WHEREAS, the City received an unsolicited Public-Private Partnership Proposal for the Jaycee Park Improvement Project from Fortress Secured, LLC on November 17, 2023 (the "Unsolicited Proposal"); and

WHEREAS, the Unsolicited Proposal was deemed a "qualified" proposal in accordance with those statutory requirements set forth and identified within Section 255.065 of the Florida Statutes; and

WHEREAS, in accordance with the requirements of Section 255.065, which existed at the time the Unsolicited Proposal was received by the City, the City published a Notice of Receipt of an Unsolicited P3 Proposal for Jaycee Park Improvements on January 3, 2024 and January 10, 2024 in the News-Press, and placed the proper legal notice in the Florida Administrative Register on January 2, 2024 and January 9, 2024; and

WHEREAS, Wharton-Smith, the contractor that would have been responsible for the project, withdrew from the Fortress Secured P3 Team, and Fortress Secured determined that an equivalent contractor to replace Wharton-Smith was Florida Premier Contractors from Punta Gorda, Florida; and

WHEREAS, the Florida Legislature amended Section 255.065, which required the City to hold a duly noticed public meeting at which the P3 proposal is presented and affected public entities and members of the public are able to provide comment, and a second duly noticed public meeting, at which the City determines that the proposal would be in the public's interest; and

WHEREAS, the City conducted the required duly noticed public meetings on July 24, 2024 and August 21, 2024; and

WHEREAS, the City must consider certain statutory factors in making the determination that the proposal is in the public's

interest pursuant to those requirements set forth in Section 255.065 of the Florida Statutes:

1. The benefits to the public.

Based on the 2016 Parks Master Plan and ULI Report in 2022, the City of Cape Coral has determined that Jaycee Park is currently being underutilized. The proposed enhancements will allow for greater access to the park and will provide expanded scenic views of the waterfront for the citizenry to enjoy. Additional amenities will be provided that are commonly located at premier waterfront parks, such as an entertainment bandshell, a food truck court, a refreshment hub, a playground and splash pad, and covered pavilions and boardwalk. Improvements to ingress and egress will be made, providing for a safer environment for both vehicle traffic and pedestrians. Environmental enhancements will also be provided including, but not limited to, the removal of invasive exotic trees and installation of rip rap and native plants to restore the natural ecosystem of the shoreline.

2. The financial structure of and the economic efficiencies achieved by the proposal.

Fortress Secured, LLC ("Fortress") submitted an unsolicited proposal to the City to design and construct the Jaycee Park Improvements, in accordance with Section 265.065 of the Florida Statutes, commonly known as the Public/Private Partnership Statute or the "P3 Statute." The Fortress proposal and the resulting Comprehensive Agreement offer the City a path forward for completing the Jaycee Park Improvements at a lower cost and with reduced risk to the City. Fortress is proposing to deliver the Project on a not to exceed basis, which shifts risks for cost overruns and construction delays from the City to Fortress. In addition, transferring construction management and administration responsibilities to the Fortress team will reduce the impact to the City staff and related resources, and the specialized experience that the Fortress team has in developing government facilities and coordinating design and construction services will enable the City to complete the Project efficiently and timely, without compromising quality or safety. Significantly, the City published notice of its receipt of the Fortress Proposal and solicited competing offers for the Project, and no other proposals were received.

3. The qualifications and experience of the private entity that submitted the proposal and such entity's ability to perform the project.

The Fortress proposal outlines the breadth and quality of its experience, including highlights of the various park projects currently underway and summaries of the facilities that have been delivered to various governmental entities by the Fortress Team including, but not limited to, improvements to Laishley Park & Marina (Punta Gorda), South County Regional Park (Punta Gorda), Ann & Chuck Dever Regional Park (Charlotte County), Sunseeker Resort (seawall and riverwalk), Maury's

Steakhouse, Stretto Coastal Italian Cuisine (Sunseeker Resort), Waterside Grille (Sunseeker Resort), Crest Lake Park (City of Clearwater), Hercules Park (City of Zephyrhills), and Rowena Park (Plant City). The experience of the Fortress Team includes the development of other types of governmental facilities as well, including the Southwest Water Reclamation Facility Operations / Maintenance Building (City of Cape Coral), Fire Station No. 83 (Fort Myers Shores), and Naples Classical Academy (Naples). These project highlights demonstrate the qualifications and experience of the Fortress Team which consist of Florida Premier Contractors (FPC) and Nest Construction, companies have a combined 50 plus years of experience and expertise in waterfront park enhancements.

4. The project’s compatibility with regional infrastructure plans.

Over the past several years, the City of Cape Coral has conducted numerous assessments of its park system and the park systems in the Southwest region of Florida. Through these assessments and discussions, the City has concluded the Jaycee Park Improvements constitute a qualified project that is consistent with other regional projects and regional infrastructure plans.

5. Public comments submitted at the meeting.

Over the past two years, there has been much discussion about the future of Jaycee Park. During City workshops and strategic planning sessions, Jaycee Park was an underutilized amenity in need of sitewide improvements. The plan was to redesign the park to celebrate Jaycee Park's majestic waterfront views and enhance the amenities to appeal to all Cape Coral citizens. The City hired a consultant to develop a concept for the park and hosted two community meetings. The City solicited public feedback via surveys, emails and regular input at the weekly Council meetings.

There were several recurring comments from the public, ranging from “do nothing” and “leave our park alone” to some that focused on specific amenities. Many of these comments have been addressed publicly and/or individually to the commentor via email. However, the City has specifically addressed the majority of the comments by the action taken to make modifications to the design. These modifications include: Shade at Park: The City and design team have gone to great lengths to ensure that not only will there ultimately be more tree shade than currently at the park but several of the amenities will have shade features added to them.

Bar/Bandshell: The P3 group is fully behind the City's vision of creating a Family Park. As such, the P3 group reduced the footprint of the initial structures and downsized both to accommodate the vision of the community.

Sale and Consumption of Alcohol: The City and Concessionaire agreed to a designated concession area with an

established perimeter where the sale and consumption of alcohol is permitted at the park.

Food Trucks: The City and P3 team agreed to reduce the number of permanent food truck by one-third and ensure all applicable City policies, ordinances and procedures are followed.

Family Friendly: The community wanted a family-friendly park accessible year-round. The design team added a splash pad and a playground with innovative Sun Shade technology.

Pet Friendly: The community asked for pet friendly components. The design team included pet hydration drinking fountains and misting stations.

WHEREAS, the Mayor and City Council have considered the factors required by Section 255.065 of the Florida Statutes, and have determined that the unsolicited Public-Private Partnership Proposal for the Jaycee Park Improvement Project from Fortress Secured, LLC, is in the public’s interest; and

WHEREAS, the Mayor and City Council desire to enter into a Comprehensive Agreement with Fortress Secured, LLC, and Concessionaire’s Agreement with The Reef Cape Coral LLC. NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF CAPE CORAL, FLORIDA:
