Section IV Emergency Rules

DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

Division of Plant Industry

RULE NO.: RULE TITLE:

5BER24-15 Exposed Citrus Nursery Stock

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Section 581.1843(2), Florida Statutes, requires all citrus nursery stock to be produced in a protective structure approved by the Department. Rule Chapter 5B-62, Florida

Administrative Code, adopts the Department's standards for those structures. Hurricane Milton has created emergency conditions jeopardizing the movement of citrus nursery stock in structures that have been compromised and impacted industry's ability to move nursery stock.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The provisions of this rule are narrowly tailored to assist in the movement of exposed citrus nursery stock during the emergency conditions created by Hurricane Milton. Due to the emergency conditions, citrus nurseries may be forced to destroy valuable nursery stock that are needed by the industry to help replace trees damaged by the hurricane without the allowances provided by this emergency rule.

SUMMARY: This emergency rule allows for exposed citrus nursery stock to be moved into structures away from clean material and to be sold to growers.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Justin Ezell, Chief, Bureau of Citrus Budwood Registration, 3027 Lake Alfred Rd., Winter Haven, FL 33881, (863)298-3042.

THE FULL TEXT OF THE EMERGENCY RULE IS:

5BER24-15 Exposed Citrus Nursery Stock.

(1) Any citrus nursery stock within a greenhouse that was damaged due to the impact of Hurricane Milton or otherwise exposed shall be moved from the certified greenhouse into a non-certified structure within the permitted nursery or voluntarily destroyed by the nursery by December 31, 2024. All citrus nursery stock moved into a non-certified structure must be tracked by the nursery and the tracking records shall be made available to the Department upon request.

(2) Any citrus nursery stock moved into a non-certified structure within the permitted nursery will be exempt from compliance with Rule Chapter 5B-62, F.A.C., while this rule is in effect. No new nursery stock will be permitted to be started in a house with plant material that was impacted by the storm.

(3) Any exposed citrus nursery stock with Asian Citrus Psyllid nymphs or eggs present or exhibiting visual symptoms of Asiatic Citrus Canker, shall not be moved to another greenhouse nor be sold. All remaining exposed citrus nursery stock with no Asian Citrus Psyllid nymphs and or eggs present or no visual symptoms of Asiatic Citrus Canker, sold or provided to citrus growers shall be accompanied by a written notice that the citrus nursery stock may have been exposed to citrus diseases due to Hurricane Milton.

(4) Repaired certified citrus nursery greenhouses that were damaged due to Hurricane Milton shall be cleaned and sanitized as required by Rule Chapter 5B-62, F.A.C. Upon inspection and approval by the Department, the citrus nursery may start

new citrus nursery stock plantings within the greenhouse that will be subject to the full requirements of Rule Chapter 5B-62, F.A.C.

(5) Scion houses that were compromised due to the hurricane are encouraged to be restarted from Foundation material as soon as possible. However, recognizing the shortage that destroying this material could cause, the Department will require testing quarterly and continuous inspections every thirty (30) days of these trees while this rule is in effect.

Rulemaking Authority 570.07(23), 581.031(1), (3), 581.1843(3) FS. Law Implemented 570.07(2), (13), 581.031(1), (14), (17), 581.1843 FS. History—New 10-08-24.

THIS RULE TAKES EFFECT UPON BEING FILED WITH THE DEPARTMENT OF STATE UNLESS A LATER TIME AND DATE IS SPECIFIED IN THE RULE.

Section V Petitions and Dispositions Regarding Rule Variance or Waiver

DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

Division of Food Safety

RULE NO.: RULE TITLE:

5K-10.001 Documents Incorporated by Reference and Definitions

The Department of Agriculture and Consumer Services hereby gives notice: On October 7, 2024, the Department of Agriculture and Consumer Services, received a petition for an emergency variance from the 2017 Pasteurized Milk Ordinance (PMO), adopted by reference in rule 5K-10.001, Florida Administrative Code, from Petitioner, Publix Super Markets, Inc. located in Deerfield Beach and Lakeland, Florida. Paragraph 5K-10.001(1)(a), Florida Administrative Code, adopts the PMO, which provides storage time limits for raw milk. The Commissioner of Agriculture found that there was an immediate danger to the public health, safety, or welfare, and the Department issued an Immediate Final Order Granting Petition for Emergency Variance on October 7, 2024. The Immediate Final Order allows Petitioner to store raw milk for an extended period if specified conditions are met in order to accommodate the emergency conditions created by Hurricane Milton.

A copy of the Order or additional information may be obtained by contacting: Darby Shaw at darby.shaw@fdacs.gov, 407 S. Calhoun St., Ste. 502, Tallahassee, Florida 32399.

DEPARTMENT OF EDUCATION

State Board of Education

RULE NO.: RULE TITLE:

6A-2.0040 Sanitation Standards in K-12 Private Schools

The Department of Education hereby gives notice: that on July 3, 2024, the Department of Education, received a Petition for Variance from paragraph 6A-2.0040(7)(b), F.A.C., Sanitation Standards in K-12 Private Schools. The petition, dated July 3, 2024, and supplemented on July 11, 2024, requests a variance or waiver exempting the school from the requirement for one particular type of water fountain for each 100 students as prescribed by rule. The petitioner is Broward Career Preparation School, located in Southwest Ranches, Florida.

Notice of the petition was published in Vol. 50, No. 133, F.A.R., on July 9, 2024. Having received no public comment on the petition, the order on this petition was executed on October 8, 2024. After a complete review of the petition, the Department finds that the rule, as applied, will create a financial hardship for Petitioner. The Department further finds that Petitioner’s proposed alternative scheme would adequately address the concerns and purpose set forth by the rule’s underlying statutes. Petitioner shall strictly adhere to the operating procedures outlined and adopted by the order, and shall maintain a copy at its location during all periods of operation.

A copy of the Order or additional information may be obtained by contacting: Chris Emerson, Agency Clerk, 325 West Gaines St., Tallahassee, FL 32399 or email: christian.emerson@fldoe.org.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Board of Cosmetology

The Board of Cosmetology hereby gives notice: that on October 3, 2024, an Order was filed on the Petition for Variance or Waiver. The Petition was filed by Thao Phuong Thi Tran, Petitioner. The Petitioner sought a variance or waiver from Rule 61G5-29.011, Florida Administrative Code, regarding an Endorsement of Specialty Registration. Petitioner sought a variance or waiver to obtain a Nail Specialist/Manicurist license in the state of Florida without submitting a certificate of completion from the California Board of Cosmetology.

The Notice of Petition for Variance or Waiver was published in Vol. 50, No. 150, on August 1, 2024, in the Florida Administrative Register. The Board, at its duly noticed meeting held on September 17, 2024, granted the Petition for Variance or Waiver, finding that pursuant to section 120.542(8), F.S., the Petition must be acted upon by agency within 90 days of receipt,

or the petition is deemed granted. Due to the lack of a statutorily required quorum of board members, this could not be acted upon within the 90 day period, and accordingly, is granted by operation of law.

A copy of the Order or additional information may be obtained by contacting: Krista Woodard, Executive Director, Board of Cosmetology, 2601 Blair Stone Road, Tallahassee, Florida 32399-0783, Krista.Woodard@myfloridalicense.com
