RULE NOS.:	RULE TITLES:
14-121.001	Purpose, Definitions, and Designation of Signature Authority
14-121.002	Airport Airspace Obstruction Permitting
14-121.003	Local Airport Airspace Obstruction Permitting Technical Review
14-121.004	Filing Airport Protection Zoning Regulations
14-121.005	Forms
14-121.006	Sunset

PURPOSE AND EFFECT: To adopt rules to implement Chapter 333, F.S., related to airport zoning as authorized by Chapter 2021-186, s. 10, Laws of Florida.

SUMMARY: The proposed rules for Chapter 14-121, Florida Administrative Code, provide requirements for airport airspace obstruction permitting, local airport airspace obstruction permitting technical review by the Florida Department of Transportation’s Aviation Office, and the filing of airport protection zoning regulations with the Department’s Aviation Office within a specified time frame. The proposed rules also incorporate a form by reference.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department used an itemized checklist to conduct an economic analysis and determine if there would be any adverse impact or regulatory cost associated with these rules that exceeds the stated criteria. Upon review of the proposed rulemaking, the Department determined that the proposed rules will not exceed any one of the economic analysis criteria in a SERC as set forth in s. 120.541(2)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: 64B20-7.001
RULE TITLE: Disciplinary Guidelines
PURPOSE AND EFFECT: Updates to the disciplinary guidelines are being made to include telehealth registrants, in accordance with s. 456.47, F.S.
SUMMARY: Updates to the disciplinary guidelines are being made to include telehealth registrants, in accordance with s. 456.47, F.S.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

64B20-7.001 Disciplinary Guidelines.

(1) Purpose. Pursuant to Section 456.079, F.S., the Board provides within this rule disciplinary guidelines which shall be imposed upon applicants, or licensees whom it regulates under Chapter 468, Part I, F.S., or a telehealth provider registered under section 456.47(4), F.S. The purpose of this rule is to notify applicants, registrants, and licensees of the ranges of penalties which will routinely be imposed unless the Board finds it necessary to deviate from the guidelines for the stated reasons given within this rule. The ranges of penalties provided below are based upon a single count violation of each provision listed; multiple counts of the violated provisions or a combination of the violations may result in a higher penalty than that for a single, isolated violation. Each range includes the lowest and highest penalty and all penalties falling between. The purposes of the imposition of discipline are to punish the applicants, registrants, or licensees for violations and to deter them from future violations; to offer opportunities for rehabilitation, when appropriate; and to deter other applicants, registrants, or licensees from violations.

(2) Violations and Range of Penalties. In imposing discipline upon applicants, registrants, and licensees, in proceedings pursuant to Sections 120.57(1) and (2), F.S., the Board shall act in accordance with the following disciplinary guidelines and shall impose a penalty within the range corresponding to the violations set forth below. The verbal identification of offenses is descriptive only; the full language of each statutory provision cited must be consulted in order to determine the conduct included.

DEPARTMENT OF COMMERCE

Division of Community Development
Commerce Final Order No. COM-24-019
FINAL ORDER

APPROVING CITY OF MARATHON ORDINANCE NO. 2023-19

The Department of Commerce (“Commerce”) hereby issues its Final Order, pursuant to Section 380.05(6), Florida Statutes, approving land development regulations adopted by the City of Marathon (the “City”), Ordinance No. 2023-19 (the “Ordinance”).

FINDINGS OF FACT

- 1.The Florida Keys Area is designated by Section 380.0552, Florida Statutes, as an area of critical state concern. The City is a local government within the Florida Keys Area.
- 2.The Ordinance was adopted by the City on September 12, 2023, and rendered to Commerce on March 12, 2024.
- 3.The Ordinance amends Chapter 107, Article 8, of the City’s Code of Ordinances to modify land development regulations that govern landscaping throughout the City to implement statutory requirements and best management practices.
- 4.The changes within the Ordinance add specificity to the minimum requirements for landscape design, layout, installation, and maintenance. Additionally, the Ordinance revises the plant material and plant list, includes a list of Florida friendly landscape principles, and updates provisions related to landscape parking areas, buffers, and streetscapes.

CONCLUSIONS OF LAW

- 5.Commerce is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. See Section 380.05(6), Florida Statutes.
6. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. Section 380.031(8), Florida Statutes. The regulations adopted by the Ordinance are land development regulations.
- 7.The Ordinance is consistent with the City’s Comprehensive Plan as required by Section 163.3177(1), Florida Statutes, generally, and is specifically consistent with Policies 1-1.1.2, 1-1.1.3, 1-1.1.4, 3-4.2.3, 3-4.2.5, 3-5.5.1, 3-5.5.2, 3-5.5.5, and 4-1.18.6.
- 8.All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. See Section 380.05(6), Florida Statutes.
- 9.The Principles for Guiding Development for the Florida Keys Area of Critical State Concern are set forth in Section 380.0552(7), Florida Statutes.
- 10.The Ordinance is consistent with the Principles for Guiding Development in Section 380.0552(7), Florida Statutes and is specifically consistent with the following Principles:
 - (a) Strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives

without continuing the area of critical state concern designation.

- (b) Protecting shoreline and marine resources, including mangroves, coral reef formations, seagrass beds, wetlands, fish and wildlife, and their habitat.
- (c) Protecting upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife, and their habitat.
- (d) Ensuring the maximum well-being of the Florida Keys and its citizens through sound economic development.
- (e) Limiting the adverse impacts of development on the quality of water throughout the Florida Keys.
- (k) Limiting the adverse impacts of public investments on the environmental resources of the Florida Keys.
- (n) Protecting the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource.

WHEREFORE, IT IS ORDERED that Commerce finds that the City of Marathon Ordinance No. 2023-19 is consistent with the City of Marathon’s Comprehensive Plan and the Principles for Guiding Development for the Florida Keys Area of Critical State Concern and is hereby APPROVED.

This Final Order becomes final 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below.

DONE AND ORDERED in Tallahassee, Florida.
