Notice of Development of Proposed Rules and Negotiated Rulemaking

AGENCY FOR HEALTH CARE ADMINISTRATION

Health Facility and Agency Licensing

RULE NO.: RULE TITLE:

59A-3.2461 Organ Transplant Programs

PURPOSE AND EFFECT: The Agency for Health Care Administration announces the convening of a negotiated rulemaking proceeding to create a rule addressing criteria for hospitals that provide adult and pediatric organ transplantation services. The purpose of the negotiated rulemaking is to draft a mutually acceptable proposed rule.

SUBJECT AREA TO BE ADDRESSED: The subject and scope of the rule to be developed through negotiated rulemaking will be the criteria for hospitals providing adult and pediatric organ transplantation services.

NEGOTIATED RULEMAKING COMMITTEE: The negotiated rulemaking committee members will be selected from the following representative groups:

1. Up to 4 transplant surgeons;
2. Up to 5 medical directors or program coordinators for a transplant program;
3. Up to 1 social worker specializing in organ transplant services that is employed by a hospital;
4. Up to 1 administrator from a hospital currently providing transplant services;
5. Up to 2 representatives from a hospital not currently providing transplant services;
6. Up to 1 pharmacist from a hospital currently providing transplant services;
7. Representatives of the Agency for Health Care Administration.

The goal of the committee is to have at least one of the above individuals representing a kidney program with experience with pancreas transplantation, at least one individual representing a liver program with experience with intestine and/or multivisceral transplantation, and individuals with experience with pediatric heart, kidney, liver, or lung transplantation. However, the Agency will exercise its discretion in picking the committee based on the applications received.

If you believe that your interests are not adequately represented by the committee members listed above, you may apply to participate within 30 days of the date of publication of this notice. Your application should contain the following information: your name, business address, and telephone number; the name of any organization you are representing; a description of the organization or the members of the organization; a description of how the proposed rulemaking

proceedings will affect you or the parties that you represent; a statement identifying the reasons why you believe the representative groups listed above will not adequately represent your interests; and a statement that you are willing to negotiate in good faith and can attend the scheduled meeting.

For those who have previously submitted committee applications, you must reapply. Please submit your application by email to TRANSPLANTRULE@ahca.myflorida.com.

64E-9.008	Supervision and Safety
64E-9.015	Fee Schedule
64E-9.016	Variances
64E-9.017	Enforcement

PURPOSE AND EFFECT: The rule amendments will update standards adopted by reference and provide other updates for the sanitation and safety criteria in public swimming pools in Florida.

SUBJECT AREA TO BE ADDRESSED: The rule development will update references to, and bring portions of these rules into alignment with, the current Florida Building Code. The changes will also update referenced standards for lifeguard, school training, and first aid courses, as well as updates to NSF and other incorporated standards. This rule development will address artificial lagoons and surf pools. The rule will also address changes to the variance application, process, and fee. The enforcement rule will be updated to reflect recent changes to other portions of the rule chapter.

FISH AND WILDLIFE CONSERVATION COMMISSION

RULE NO.:	RULE TITLE:
68-1.003	Florida Fish and Wildlife Conservation Commission Grants Program

PURPOSE AND EFFECT: The proposed amendment will update the Guidelines for the Derelict Vessel and At-Risk/Public Nuisance Vessel Removal Grant Program which are incorporated by reference in subsection (7) of Rule 68-1.003, F.A.C. The Guidelines will be updated to reflect block grant funding opportunities available to eligible governmental entities for the rapid removal of derelict and at-risk/public nuisance vessels. The Guidelines will also be amended to set forth the block grant eligibility requirements and application process to be utilized. These proposed amendments to the Guidelines will have the effect of allowing local governments a more streamlined grant application process and result in awarded entities being able to more quickly remove derelict vessels from the waters of the State.

SUBJECT AREA TO BE ADDRESSED: Subject area covered in the proposed rule is the Derelict Vessel and At-Risk/Public Nuisance Vessel Removal Grant Program, which is identified in subsection (7) of the rule.

1. BENEFITS TO THE PUBLIC:

- The public will have access to a unique multisport beach facility in Dania Beach, Florida, catering to all age groups for recreational outdoor activities.
- The facility will offer a variety of lifestyle beach sports such as sand pickleball, beach volleyball, footvolley, beach tennis, beach flag football, and more.
- The presence of 6 lighted courts, seating areas, and a concession stand at Frost Park will enhance the overall experience.
- Leagues, vacation training packages, and local, national, and international tournaments will attract visitors to the city, boosting tourism and economic activity.

Rita Crockett Beach Sports Academy (RCBSA) proposes to develop a state-of-the-art beach sports facility in Dania Beach, Florida to cater to the growing demand for outdoor recreational activities there. The proposed academy/facility, situated at Frost Park adjacent to the Dania Beach Casino, will offer a diverse range of beach-based sports and activities catering to both tourists and local residents. By leveraging the unique setting, establishing strategic partnerships, and employing comprehensive marketing, we know that this academy/facility has the potential to become a premier destination for beach sports and recreation in the Dania Beach/Fort Lauderdale area. The popularity of sand and beach sports has seen significant growth in recent years, driven by a combination of factors including increased awareness, accessibility, and global events. Here’s a breakdown of trends nationally and internationally:

Recent Growth Trends:

Increased Participation: Activities like beach volleyball, sand soccer, and beach tennis have gained traction, with more recreational leagues and tournaments emerging globally. The rise of social media has also played a role in showcasing these sports, attracting younger participants.

