(b) Discharge to waters of the state in violation of a permit condition of any unit of local, state, or federal government;

(c) Have the potential of individually or cumulatively reducing floodway conveyance or increasing water-surface elevations by more than 0.01 feet above the 100-year flood/one percent annual chance of flood elevation, or increasing soil erosion;

RULE NO.: RULE TITLE:

61G20-1.001 Florida Building Code Adopted

PURPOSE AND EFFECT: Subsection 553.899(12), Florida Statutes, directs the Florida Building Commission to adopt rules to establish a building safety program for the implementation of section 553.899, Florida Statutes, within the Florida Building Code, Existing Building volume, by December 31, 2024. The program must, at a minimum, include inspection criteria, testing protocols, standardized inspection and reporting forms that are adaptable to an electronic format, and record maintenance requirements for the local authority.

SUMMARY: The proposed amendments will integrate a building safety program in the Florida Building Code, Existing Building, 8th Edition (2023), in order to satisfy the requirements of subsection 553.899(12), Florida Statutes.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Although the milestone inspections will impose a cost on certain condominium and cooperative building owners, those requirements are established by section 553.899, Florida Statutes. The rulemaking will incorporate the milestone inspection requirements into the Florida Building Code, as

required, along with some additional details, but the rulemaking itself should not result in greater regulatory costs.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 553.73(1), 553.73(2), 553.73(7), 553.73(9), 553.76(1), 553.77(1), 553.899(12), 553.901 FS.

Section IV Emergency Rules

DEPARTMENT OF REVENUE

RULE NO.: RULE TITLE:

12ER24-16 Public Use Forms

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Section 61, Chapter 2024-158, L.O.F., authorizes the Department of Revenue to promulgate emergency rules to implement section 402.261, F.S., Child care tax credits, created by section 44, Chapter 2024-158, L.O.F. The promulgation of this emergency rule ensures that the public is notified in the most expedient and appropriate manner regarding the Child Care Tax Credits program.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The Legislature expressly authorized the promulgation of emergency rules to implement the provisions of section 44, Chapter 2024-158, L.O.F., which creates the Child Care Tax Credits program. Additionally, this emergency rule is the most expedient and appropriate means of notifying taxpayers of these provisions.

(b) A separate application to receive a credit allocation is required for:

1. Each tax listed in subsection (2) against which the taxpayer intends to apply any allocation of credit received.

2. Each beverage license issued by the Division for which a separate return to report and pay the excise taxes on liquor, wine, and malt beverages is filed with the Division.

3. Each tax credit cap year.

(c) Taxpayers are eligible to apply during the following periods to receive a credit allocation from each annual tax credit cap for the following taxes as follows:

1. Corporate Income Tax – A taxpayer may make an application for a credit allocation on the first business day of January of each calendar year for its tax year that begins during that calendar year. The credit must be earned before the date the taxpayer is required to file its Florida corporate income/franchise tax return for that tax year pursuant to Section 220.222, F.S., including a valid extended due date.

a. Example: A calendar year taxpayer may apply for a credit allocation for the 2025-2026 state fiscal year credit beginning on January 2, 2025. The credit must be earned before May 1, 2026; however, if the due date of the taxpayer’s Florida corporate income/franchise tax return is validly extended, the credit must be earned before November 1, 2026.

b. Example: A taxpayer with a tax year beginning December 1, 2025, and ending November 30, 2026, may apply for a credit allocation for the 2025-2026 state fiscal year credit beginning on January 2, 2025. The credit must be earned before April 1, 2027; however, if the due date of the taxpayer’s Florida corporate income/franchise tax return is validly extended, the credit must be earned before October 1, 2027.

2. Insurance Premium Tax – A taxpayer may make an application for a credit allocation on the first business day of January of each calendar year and before the due date of the insurance premium taxes and fees return, which is March 1 following the taxable year. The credit must be earned during the taxpayer’s taxable year. Example: For the 2025-2026 state fiscal year tax credit cap, a taxpayer may submit an application for a credit allocation beginning on January 2, 2025. The credit must be earned on or before December 31, 2025.

