, up to the total remaining prize amount, will be transferred to the state agency owed the debt. Any monies remaining after federal income tax withholding and after the debt is offset will be paid to the claimant.

2. If the debt is of a claimant who submits an Internal Revenue Service Form 5754 at the time of filing the claim, or of a person whose name appears on an Internal Revenue Service Form 5754 or who is entitled to receive Lottery winnings claimed by a legal entity, an amount sufficient to cover the claimant's or other person's debt, but not to exceed his or her percentage interest in the prize or entity, will be transferred to

the state agency owed the debt. The monies remaining will be paid to the prizewinner and any other persons entitled to receive a portion of the Lottery winnings.

(6) PAYMENT TO ONE PERSON OR ENTITY. Regardless of how many persons or entities claim an ownership interest in a winning ticket; payment will be made to only one person or entity. For winning tickets valued at \$600 or more, a winner may submit an Internal Revenue Service Form 5754, *Statement by Person(s) Receiving Gambling Winnings*, Revised 12/08, if more than one person or a person other than the claimant is entitled to the prize winnings. The completed form must be submitted to the Lottery together with the ticket and Winner Claim Form. (11) PAYMENT OF DRAW GAME MULTI-PANEL TICKETS. For purposes of this rule, a Draw game multi-panel ticket is defined as a ticket with more than one panel played for a single draw date and includes QuickTickets.

(a) A winning Draw game multi-panel ticket in which more than one prize is won and the total prize value is less than \$600 shall be paid as one amount by Lottery retailers or a Lottery office upon successful ticket validation.

(b) A winning Draw game multi-panel ticket that has more than one prize won, and the total prize value is \$600 or more shall be claimed at a Lottery office and paid as one amount upon successful ticket validation.

(c) Additional payment provisions applicable only to a winning Draw game multi-panel ticket that includes one or more cash prizes and a prize of one or more free Quick Pick tickets are as follows:

1. The value of each free Quick Pick ticket on a multi-panel ticket shall be included in the total prize value of the multi-panel ticket. The value of the free Quick Pick ticket is the selling price for a single play of the same type of Draw game in which the free ticket was won. For Example, a FLORIDA LOTTO® free ticket is valued at \$2.00 and a FANTASY 5® free ticket is valued at \$1.00.

2. A Draw game multi-panel ticket that has more than one prize won and a total prize value, including the value of each free Quick Pick ticket won, of less than \$600 shall be paid by Lottery retailers or a Lottery office upon successful ticket validation. The prizewinner shall be paid the total cash amount of the prize or prizes won and given a ticket with one free Quick Pick play for the next available drawing for the same Draw game in which the prize was won, for each free Quick Pick ticket prize.

3. Draw game multi-panel tickets with a total prize value of \$600 or more that include one or more cash prizes and a prize of one or more free Quick Pick tickets shall be claimed at a Lottery office. Retailer locations are unable to print free Quick Pick tickets that are part of a claim with a total value of \$600 or more.

a. If the claim is submitted to a Lottery office in person and the Draw game multi-panel ticket is successfully validated, the Lottery will pay the prizewinner the total cash amount of the prize or prizes won and give the claimant one free Quick Pick ticket for the next available drawing for the same Draw game in which the prize was won for each free Quick Pick ticket prize.

b. If the claim is submitted by mail to a Lottery office and the Draw game multi-panel ticket is successfully validated, the Lottery will pay the total cash amount of the prize or prizes won and, if the prizewinner's address is in Florida, print one free Quick Pick ticket for the next available drawing of the same Draw game in which the prize was won for each free Quick Pick ticket prize. The payment and the free ticket(s) shall be mailed to the prizewinner by the Lottery, except as set forth in paragraph (13)(b).

c. If the prizewinner is identified as owing an outstanding debt as set forth in paragraph (5)(k), in an amount less than the total of the cash amount of the prize or prizes won net of any federal income tax withholding, the free ticket(s) and the amount owed to the prizewinner after federal income tax has been withheld and his or her debt is satisfied shall be awarded. If the prizewinner is identified as owing an outstanding debt in an amount greater than the total cash amount of the prize or prizes won net of any federal income tax withholding, the total cash amount of the prize remaining after federal income tax has been withheld will be applied toward the outstanding debt as provided in Section 24.115(4), F.S., and the claimant will receive the free ticket(s).

4. QuickTickets shall not be used to award free Quick Pick ticket prizes.

(12) PAYMENT FOR DRAW GAME FREE TICKET PRIZES.

