Central Florida Expressway Authority
 The Central Florida Expressway Authority announces a public meeting to which all persons are invited.
 DATE AND TIME: Wednesday, August 21, 2024, 5:30 p.m. – 7:30 p.m.
 PLACE: Via Teams/The in-person meeting will be held at Boombah Sports Complex, South Meeting Room, 3450 E. Lake Mary Blvd, Sanford, FL 32773.
 GENERAL SUBJECT MATTER TO BE CONSIDERED: This PD&E Study will consider, analyze, and evaluate the location of an approximately two-mile expressway connection from SR 417 to the entrance to the Orlando Sanford International Airport at or near Red Cleveland Boulevard. The study will also

evaluate an elevated alternative along East Lake Mary Boulevard. The study’s objectives include identifying transportation mobility options that could meet future demand, providing direct access to the Orlando Sanford International Airport and enhancing mobility for the area’s growing population and economy by providing additional transportation infrastructure.

This will be the first of three CEG meetings anticipated to be held as part of the PD&E Study. During this meeting, the CFX project study team will present information about the study, including information on the corridors that will be evaluated, and receive input from CEG members. All factors related to conceptual design and location of the facility, including transportation needs, financial feasibility, social impacts, economic factors, environmental impacts, engineering analysis, and right-of-way requirements, are being considered in the study.

As a special advisory resource to CFX and the consultant team, the CEG is an important component of this study process. The CEG’s input regarding local needs, concerns and social impacts is crucial in the evaluation of the feasibility of the project.