3. Sales and Use Tax – Tax on Oil and Gas Production – Excise Taxes on Liquor, Wine, and Malt Beverages – A taxpayer may make an application for a credit allocation on the first business day of January of the calendar year preceding the state fiscal year beginning on July 1 of the calendar year. The credit must be earned by June 30 of the state fiscal year for which the taxpayer is applying. For example, for a credit allocation for the 2025-2026 state fiscal year, taxpayers may apply for a credit allocation beginning on January 2, 2025. The credit must be earned by June 30, 2026.

(d) The Department will accept applications until either the tax credit cap is reached or until the end of the state fiscal year for sales and use tax, the tax on oil and gas production, and the excise taxes on liquor, wine, and malt beverages; until on or before the day the taxpayer’s insurance premium tax return is due; or until the day before the due date of the taxpayer’s Florida corporate income/franchise tax return for corporate income tax, whichever occurs first.

(4) Notification.

(a) The Department will approve credit allocations on a first-come, first-served basis. Following receipt of an application, the Department will send written correspondence regarding the amount of the credit allocation for each tax applied for, or the reason the credit allocation could not be approved. For excise tax on liquor, wine, and malt beverages, the Division must approve the credit allocation before the Department will issue such correspondence.

(b) When the Department is not able to approve an application, a letter explaining the reason for the denial will be mailed to the taxpayer. The taxpayer may protest the denial pursuant to Sections 120.569 and 120.57, F.S. The Department will reserve the denied amount of the allocation for the taxpayer during the protest period.

(c)1. If the amount of credit allocation requested by a taxpayer is subsequently determined to be overstated, the taxpayer may not claim more credit on its tax return than it was allocated by the Department. For example, Taxpayer A requested an allocation of credit of \$800,000, based on estimated costs of constructing an eligible child care facility. Later, it was determined Taxpayer A should have only applied for an allocation of \$750,000, based on actual eligible child care facility startup costs. Taxpayer A is only entitled to claim a credit of up to \$750,000 on its tax return. Taxpayer A may rescind the \$50,000 in unused credit allocation so that it may be reallocated to other taxpayers, if such rescindment is made within the timeframes provided in subsection (8).

2. If the amount of credit allocation requested by a taxpayer is later determined to be understated, the taxpayer may not claim more credit on its tax return than it was allocated by the Department. For example, Taxpayer Z submitted Form DR-556000 to the Department, requesting an allocation of credit of \$64,800. The request was based on Taxpayer Z making payments to an eligible child care facility in the name and for the benefit of its employees, estimating that it would be paying for child care costs for 18 eligible children. Later, Taxpayer Z determined its allocation request should have been for \$72,000, because it actually made payments to an eligible child care facility for 20 eligible children. Taxpayer Z is limited to a credit of \$64,800 when it files its tax return.

(5) Tax Credits.

(a)1. Corporate Income Tax – One hundred percent of the credit earned against any corporate income tax due for the tax year is allowed. The amount of the tax credit for a tax year:

a. Is taken in the order of the credits provided against the corporate income tax in Section 220.02(8), F.S.

b. Is revoked and rescinded when a taxpayer applies for a credit allocation after timely requesting an extension of time in which to file its Florida corporate income/franchise tax return

and fails to remit sufficient tentative tax, such that its extension is not valid under Sections 220.222 and 220.32, F.S.

2. Taxpayers must attach a copy of the tax credit allocation letter issued by the Department to the Florida corporate income/franchise tax return on which any tax credit is taken.

(b)1. Insurance Premium Tax – One hundred percent of the credit earned against any insurance premium tax due under Section 624.509(1), F.S., for the tax year is allowed. The amount of the tax credit for a tax year is limited to the insurance premium tax due after deducting:

a. Assessments made pursuant to Section 440.51, F.S. (workers' compensation administrative assessments);

b. Credits for taxes paid under Sections 175.101 and 185.08, F.S. (firefighters' and police officers' pension trust funds);

c. Credits for income taxes paid under Chapter 220, F.S., and the salary credit allowed under Section 624.509(5), F.S., as these are limited by Section 624.509(6), F.S. (the 65 percent limitation);

d. The amount of the Strong Families Tax Credit under Section 624.51057, F.S., and

e. The amount of the Live Local Program credit under Section 624.51058, F.S.