(a) Florida Claimants. A person who submits by mail a lottery ticket that entitles the claimant to a prize of a “ticket” or “free ticket” and whose mailing address is inside the state of Florida will be mailed a prize of a ticket in accordance with the following provision. If the prize is a free Quick Pick ticket, the claimant will receive a free Quick Pick ticket for the same Draw game in which the prize was won, for the next drawing after the ticket is validated; or if the free ticket is part of a Draw game multi-panel ticket, the claimant will receive prize payment in accordance with the provisions of subsection (11).

(b) Claimants Outside Florida. A person who submits by mail a lottery ticket that entitles the claimant to a prize of a “ticket” or “free ticket” and whose mailing address is outside the state of Florida will receive a check in the amount of the retail sales price of the ticket in lieu of an actual ticket.

(13) PAYMENT FOR ADVANCE PLAY TICKET PRIZES.

(a) Florida Claimants. A claimant who claims a prize through a retailer or the Lottery on a winning Advance Play lottery ticket before all the drawings on the ticket have occurred will be paid the prize for the original ticket and issued a continuation ticket for the remaining drawings with the same play numbers as the original ticket. The original ticket will be recorded as “paid” in the gaming system and the continuation ticket automatically issued for the claimant shall be the instrument from which claims on remaining drawings are paid.

1. Payment of Multiple Prizes on Advance Play tickets.

a. A claimant who claims multiple prizes on a winning Advance Play lottery ticket for some or all the drawings that have occurred and the total prize value for all prizes won in all the drawings that have occurred is less than \$600 will be paid the prizes as one amount by a Lottery retailer or a Lottery office upon successful ticket validation and, if applicable, issued a continuation ticket in accordance with paragraph (13)(a).

b. A claimant who claims multiple prizes on a winning Advance Play lottery ticket for some or all of the drawings that have occurred and the total prize value for all prizes won in the drawings that have occurred is \$600 or more must be paid by a Lottery office. In such case, the prizes won will be paid as one amount upon successful ticket validation. However, applicable federal income tax will be withheld separately, if applicable, based on the individual value of the prize or prizes won in each drawing. Additionally, state-owed debt will be analyzed separately in accordance with the provisions in paragraph (5)(k) for each individual prize that is \$600 or more. If applicable, the claimant will be issued a continuation ticket in accordance with paragraph (13)(a).

(b) Claimants Outside of Florida. If a claimant whose mailing address is outside the state of Florida submits by mail an Advance Play lottery ticket that has drawings remaining that have not yet occurred, the Lottery will hold the claimant’s Advance Play lottery ticket until all the drawings have occurred. The Lottery will then validate the Advance Play lottery ticket and mail the claimant one payment for the total amount of any prizes won. If an out-of-state claimant requests prize payment prior to the date of the last Advance Play drawing, the Lottery will validate the ticket, mail the claimant payment for the total amount of any prizes won as of the date of ticket validation, and issue and maintain possession of a continuation ticket for the remaining drawings. In either case, applicable federal income tax will be withheld separately, if applicable, based on the value of the prize or prizes won in each drawing. Additionally, if applicable, a claimant may be analyzed for state-owed debt up to two times based on the value of the prize or prizes won in each drawing.

(14) PAYMENT FOR FLORIDA LOTTO WITH DOUBLE PLAY™ TICKETS WITH MULTIPLE PRIZES. A claimant having a FLORIDA LOTTO with Double Play ticket that wins one or more prizes in both Base Game play and Double Play play for the same drawing date shall be paid one prize amount for the total of all cash prizes won on the ticket, or if applicable, one prize amount and issued free ticket(s) or issued free tickets.

(15) PAYMENT FOR DRAW GAME TICKETS WITH EZMATCH™ AND ADDITIONAL PRIZE(S). For Draw games that offer the EZmatch instant-win option, any EZmatch prize(s) that is not claimed immediately, but rather after the first draw date on the ticket and prior to the 180-day expiration, and that is in addition to other winnings on the ticket shall be combined and paid as one prize amount, or if applicable, one prize amount and issued free ticket(s).

