RULE NO.: RULE TITLE:

64B19-13.003 Continuing Psychological Education Credit
PURPOSE AND EFFECT: The Board proposes the rule amendment to update the text to show that current and former members shall receive one credit for each hour of service, up to a maximum of ten hours, for servicing as members on the Board probable cause panel.

SUMMARY: To update the rule text.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Section VII Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF MANAGEMENT SERVICES

NOTICE IS HEREBY GIVEN that the Public Employees Relations Commission (PERC) has declined to rule on the petition for declaratory statement filed by the City of Homestead on April 29, 2024. The following is a summary of the agency's declination of the petition:

PERC declined to issue a declaratory statement regarding whether a collective bargaining agreement between a public employer and a public employee organization becomes null and void where the certification of the organization as the exclusive bargaining agent for employees in the unit covered by the agreement has been revoked. PERC declined to answer this question because lawsuits challenging the constitutionality of 2023 legislation (specifically, Senate Bill 256), which mandates that the Commission revoke an employee organization's certification when the organization fails to comply with section 447.305, Florida Statutes, as amended by Senate Bill 256, are pending in two federal courts. The Commission noted that in the lawsuits, each Commission member is named as a defendant in their official capacity. The final order denying the petition for declaratory statement was issued on July 18, 2024, in Case

Number DS-2024-001. A copy of the Order Declining the Petition for Declaratory Statement may be obtained by contacting The Clerk, Public Employees Relations Commission, 4708 Capital Circle Northwest, Suite 300, Tallahassee, Florida 32303-7256.

"Would gloved hands be permitted to apply the exfoliant and moisturizer with SPF?" "Would necessary comedone extraction be permitted if the facialist is wearing gloves or using a gauze pad?" "Are consumer grade sonic scrubbers permitted?" "Is the use of Red/Blue Light Emitting Diode permitted to use by a Facial Specialist?" "During the time that a peel or mask is processing, may a Facial Specialist lightly apply a hand cream to the client's hand?" "Are HydraFacials permitted by Facialists?" "Can they be performed in a Spa/Salon or must they be performed in a MEDSPA under the supervision of a physician?" If permitted, what part of the body may this be performed on?" The Notice of Petition for Declaratory Statement was published in Vol. 50, No. 71, on April 10, 2024, in the Florida Administrative Register. The Board's Order was filed on July 9, 2024.