2. Taxpayers must attach a copy of the tax credit allocation letter issued by the Department to the tax return on which any tax credit is taken.

(c)1. Sales and Use Tax – One hundred percent of the credit earned is allowed against any state sales and use tax due self-accrued and paid directly to the Department in accordance with a valid Sales and Use Tax Direct Pay Permit issued by the Department.

2. The Department will send written instructions on how to claim the credit allocation as a tax credit on a sales and use tax return remitted to the Department by electronic means.

(d)1. Tax on Oil and Gas Production – One hundred percent of the credit earned is allowed against any tax due on oil or gas production in Florida imposed under Sections 211.02 and 211.025, F.S.

2. The tax credit may not exceed 50 percent of the tax due on the return on which the tax credit is taken. If a taxpayer has earned tax credits under Section 1002.395, F.S. (Florida Tax Credit Scholarship Program), Section 402.62, F.S. (Strong Families Tax Credit), and Section 1003.485, F.S. (The New Worlds Reading Initiative), the credit under Section 1002.395, F.S., will be applied first; the credit under Section 402.62, F.S., will be applied second; the credit under Section 1003.485, F.S., will be applied third; and the credit under Section 402.261, F.S., will be applied fourth, as applicable, until the 50 percent limit is reached.

3. Taxpayers must attach a copy of the tax credit allocation letter issued by the Department to the tax return on which the

credit allocation, or a portion of the credit allocation, is taken as a tax credit.

(e)1. Excise Tax on Liquor, Wine, and Malt Beverages – One hundred percent of the credit earned is allowed against the following taxes administered by the Division.

a. Excise tax on liquor beverages imposed under Section 565.12, F.S.;

b. Excise tax on wine beverages imposed under Section 564.06, F.S., except excise taxes imposed on wine produced by manufacturers in Florida from products grown in Florida; or

c. Excise tax on malt beverages imposed under Section 563.05, F.S.

2. The tax credit taken on a return filed with the Division is limited to 90 percent of the tax due on the return. Taxpayers must attach a copy of the tax credit allocation letter from the Department to the tax return on which any tax credit is taken.

(f) Credits earned for corporate income tax or insurance premium tax will be taken into account when determining the estimated payment amounts required to meet the prior year exceptions for each tax. Cross reference: Rules 12C-1.034 and 12B-8.001, F.A.C.

(6) Carryforward of unused credits.

(a) When a taxpayer is unable to use a tax credit during the period specified by the Department in the tax credit allocation letter, because the taxpayer's liability is insufficient, the taxpayer may carry forward the unused tax credit amount for a period not to exceed five years.

(b) Examples.

1. Corporate Income Tax Example – A calendar year taxpayer applied for and was approved for a credit allocation against corporate income tax for the tax year ending December 31, 2025. Any unused carryforward from its tax year ending December 31, 2025, expires on the due date pursuant to Section 220.222, F.S., for the Florida corporate income/franchise tax return for the taxable year ending December 31, 2030.

2. Insurance Premium Tax Example – A taxpayer applied for and was approved for a credit allocation against insurance premium tax due for calendar year 2025. Any unused carryforward from its tax year ending December 31, 2025, expires on December 31, 2030.

3. Sales and Use Tax Example – A taxpayer who holds a Sales and Use Tax Direct Pay Permit applied for and was approved for a credit allocation against sales and use tax due to the Department for the state fiscal year 2025-2026. The taxpayer's state tax liability in accordance with the Permit was insufficient to use the entire credit allocation on sales and use tax returns filed with the Department on or before June 30, 2026. Any unused carryforward from the 2025-2026 state fiscal year expires June 30, 2031.

4. Tax on Oil and Gas Production – The same application periods and credit carryforward periods that apply to a sales and

use tax credit allocation apply to a credit allocation against the tax on oil and gas production.

5. Excise Taxes on Liquor, Wine, and Malt Beverages Example – A taxpayer who holds a liquor license issued by the Division applied for and was approved for a credit allocation against the liquor excise tax for returns due during the state fiscal year 2025-2026. The taxpayer's liability was insufficient to use the entire credit allocation during that state fiscal year. Any unused carryforward from the 2025-2026 state fiscal year expires June 30, 2031.

(7) Transfers of unused tax credits.