(16) ANNUAL PAYMENT OR CASH OPTION PAYMENT ELECTION. Certain games offer prizes in which the prizewinner may choose one of two payment options for receiving his or her prize. Payment options are “Cash Option” or “Annual Payment.” For Draw game prizes which offer a payment option, the prizewinner has sixty (60) calendar days after the winning draw date to file a claim in order to choose the Cash Option. For Scratch-Off game prizes which offer a payment option, the prizewinner has sixty (60) calendar days after the date the winning ticket is validated to file a claim in order to choose the Cash Option. If a prizewinner does not choose the Cash Option within the applicable sixty (60) day timeframe, the Annual Payment option will be applied. Once the prizewinner files a claim and exercises the prizewinner’s

chosen option by execution of a notarized affidavit prepared by the Lottery, the election of that option shall be final. The Annual Payment method of payment will also be final when it is applied due to a prizewinner not making his or her payment election within the sixty (60) day timeframe.

(17) LIFE-CONTINGENT PRIZE PAYMENTS.

(a) Individual Claimed Life-Contingent Prize. Following a guaranteed period in a For-Life game, as dictated by the game's prize structure, and starting with the year immediately following the expiration of the guaranteed period, a Life-Contingent winner shall ensure that the Lottery receives an original notarized affidavit (or from the power of attorney, custodian or guardian, or medical provider for the winner) executed by the winner (or from the power of attorney, custodian or guardian, or medical provider for the winner) stating that he or she is still living and shall include a current address, telephone number, and email address for the winner. Except in the case of the winner, neither the maker and/or executor of the affidavit shall have a financial, pecuniary, or other interest in the winnings. The Lottery reserves the right to verify the authenticity and accuracy of the affidavit, including confirming the winner is alive. Such affidavit shall be executed and received by the Lottery within the 14-calendar day period prior to the issuance of payment to the winner. An affidavit showing proof of life shall be required for each and every year thereafter.

In the case of the winner, and starting with the year immediately following the expiration of the guaranteed period, he/she shall complete DOL-477, Revised 2/2023 (Affidavit of Life-Contingent Prize Winner) and DOL-416, Revised 2/2023 (Method of Prize Payment). Forms DOL-416 and DOL-477 are hereby incorporated by reference and may be obtained by contacting the Florida Lottery, Claims Processing, 250 Marriott Drive, Tallahassee, Florida 32399-9939.

Example: A For-Life game's prize structure sets a 20-year guaranteed period. The year immediately following the 20-year guaranteed period (i. e. year 21), and each year thereafter, a winner must provide proof of life, as set forth herein, and provide the completed forms (DOL-477 and DOL-416) to the Florida Lottery.

(b) Individual Claimed Life-Contingent Prize – Assignment. Should a life-contingent prize winner, who is receiving annual payments, assign any year or years beyond the guaranteed period, the Assignee shall ensure that the Lottery receives an original notarized affidavit (or from the power of attorney, custodian or guardian, or medical provider for the winner) executed by the winner (or from the power of attorney, custodian or guardian, or medical provider for the winner)

stating that he or she is still living and shall include a current address, telephone number, and email address for the winner. Neither the maker and/or executor of the affidavit shall have a financial, pecuniary, or other interest in the assigned winnings. The Lottery reserves the right to verify the authenticity and accuracy of the affidavit, including confirming the winner is alive. Such affidavit shall be executed and received by the Lottery within the 14-calendar day period prior to the issuance of payment to Assignee. An affidavit showing proof of life shall be required for each and every year of the time frame for which payments are assigned.

(c) Trust, Corporation or Other Legal Entity Claimed Life-Contingent Prize. The prize payment period for a trust, corporation or other legal entity that has claimed a life-contingent prize is fixed at the guaranteed period, as set forth in a game's prize structure. No payment beyond the guaranteed period will be issued to an Assignee of a life-contingent prize claimed by a legal entity.

(18) PAYMENT AFTER DEATH OF PRIZEWINNER. If a prizewinner dies during the scheduled payment of a prize, the Lottery will make payment to the estate of the deceased prizewinner upon its receipt of a certified copy of the winner's death certificate and a certified copy of the Letters of Administration or equivalent document establishing the personal representative or executor of the winner's estate. Upon its receipt of a certified copy of a court order directing payment to identified persons or entities, the Lottery will make payment in accordance with the court order. Upon receipt by the Lottery of notification of the death of a prizewinner, including a prizewinner that signed his or her winning ticket but did not claim the prize or prizes prior to his or her death, no payment(s) will be made by the Lottery until it has received a certified copy of the winner's death certificate and either a certified copy of the Letters of Administration or its equivalent or a court order as described above. Payment(s) withheld because appropriate documents have not been received will be subject to the provisions of Chapter 717, F.S., the "Florida Disposition of Unclaimed Property Act."