Olympic Influence: The inclusion of beach sports in major events like the Olympics has boosted their visibility. For instance, beach volleyball has been a staple since 1996, and sports like surfing and skateboarding have recently joined the Olympic roster, further elevating interest.

Health and Wellness Trends: The growing focus on fitness and outdoor activities has led to a surge in sand sports, which are

often seen as fun ways to stay active. This trend is particularly strong in coastal regions.

Infrastructure Development: Many countries are investing in infrastructure for beach sports, including dedicated facilities and hosting major national and international tournaments, which helps to promote these activities.

Future Outlook:

Continued Growth: The trend of increasing participation is likely to continue, particularly in emerging markets where beach sports are gaining recognition. Countries with coastlines are expected to see more organized events and leagues.

Sustainability Focus: As environmental awareness grows, there will likely be a push for sustainable practices in beach sports, including eco-friendly events and conservation efforts to protect beach environments.

Technological Integration: The use of technology, such as apps for organizing events or wearable tech for performance tracking, may enhance the experience for participants and spectators alike.

Diversity of Sports: Beyond traditional activities, new sand sports are emerging, appealing to various demographics. This diversification can engage a broader audience, including families and casual participants.

International Competitions: We anticipate hosting international competitions and collaborations, as countries look to showcase their talent on global stages, leading to increased interest and investment.

The future of sand and beach sports is bright, with ongoing growth driven by social, technological, and environmental factors. As these sports gain more traction globally, they will continue to evolve and attract diverse participants.

Dania Beach, is an excellent location for a beach sports academy/facility for several reasons:

Geographic Advantages:

Prime Location: Dania Beach is situated in a popular tourist area near Fort Lauderdale, making it easily accessible for both locals and visitors.

Ideal Climate: The warm, sunny weather year-round allows for year-round participation in beach sports.

Community and Infrastructure:

Existing Facilities: Dania Beach, Frost Park already has some recreational infrastructure, which can be easily expanded to include our beach sports academy/facility.

Community Engagement: The local community should be supportive of this new recreational opportunity, as beach sports can promote health and wellness.

Economic Potential:

Tourism Boost: A beach sports academy/facility could attract tourists, leading to increased business for local hotels, restaurants, and shops.

Hosting Events: The academy/facility could host regional, national and international tournaments, bringing additional revenue and visibility to the area.

Variety of Sports:

Diverse Offerings: The academy/facility will cater to a range of beach sports, including beach volleyball, sand soccer, and beach tennis, and others as mentioned below, appealing to different demographics.

Rita Crockett Beach Sports Academy (RCBSA's mission is to help create a positive impact on the community. Everyone is welcome to become a part of our program. We are dedicated to helping all players find a passion for playing beach sports. We are focused on developing players at all levels by providing collective and individual classes. Our goal is to help each individual reach his goal target. The PIT at Frost Park is a Beach Sport Complex that offers a variety of lifestyle beach sports ranging from beach volleyball, footvolley, beach tennis, beach flag football and more. Home to 6-8 lighted courts with a sitting area for viewing, The PIT is a great place for locals and tourists to experience these lifelong sports.

Partnering with Dania Beach, The PIT will offer vacation training packages to bring visitors to the city for not only sports, but also to experience all of the opportunities the "first city of Broward County has to offer." RCBSA will create a unique beach sports academy that will serve the City of Dania Beach by bringing an array of beach sports for locals as well as becoming a destination for all beach sports. The PIT will host local, national, and international tournaments, bringing attention to the City of Dania Beach. RCBSA will attract beach sport lovers to participate in all beach sports, including, but not limited to: Sand Pickleball, Beach Volleyball, Beach Tennis, Beach Badminton, Beach Foot Volley, Beach Soccer, Beach Flag Football, and Beach Handball.

Free-play time for the community, Beach Volleyball Juniors Club and showcases, after school sports programs, a multiple sports training facility destination, college annual beach volleyball invitational tournament, etc....

In summary, Dania Beach has the potential to be a thriving location for a beach sports academy/facility, benefiting the community economically and promoting a fun and active lifestyle.

2. FINANCIAL STRUCTURE AND ECONOMIC EFFICIENCIES:

- The project is expected to boost the local economy by attracting visitors to Dania Beach, leading to increased spending on accommodations, dining, and other local services.

- Revenue generated from leagues, training packages, and tournaments can contribute to the financial sustainability of the facility.

- Partnerships with the city and potentially sponsors can provide additional funding opportunities to support the project.