(a) A taxpayer may not convey, assign, or transfer an approved credit allocation or a carryforward tax credit to another entity unless all of the assets of the taxpayer are conveyed, assigned, or transferred in the same transaction. However, an approved credit allocation that has not been claimed on a tax return or a carryforward tax credit that has not been claimed on a tax return may be transferred between members of the same affiliated group of corporations.

(b) A transferred credit allocation or carryforward tax credit may only be used against the same tax as the original credit allocation approved by the Department.

(c) A transferred credit allocation or carryforward tax credit may only be taken by the receiving member of the affiliated group during the same period for which the transferring member was approved.

(d)1. A taxpayer must notify the Department of its intent to transfer any unused credit allocation or carryforward tax credit to another member of its affiliated group by submitting Child Care Tax Credits Program – Notice of Intent to Transfer a Tax Credit (Form DR-556200, incorporated by reference in Rule 12ER24-16). A separate notice must be submitted for each member of an affiliated group of corporations receiving a transfer.

2. Taxpayers must submit an application for transfer of any unused credit allocation or carryforward tax credit to the Department by email at CreditTrackingGroup@floridarevenue.com or by mail to:

Florida Department of Revenue

Revenue Accounting

P.O. Box 6609

Tallahassee, FL 32314-6609

(e) The Department must approve the application for transfer of the unused credit allocation or carryforward tax credit before the receiving member may claim a tax credit on a tax return. For excise tax on liquor, wine, and malt beverages, the Division must also approve the transfer before the receiving member may claim a tax credit on a tax return.

(f) Following receipt of an application, the Department will send written correspondence approving the transfer or providing the reason the transfer could not be approved. The

taxpayer may protest the denial pursuant to Sections 120.569 and 120.57, F.S.

(g) If the transfer is approved, a copy of the approval letter will be sent to both the transferring member and the receiving member. The approval letter will include instructions on how the receiving member may claim a tax credit on a tax return.

(8) Rescindment of unused tax credits.

(a) The rescindment provision allows credit allocations that will not be used by the taxpayer to be reallocated to other taxpayers who may use the credit allocation. Taxpayers must apply online using the Department’s website at floridarevenue.com or submit Child Care Tax Credits Program – Application for Rescindment of Previous Allocation of Tax Credit (Form DR-556100, incorporated by reference in Rule 12ER24-16) to the Department to rescind all or a portion of an unused credit allocation. See paragraph (3)(a) for submitting the application to the Department.

(b) An application for rescindment of the unused credit allocation by the Department will not be approved when:

1. The amount of credit allocation requested to be rescinded has been claimed as a credit on a previously filed return; or

2. The allocation year is closed for all taxpayers. The allocation period for a calendar year is closed for all taxes and all taxpayers on October 1 of the third year following the January 1 opening of the allocation period, regardless of whether the annual tax credit cap has been reached. For example, the allocation period beginning January 1, 2025, for the state fiscal year beginning July 1, 2025, closes for all taxpayers on October 1, 2027.

(c) Following receipt of an application, the Department will send written correspondence regarding the amount of the rescindment, or the reason rescindment could not be approved. For excise tax on liquor, wine, and malt beverages, the Division must approve the rescindment before the Department will issue such correspondence. The taxpayer may protest the denial pursuant to Sections 120.569 and 120.57, F.S.

RULE NO.: RULE TITLE:
20ER24-1 Processed Form.

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Section 120.54(4)(a) and Section 120.54(4)(b),

Florida Statutes, states that those rules pertaining to perishable agricultural commodities shall be included in the definition of rules relating to the public health, safety, or welfare.

Amending the rule to include the updated equivalent unit’s conversion chart used in calculating equivalent boxes for payment of equalization excise assessments in the case that the actual number of boxes cannot be substantiated by appropriate records. The chart is necessary to have in the rules as incorporating the Florida Department of Citrus created Form 4R is best practices as opposed to having the agency created document incorporated by reference.