(19) FEDERAL INCOME TAX WITHHOLDING. Applicable federal income tax shall be withheld from prizes in accordance with the Internal Revenue Code and Code of Federal Regulations, where applicable.

(20) CANCELED AND PREVIOUSLY PAID TICKETS. No payment shall be made upon a ticket submitted for payment that is reflected in the Lottery's records as having been canceled or previously paid, except as provided in subsection (3).

(21) DISCLOSURE OF SOURCE OF TICKET. The Lottery reserves the right to require the claimant of any winning ticket to disclose the source of the ticket.

(22) DISPUTES REGARDING THE AMOUNT OR VALIDITY OF TICKET.

(a) Players shall be instructed by a retailer or the Lottery to file a claim when any dispute arises between a player and a retailer regarding the amount or validity of an apparent winning ticket or when an apparent winning ticket will not validate using the terminal.

(b) In the event a dispute between the Lottery and a ticket bearer occurs as to whether a ticket is a valid winning ticket, or as to the prize amount of a valid winning ticket, the decision of the Lottery shall be final. If the prize is not paid on a disputed ticket and the basis for the dispute is attributable to the Lottery or its ticket vendor, the Lottery will replace the disputed ticket with an un-played ticket from the same game or with a ticket from another game of equivalent sales price. This shall be the sole and exclusive remedy of the bearer of the ticket.

(c) Final Payment Decision. The Lottery’s decision and judgments in respect to the determination of a winning ticket or of any other dispute arising from payment or awarding of prizes shall be final and binding upon all participants in the lottery unless otherwise provided by law or these rules. In the event a question arises relative to a winning ticket, or the payment or awarding of any prize, the Lottery is authorized to:

1. Deposit the prize winnings into an escrow fund until the dispute is resolved; or

2. Petition a court of competent jurisdiction for instructions and a resolution of the controversy.

(26) UNCLAIMED DRAW GAME AND SCRATCH-OFF GAME PRIZES. If a winning ticket is not submitted for

validation, along with required documentation, within the applicable time period, or if a validated ticket is not submitted to the Lottery, along with required documentation, for prize payment within the applicable time period, the prize shall constitute an unclaimed prize and shall be distributed as required by law. Unclaimed Draw game and Scratch-Off game prizes shall not be distributed to other winners within the same prize pool.

It is a player’s responsibility to verify the accuracy of his or her ticket selections before leaving the retailer, including verifying the number of tickets printed or requested. (7) Award of Las Vegas Trip.

(a) Upon the Florida Lottery’s timely receipt of a Trip Prize winner’s required documentation, the Lottery will award a Las Vegas Trip Package. Trip Prize elements are:

3. Roundtrip transportation from the airport to the hotel and any Scientific Games (a/k/a “Prize Provider”) hosted events.

4. Meal vouchers for use at the hotel accommodation, valued at \$400. Meal vouchers cannot be used at any location other than the hotel. Meals taken elsewhere are at the expense of the Winner/Proxy/Guest.

6. Opportunity to participate in the COME ON DOWN CHALLENGE Event (“Challenge Event” or “Event”) for a chance to win from \$1,000 up to \$50,000,000. The Challenge Event has been developed by, and will be conducted by, Scientific Games, LLC. No Trip winner may win more than one Event prize. A Trip Prize winner’s guest may attend the Challenge Event with the Trip winner but cannot take part in the Event and is not eligible to win a Challenge Event prize. A Trip Prize winner’s appointed Proxy, if any, may participate in the Challenge Event, but a prize won, if any, will be awarded to the Trip Prize winner. A Trip Prize winner’s Proxy is not eligible to win a Challenge Event prize. If neither a Trip winner nor a Trip winner’s Proxy attends the Challenge Event, a stand-in may be appointed by the Prize Provider. The person appointed as a stand-in for the Trip winner is not eligible to win a Challenge Event prize. A prize won, if any, will be awarded to the Trip winner, subject to state-owed debt and child support analysis and the withholding of applicable federal tax. Should a Trip winner not attend the Challenge Event, the Trip winner shall accept the outcome of the Challenge Event as played by a Proxy/Prize Provider stand-in. Challenge Event results are final and shall be accepted by all participants.

A winner of Challenge Event prize must submit a Winner Claim Form (DOL 173-2 or DOL 173-2S) and a copy of his/her identification prior to issuance of the Challenge Event prize. Upon the Lottery’s receipt of a Winner’s claim form and completion of the state-owed debt/child support analysis, as described in subsection (10), and deduction of federal tax withholding, as described in subsection (9), any Challenge Event prize payments will be issued to winners.

