Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Board of Veterinary Medicine

NOTICE IS HEREBY GIVEN that Board of Veterinary Medicine has received the petition for declaratory statement from Abraham Robinson, II, DVM, PhD. The petition seeks the agency's opinion as to the applicability of Sections 474.202, 474.203, 474.027 and 474.213, F.S., as it applies to the petitioner.

Petitioner is seeking a declaratory statement regarding an exception that a person trained in the art and science of veterinary medicine at an AVMA or non-AVA accredited institution is allowed to practice veterinary medicine as a clinical veterinarian or similar title in the State of Florida without a valid license while working under the employ of a for-profit or not-for-profit institution and while under the supervision of a licensed veterinarian. Petitioner also ask if U.S. citizenship and licensure in a foreign county or VISA program status (active TN visa) supersede the requirements of this chapter. Except for good cause shown, motions for leave to intervene must be filed within 21 days after publication of this notice.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Ruthanne Christie, Executive Director, Board of Veterinary Medicine, 2601 Blair Stone Road, Tallahassee, FL 32399-0751, N13, or by electronic mail - Ruthanne.Christie@myfloridalicense.com.

DEPARTMENT OF HEALTH

Board of Medicine

NOTICE IS HEREBY GIVEN that Board of Medicine has issued an order disposing of the petition for declaratory statement filed by Stanley C. Haimes, M.D., on August 08, 2024. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 50, No. 100, of the May 21, 2024, Florida

Administrative Register. Petitioner sought a statement from the Board regarding the application of section 456.057, F.S., and obligations to release medical records when performing independent medical evaluations in a number of different settings. The Board reviewed the Petition at its meeting held on June 7, 2024. The Boards Final Order filed on July 2, 2024, finds that under the facts set forth in the Petition, Petitioner is seeking an opinion that would be widely applicable to any physician performing independent medical evaluations in the State of Florida and therefore not appropriate for a declaratory statement. The Board also found the Petition was a general request for legal advice and that the Board had adopted a rule partially addressing the guidance sought. The Board hereby denies the Petition for Declaratory Statement.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Paul J. Vazquez, J.D., Executive Director, Board of Medicine, 4052 Bald Cypress Way, Bin #C03, Tallahassee, Florida 32399-3253, or Paul.Vazquez@flhealth.gov