After discussing the matter at the regular meeting and hearing in Bartow, Florida on October 23, 2024, the Florida Citrus Commission finds that failure to have the proper unit conversion chart applied to the current season would result in economic waste by either causing good and safe food to go to waste, or by overcharging in the unit conversion chart therefore causing damage to the public welfare and financial harm to the industry. The FCC voted unanimously to adopt Emergency Rule 20ER24-1, to include and update the conversion unit chart used in calculating equivalent boxes for payment of equalization excise assessments in the case that the actual number of boxes cannot be substantiated by appropriate records. The updated chart shall be effective for the period of ninety (90) days.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: Adequate notice procedures were used by the Department of Citrus to inform the public and the Florida citrus industry of the pending adoption of Emergency Rule 20ER24-1 to include and update the conversion unit chart used in calculating equivalent boxes for payment of equalization excise assessments, in that notice was sent via email on October 15, 2024 of the emergency rulemaking to take place at the October 23, 2024, meeting to members of the Florida Citrus Commission, all industry organizations, the Florida Press Corps and other interested persons.

SUMMARY: Emergency rule 20ER24-1 amends and includes the updated conversion unit chart used in calculating equivalent boxes for payment of equalization excise assessments in the case that the actual number of boxes cannot be substantiated by appropriate records for the period beginning October 23, 2024, through January 21, 2025, assuring the proper unit conversion chart is applied to the current season as to not result in economic waste by either causing good and safe food to go to waste, or by overcharging in the unit conversion chart therefore causing damage to the public welfare and the industry is not harmed financially.

RULE NO.: RULE TITLE:

20ER24-2 Official Forms Used by Agency

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Section 120.54(4)(b), Florida Statutes, states that those rules pertaining to perishable agricultural commodities shall be included in the definition of rules relating to the public health, safety, or welfare.

Updating the Form 4R to include the updated equivalent unit conversion unit chart used in calculating equivalent boxes for payment of equalization excise assessments in the case that the actual number of boxes cannot be substantiated by appropriate records.

After discussing the matter at the regular meeting and hearing in Bartow, Florida on October 23, 2024, the Florida Citrus Commission found that failure to update the form with the updated equivalent unit conversion chart applied to the current season would result in economic waste by either causing good and safe food to go to waste, or by overcharging in the unit conversion chart therefore causing damage to the public welfare or financial harm to the industry. The FCC voted unanimously to adopt Emergency Rule 20ER24-2, updating the Form 4R to include the updated equivalent unit conversion chart used in calculating equivalent boxes for payment of equalization excise assessments for the period of October 23, 2024, through January 21, 2025.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: Adequate notice procedures were used by the Department of Citrus to inform the public and the Florida citrus industry of the pending adoption of Emergency Rule 20ER24-2 updating the Form 4R to include the updated equivalent unit conversion chart used in calculating equivalent boxes for payment of equalization excise assessments, in that notice was made via email on October 15, 2024 of the emergency rulemaking to take place at the October 23, 2024 meeting to members of the Florida Citrus Commission, all industry organizations, the Florida Press Corps and other interested persons.

SUMMARY: Emergency rule 20ER24-2 updating Form 4R to include the updated equivalent unit conversion chart used in calculating equivalent boxes for payment of equalization excise assessments for the period beginning October 23, 2024, through January 21, 2025, assuring good and safe citrus products go to market and the industry is not harmed financially.

Players may scan the barcode on the bottom of a ticket or may manually enter the 24-digit ticket number (Eligible Holiday Blowout and The Perfect Gift tickets) or 19-digit ticket number (Eligible PICK tickets) on the ticket entry page to collect entries as described in subsection (3), below.

3. Deleted Accounts. If a player deletes his/her account, whether through the App or on the Florida Lottery’s website, all account data, including ticket entries, associated with the email address used to register his/her account will also be deleted. Any entries earned will not be entered into a drawing. A player’s account cannot be reactivated using the email associated with the deactivated account. Should a player establish a new account utilizing a different email address, account data, including ticket entries, cannot be transferred to the newly established account. Tickets entered under the prior account cannot be re-entered utilizing the newly created account.