7. Payment of federal income tax withholding on the total retail value of the Trip Prize elements described in subparagraphs 1. through 5., above, except as to any prize won in the COME ON DOWN Challenge Event.

Exclusive of any prize received in the Challenge Event, the reportable taxable value of the Las Vegas Trip includes the value of the Trip Prize plus the value of the federal income tax withholding paid by the Florida Lottery. The retail value of the Trip Prize and the estimated reportable taxable value of the prize for a U.S. citizen are:

<u>Approximate Retail Value of Las Vegas Trip Prize (exclusive of a Challenge Event cash prize, if any)</u>	<u>Estimated Reportable Taxable Value of Las Vegas Trip Prize</u>
<u>\$9,460.00</u>	<u>\$11,730.40</u>

(b) As to any guest, the Florida Lottery must receive a completed Form DOL 474-TPIR Trip-Guest (Guest Release, Acknowledgement, and Authorization) on or before July 7, 2023. A guest must be 18 years of age or older. No guest changes or proxy appointments are permitted past this date. Once names are submitted, any changes made may incur a fee.

(c) Las Vegas Trip dates are September 4 through September 7, 2023. The Florida Lottery reserves the right to change Trip dates as circumstances require.

(d) Except as specified above, a Las Vegas Trip does not include travel to and from a Trip winner’s residence and an airport, other travel, meals, parking fees, baggage fees, travel insurance, alcoholic beverages (other than those served without charge at any reception and/or party), incidentals, tips, and personal expenses such as telephone calls, valet service or laundry, etc., as well as rebooking or cancellation fees that may be charged by the hotel, airline, or other suppliers/vendors.

(e) Scientific Games, LLC shall determine, in its sole discretion, the specific merchandise models, items, vendors, and/or retailers for all elements of the Las Vegas Trip Prize and reserves the right to substitute any portion or elements of the Trip Prize for items of comparable or greater value and/or any specified brand, vendor, or retailer for one of comparable quality. Elements of the Trip Prize are subject to availability and may be fulfilled by third-party companies and/or vendors.

(f) If the Trip winner chooses not to use the Las Vegas Trip or becomes unavailable for any reason, the Trip winner may appoint a Proxy, provided there is sufficient time, by completing a Proxy Appointment and Acknowledgement form DOL 491-B, revised 2/2023. Form DOL 491-B and a completed Proxy Release, Acknowledgement, and Authorization form DOL 474-TPIR Trip-Proxy, effective 2/27/23, must be received by the Lottery on or before July 7, 2023. Forms DOL 491-B and

DOL 474-TPIR Trip-Proxy are hereby incorporated by reference and can be obtained from any Florida Lottery office, or by writing to Florida Lottery, Claims Processing Division, 250 Marriott Drive, Tallahassee, Florida 32399-4016. If the Trip Prize winner or appointed Proxy fails to book the trip prior to the booking deadline, the Winner will forfeit the trip and will remain taxable on the entire value of the Trip Prize. In the event a Proxy is appointed, the original Trip Prize winner shall receive the \$4,000 spending cash and will remain eligible and may win a prize in the COME ON DOWN Challenge Event. Should a Proxy, for any reason, be unable to travel, the Proxy may not appoint another proxy; and the trip portion of the prize shall be forfeited. In such case, the Trip Prize winner will receive the \$4,000 spending cash and may receive a cash prize in the Challenge Event. Under all circumstances, the entire value of the Trip Prize shall remain taxable income to the original Trip Prize winner.

(8) No substitution of any kind, a cash substitution, assignment, or transfer of the Trip Prize, or element thereof, is permitted, except as provided herein. Any unused Trip Prize or Trip Prize elements will be forfeited, will not be redeemable for cash, and will not reduce the Trip Prize value awarded for tax purposes. A substitution initiated by the Florida Lottery, or its providers, are at the sole discretion of the Florida Lottery and its providers. Should there be prize substitutions, such will be of comparable or greater value.

(9) Taxes.

(a) Except as specifically described herein, all federal, state and/or local taxes or other fees on the Trip Prize or Trip Prize element/s, including any prize won in the Challenge Event, shall be the sole responsibility of the prizewinner, regardless of whether a prizewinner avails himself/herself of the prize.

(b) If a prize is won in the COME ON DOWN CHALLENGE Event, and as applicable, federal income tax withholding will be applied prior to issuance of payment to the winner of this prize. Federal income taxes will be withheld at a rate of twenty-four percent (24%) for U. S. citizens or legal residents and at the rate of thirty percent (30%) for nonresident alien claimants.

A Trip Prize winner who is a nonresident alien will be required to forward to the Lottery the difference between thirty percent (30%) and the twenty-four percent (24%) Florida Lottery-made payment (amount for U. S. citizens and legal residents) to cover taxes prior to award of the prize to him/her; a failure to forward the necessary sums will result in forfeiture of the Trip Prize and every element thereof. The \$4,000, or portion thereof, in spending money (element of Trip Prize), after application of any state-owed debt or child support owed,

will also be withheld to cover the tax withholding difference for a nonresident alien. The reporting and subsequent payment of any additional federal, state and/or local taxes shall be the responsibility of the prizewinner.

(c) If the prizewinner claims a Trip Prize but does not make travel arrangements within the specified timeframes, or otherwise does not make the Trip, the Trip Prize shall be forfeited, except for the \$4,000 in spending money and a prize awarded in the Challenge Event, if any. The entire value of a Trip Prize will remain taxable income to the Trip Winner.

(10) Other Restrictions and Provisions.

(a) After the withholding of applicable federal tax, Trip Prize winners, with respect to any \$600 or greater cash portion (i. e. \$4,000 in spending money and any Challenge Event prize), will be analyzed for state-owed debt and child support. If a prizewinner is identified as owing an outstanding debt to any state agency or owes child support collected through a court, the debt will be offset in accordance with section 24.115(4), Florida Statutes. If the debt is an amount less than the amount of a cash portion of the Prize Package, the balance of the cash portion after deduction of the debt shall be awarded. If the debt is an amount greater than the amount of the cash portion, the entire cash portion amount will be applied to the outstanding debt. Winners will be analyzed prior to issuance of each of the \$4,000 in spending money and any Challenge Event prize.

(b) Players must be at least 18 years of age.

(c) Persons prohibited by section 24.116, Florida Statutes, from purchasing a Florida Lottery ticket are not eligible to enter the COME ON DOWN CHALLENGE Bonus Play Promotion.

(d) All prizes and Trip winners are subject to the provisions of Chapter 24, Florida Statutes, and rules promulgated thereunder. Prizes shall be paid in accordance with the rule of the Florida Lottery governing payment of prizes. A copy of the current prize payment rule can be obtained from the Florida Lottery, Office of the General Counsel, 250 Marriott Drive, Tallahassee, Florida 32399-4011.

(e) By entering the COME ON DOWN CHALLENGE Bonus Play Promotion, a player gives his or her permission for the Florida Lottery to photograph and/or videotape and record the prizewinner with or without prior notification and to use the name, photograph, videotape, and/or recording of the prizewinner for advertising or publicity purposes without additional compensation.

**Subject:** Hazard Mitigation Grant Program Notice of Funding Availability

**Date:** February 21, 2023

Program Summary

The Florida Division of Emergency Management (Division) is pleased to announce the availability of Hazard Mitigation Grant Program (HMGP) funds as a result of the recent Presidential Disaster Declaration for Hurricane Ian (FEMA 4673-DR-FL).

HMGP funding is authorized by Section 404 of the Robert T. Stafford Disaster Relief Act. This funding helps communities implement measures to reduce or eliminate long-term risk to

people and property from natural hazards and their effects. The Division encourages all potential applicants to submit applications for projects that address eligible mitigation activities. The amount of HMGP funding available to the state is based on the total federal disaster assistance for the Presidential Disaster Declaration.

Current Changes

The Division will be using the FDEM Portal for the HMGP process. Applications are currently being accepted through the FDEM Portal and doing so **does not** require an additional hard copy submission. Hard copy applications are permitted pursuant to the Rule 27P-22, Florida Administrative Code; however, **the Division highly encourages all applications to solely be uploaded through the FDEM Portal.** If an applicant chooses to submit a hard copy of their application, a digital submission through the FDEM Portal is strongly advised, as processing and project management will be done through this system.

If you have been granted access to the FDEM Portal for a past event, please use your existing account and do not re-register. If you have problems accessing your account, please use the FDEM Portal contact below.