Initial Investment: The estimated cost for the development of the beach sports facility at Frost Park is \$554,502. This investment will cover construction costs, supporting amenities, start-up operational expenses, salaries, sports equipment purchases, and administrative fees. The City will be responsible for contributing 50% of the start-up contribution estimated at \$277,251 from the total \$554,502 with the City providing essential support. RCBSA will manage operational costs beyond the City's 50% start-up contribution.

Revenue Generation: The facility is projected to generate annual revenues based on a comprehensive market analysis and operational plan. The revenue streams include membership fees, training fees, tournament entry fees, travel expenses, private coaching services, merchandise sales, and equipment sales. The City and RCBSA will have a revenue share of all revenue generated from "The Pit" with the City receiving 30% of the revenue share and RCBSA receiving 70%.

Revenue Programming: Tentative pricing structures have been outlined for various services provided by the facility, such as junior beach volleyball club memberships, team training fees, tournament entry fees, travel expenses, private coaching, and merchandise/equipment sales.

Economic Efficiencies: - **Potential Return on Investment:** The projected annual revenues demonstrate strong potential for a solid return on investment, indicating the economic viability of the proposal.

Revenue Diversification: The proposal includes considerations for revenue diversification through services like club memberships, training programs, tournaments, coaching services, and merchandise sales. This diversification can help mitigate risks and enhance economic efficiencies.

Cost Management: Effective cost management strategies, such as careful monitoring of operational expenses, maintenance costs, and pricing structures, will be crucial for ensuring economic efficiencies and long-term financial sustainability.

- **Market Sensitivity and Competition:** The proposal acknowledges factors like seasonal fluctuations, weather conditions, local market competition, and the need for marketing and promotion to attract customers. Addressing these factors strategically can enhance economic efficiencies and revenue generation.

In summary, the financial structure and economic efficiencies of the proposal for the beach sports facility at Frost Park are designed to support sustainable operations, revenue growth, and a positive return on investment through diversified revenue streams, cost-effective management practices, and market-sensitive pricing strategies.

3. QUALIFICATIONS AND EXPERIENCE OF THE PRIVATE ENTITY:

-Rita Buck-Crockett, the face of RCBSA, brings extensive experience and expertise to the project. Rita has put together a

strong and diverse Board of Directors to help her in making the best decisions for the RCBSA.

- Rita's background as a former Assistant Athletic Director, Head Indoor and Beach Volleyball Coach for Florida International University, and her professional volleyball career demonstrate her deep knowledge of the sports industry.

- Her achievements, including playing professional volleyball internationally and coaching at various levels, highlight her leadership and success in the field.

- Rita's accolades and honors from national and international sports organizations further attest to her qualifications and credibility in the sports community.

- With Rita's leadership, the private entity has the potential to effectively manage and operate the proposed multisport beach facility, ensuring its success and benefit to the community.

4. THE PROJECT'S COMPATIBILITY WITH REGIONAL INFRASTRUCTURE PLANS.

- The City of Dania Beach passed their first ever Parks Master Plan in 2019 focusing on its first-ever comprehensive 10-year plan to address latent community park and recreation needs while providing a professional roadmap to improve public recreation and leisure facilities throughout the city. Numerous cities throughout the tri-county area have embarked or are beginning to embark on their own Parks Master Plan in order to expand and provide and meet the recreational and leisure services needs of the communities. This partnership would be another step forward in meeting those needs and bringing the City of Dania Beach and other surrounding cities Parks Master Plans to life.

- In addition to the city passing the Parks Master Plan in 2019, the City of Dania Beach adopted a revised Comprehensive Plan in 2023. This Comprehensive Plan has a Parks and Recreation element with goals and objectives for the city with the overall goal of providing a sustainable recreation and open space system to adequately meet the physical, social, recreational and cultural needs for all current and future residents and visitors of the City with an objective of all public facilities in the city being open to the public. Another main objective of the Comprehensive Plan is to ensure these recreational needs and standards are met through public and private resources. A partnership with Rita Crockett Beach Sports Academy supports these objectives.

- Along with the with the City's Parks Master Plan and the Comprehensive Plan, Broward County has a Recreation and Open Space Element to their Comprehensive Plan that was adopted in 2019 with the goal to provide safe and adequate recreation sites and facilities to satisfy the current and future needs while promoting active and healthy living. Broward County amended their master plan in 2022 with the continued goal of providing a countrywide park system with diverse facilities and recreation opportunities to enhance the well-being

of all residents, businesses and visitors while also creating a world-class and truly inclusive guest experience and develop specialty parks and signature elements unique to Broward County. The addition of the Rita Crockett Beach Sports Academy adds an additional element of recreation facilities for the community and visitors alike to promote active and healthy living that is truly a specialty and signature facility in Broward County. The Rita Crockett Beach Sports Academy, AKA, the "Pit" is the first of its kind in Florida and will be run by Rita Buck-Crockett an inductee of the Women's Volleyball Hall of Fame, an Olympic silver medalist, a collegiate volleyball coach and a resident of the City of Dania Beach to name a few of Rita's outstanding achievements.

In conclusion, the Rita Crockett Beach Sports Academy will help not only City of Dania Beach reach one of the many objectives the city's parks master plan and comprehensive plan, but all the objective of Broward County.