4. Regardless of whether a player chooses to participate in the Promotion by using the web browser or the App, the following provisions shall apply:

- a. a player will be prompted to either register or login;
- b. the player must use the same account login information to enter tickets;

(b) Any attempt by a player to use more than one account by using multiple or different email addresses, identities, registrations, logins, or any other methods will subject the player and any associated entries to disqualification. In the event a player wins a prize, the name a player uses to register must match the name shown on his/her identification used to make a claim, except for a person who has made a legal name change. A person who has made a legal name change must provide a copy of a marriage certificate/judgment/court order, as applicable, as proof of a differing name. Fictitious names and business names will not be accepted and shall subject the player and any associated entries to disqualification.

(c) The odds of winning depend on the number of entries in a drawing. All entries are subject to validation by the Florida Lottery and will be disqualified if eligibility requirements are not met.

(d) Lottery tickets should not be mailed to the Lottery for entry into a drawing. Tickets received in the mail by the Florida Lottery for entry into the Promotion will not be entered into a drawing and will not be returned.

(3) Earning Entries into the Promotion.

if attempts to reach the winner by telephone or email are unsuccessful. If the Florida Lottery is unable to have contact by telephone or email with a winner within ten (10) calendar days of the date the winners are posted on the Lottery's website, the winner will forfeit his or her right to claim the prize and the Florida Lottery will select an alternate winner in accordance with subsection (5), above. If the Florida Lottery does not receive the required documents from a winner by the tenth calendar day after notification, the winner will forfeit his or her right to claim the prize and the Florida Lottery will award the prize to an alternate winner as described in subsection (5), above. The same timeframe for a winner to return required documentation to the Florida Lottery shall apply to an alternate winner.

(9) Award of Drawing Prizes. Upon the Florida Lottery's timely receipt of a winner's required documentation, the Florida Lottery will award the prize to that winner, subject to applicable

federal tax withholding and analysis for State-Owed Debt and Child Support Debt.

If more than one prize is awarded to a winner, a separate analysis shall occur prior to payment of each prize. If the winner is identified as owing outstanding debt to any state agency or owes child support, the debt will be offset in accordance with Section 24.115, Fla. Stat. If the debt is less than the amount of the cash prize, the balance of the prize, less applicable income tax withholding on the full prize amount, and after the debt is offset shall be awarded. If the debt is greater than any cash prize, the entire prize amount, after applicable income tax withholding on the full prize amount, will be applied to the outstanding debt.

(11) Taxes. Except as specifically defined herein, all federal, state, and/or local taxes and/or other costs and fees on all prizes will be the responsibility of winners. For \$20,000 prizes, and pursuant to applicable provisions of the Internal Revenue Service code, federal income taxes will be withheld at a rate of twenty-four percent (24%) for U. S. citizens and legal U. S. residents and at a rate of thirty percent (30%) for nonresident winners. For all drawing prizes, federal income taxes will be withheld at a rate of thirty percent (30%) for nonresident winners. Section V Petitions and Dispositions Regarding Rule Variance or Waiver

DEPARTMENT OF HEALTH

Board of Nursing

RULE NO.: RULE TITLE:

64B9-3.002 Qualifications for Examination

The Board of Nursing hereby gives notice: of the issuance of an Order regarding the Petition for Waiver or Variance, which was filed on May 3, 2024, by Sartrecya Bryant. The Notice of Petition for Waiver or Variance was published in Volume 50, Number 93, of the May 10, 2024, Florida Administrative Register. Petitioner requested a variance or waiver from subsection 64B9-3.002(3), F.A.C., entitled, “Qualifications for Examination,” which states in part, for an applicant writing the examination for practical nurses on the basis of practical nursing education equivalency, a completed Practical Nurse Equivalence (PNEQ) Application Letter or an official certified transcript which sets forth graduation from an approved professional program is required.

The Board considered the instant Petition at a duly-noticed public meeting held June 6, 2024, in Saint Augustine, Florida. The Board’s Order, filed on July 2, 2024, granted the petition finding that Petitioner established that the purpose of the underlying statute would be met by granting a variance or waiver from subsection 64B9-3.002(3), F.A.C. The Board further finds that Petitioner established that applying the requirements of the aforementioned rule to petitioner’s circumstances would violate principles of fairness and impose substantial hardship.

A copy of the Order or additional information may be obtained by contacting: Amanda Gray, Executive Director, Board of Nursing, 4052 Bald Cypress Way, Bin #C02, Tallahassee, Florida 32399-3252; MQA.Nursing@flhealth.gov.