#### **Minimum Program Eligibility**

*Eligible Applicants:* According to the Code of Federal

Regulations (CFR) 44 §206.434(a), the following parties are eligible to apply for Hazard Mitigation Grant Program funds:

- State and local governments who have an approved Local Mitigation Strategy (LMS) in accordance with 44 CFR §201.6, prior to receipt of HMGP subgrant funding for projects;
- Private non-profit organizations or institutions that own or operate a private non-profit facility as defined in §206.221(e); and
- Indian tribes or authorized tribal organizations.

However, be advised that pursuant to Rule 27P-22, Florida Administrative Code, all project applications must go through the Local Mitigation Strategy Working Group (LMSWG) in the county where the project will take place. Any application sent to the Division without a signed endorsement letter, from either the Chair or Vice-Chair of an LMSWG, will be denied.

*Eligible Activities:* Activities include mitigation projects that will result in protection of public or private property from natural hazards. Activities for which implementation has already been initiated or completed are not eligible for funding. Eligible projects include, but are not limited to, the following:

- Acquisition or relocation of hazard-prone structures;
- Retrofitting of existing buildings and facilities that will result in increased protection from hazards;
- Elevation of flood-prone structures;
- Infrastructure protection measures;
- Stormwater management improvements;
- Minor structure flood control;
- Flood diversion and storage;
- Aquifer storage and recovery;
- Floodplain and stream restoration;
- Residential and community safe room construction; and/or
- Generators for a critical facility, provided they are cost-effective, contribute to a long-term solution to the problem that they are intended to address, and meet other project eligibility criteria as required by 44 CFR §206.434(c); or generators that are an integral part of a larger eligible project.

*Ineligible Activities:* The state will **not** consider funding requests for the following:

- Construction of new facilities (Nevertheless, the cost associated with above-code upgrades to new facilities may be considered);
- Equipment such as emergency pumps, vehicles, and communication devices;
- Stand-alone studies, design, and planning-related activities;
- Tree removal, debris removal, and other forms of maintenance; or
- **Projects already in progress** (*Construction may not begin until the contract between the State and subrecipient is executed and the project has met requirements of the National Environmental Policy Act*).

*Eligibility Criteria:* All projects submitted must meet *minimum criteria* to be considered for funding. An eligible project must:

- Conform to the requirements stated in this Notice of Funding Availability;
- Conform to the Florida State Hazard Mitigation Plan and the respective community's LMS;
- Conform to the funding priorities for the disaster, as established in the appropriate LMS;
- Demonstrate cost-effectiveness;
- Be technically feasible;
- Benefit the designated disaster area;
- Conform to all applicable environmental laws and regulations, as well as Executive Orders;
- Solve a problem independently or constitute a functional part of a solution;
- Benefit a National Flood Insurance Program (NFIP) participating community that is not on probation or suspended from the NFIP; and
- Meet all applicable State and local codes and standards.

#### **Cost-Share Requirements**

Under the HMGP, FEMA will contribute up to 75-percent of the total amount approved under the grant award to implement eligible, cost-effective mitigation measures. The applicant must provide the remaining 25-percent non-federal share. Contributions, cash, and in-kind services are acceptable as part of the non-federal share. Requirements for in-kind contributions can be found in 2 CFR §200.306. In-kind contributions must be directly related to the eligible project cost and are those personnel, materials, equipment and

supplies owned, controlled, and operated by the applicant or a third-party contributor.

Applicants may use the Global Match concept as part of the 25-percent non-federal share. Global Match permits a potential applicant to meet the non-federal share match by receiving credit for state and/or local government funds that were committed to a similar type of project(s). These similar, **non-federally** funded projects must meet all of the HMGP eligibility requirements. This means that if Global Match is approved, the applicant may receive up to 100-percent federal share. Phased projects are not eligible for Global Match.

#### **Pre-Award Costs**

Prior to receiving a grant award, pre-award costs may be requested. Pre-award costs include items such as engineering, environmental study, permitting, and other "soft" costs associated with a construction project. *Construction activities are not considered pre-award costs.* Pre-award costs must be requested in writing by submitting a signed Pre-award request form. Directions for getting this form are included in [Attachment A](#).

#### **Procurement**

Any procurement of property or services under a federal award must conform to 2 CFR §200 Subpart D (§§ 200.317 - 200.326). This also includes any activities performed as a part of the pre-award request.

#### **Sub-Recipient Management Costs**

Per FEMA Hazard Mitigation Grant Program Interim Policy 104-11-1, HMGP projects awarded under disasters, on or after the effective date, are eligible for sub-recipient management costs (SRMC) up to a hard cap of 5 percent of their eligible and actual project costs. SRMC is a separate pool of funding and will not be calculated as part of the benefit-cost analysis (BCA). SRMC will be reimbursed at a 100 percent federal cost share following the submission of compliant source documentation in conformance with 2 CFR 200, Subpart

**E.** Additional information on SRMC can be found in the attached application ([Attachment F](#)) and the HMGP SRMC Request Form ([Attachment G](#)). Any applicant requesting SRMC will need to submit [Attachment G](#) along with their application.

#### **County Funding Allocation**

To ensure funds are distributed equitably, designated counties have been assigned a portion of the total HMGP grant. The

amount is based on a calculation of the proportional share of the total federal assistance under the Public Assistance (PA), Individual Assistance (IA), and Small Business Administration (SBA) programs. Commitment of project funds by the Division is contingent upon receipt of appropriate Legislative Budget Authority.

These figures are shown in [Attachment B](#) and represent the estimated amount of HMGP funds currently available. HMGP funding is available only to those counties that have a current FEMA-approved LMS. Project applications will be considered only if:

- (1) The application is accompanied by an endorsement by the LMS Chairperson or Vice-Chairperson stating that the project is included in the current LMS; and,
- (2) If more than one project is submitted, the endorsement indicates the prioritization. A sample project submission letter is shown in [Attachment C](#).

The Division will attempt to fund each submitted project in priority order until the county's allocation has been exhausted. In accordance with Florida Administrative Code (F.A.C.) 27P-22.006, the Division uses the following tiered allocation system up until the State application deadline with FEMA:

#### *Tier 1*

The available HMGP funds are allocated to counties included in the relevant Presidential Disaster Declaration in proportion to each county's share of federal disaster funding from the Public Assistance (PA), Individual Assistance (IA), and Small Business Administration (SBA) Disaster Loan Program as of 120 days after a Disaster Declaration as reported by FEMA. Eligible projects submitted by each county included in the relevant Presidential Disaster Declaration will be funded in order of priority as outlined in the LMS until the allocated funds are exhausted or all eligible projects are funded.

#### *Tier 2*

Any allocation remaining after all eligible projects in any declared county are funded shall be re-allocated to those counties included in the relevant Presidential Disaster Declaration whose allocation was not sufficient to fund all submitted eligible projects. The order of priority for re-allocating funds is detailed in [Attachment D](#).

#### *Tier 3*

In the event funds remain after the Tier 1 and Tier 2 processes, any remaining funds will be offered on a statewide basis as described in [Attachment D](#).

Please see [Attachment D](#) for a detailed explanation of funding tiers.

#### Funding Availability and Notification

FEMA notifies the State of HMGP funding availability at the following milestones:

##### *Initial 30-Day Estimate*

This is an early estimate only and not an actual commitment of funding by FEMA. Funding may increase or decrease based on actual disaster claims during the declaration period. These estimates are provided for planning purposes and to jump-start the HMGP application process.

##### *Obligation prior to 12 Months*

Prior to the 12-month lock-in, FEMA will only obligate funds up to 75% of any current estimate. This is to eliminate the risk of over-obligating funds for any given disaster in the event the 12-month lock-in is lower than initially estimated.

##### *12 Months from the Date of Declaration*

This represents the State's Lock-in Amount. It is the maximum amount available that the state can expect to receive from FEMA. In rare occurrences, FEMA may conduct a subsequent review 18 months after the declaration, but only at the request of the State. The estimate from that review may cause the final lock-in to fluctuate up or down depending on the findings.

It is important for potential applicants to recognize that HMGP funds are contingent upon FEMA's reexamination of the disaster figures at the given time intervals. A county's funding allocation can increase or decrease after it has submitted an application.

#### Technical Assistance

The Division is in the process of scheduling HMGP application development workshop webinars. The webinars will focus on the declared counties so that their project-specific concerns can be addressed by state staff. The Division will be in touch with these counties in the next few weeks to finalize dates and times.

Please check the Division's website [www.floridadisaster.org/dem/mitigation/hazard-mitigation-grant-program](http://www.floridadisaster.org/dem/mitigation/hazard-mitigation-grant-program) for additional technical guidance. The Division will provide technical assistance throughout the application process. This includes assistance with the application process, Benefit Cost Analysis, Engineering Feasibility and Environmental/Historical Preservation Compliance. If there are any questions regarding the allocation of funds or the project review and selection criteria, please call Bureau staff at one of the following numbers:

Program Eligibility: (850)815-4537 or (850)815-4503

Environmental: (850)815-4582
