

The Department denied Inmate Osterback’s Petition to Initiate Rulemaking. Although institution law libraries do not contain the Florida Administrative Weekly or copies of the agency’s final order index, the contents of institution law libraries, as determined by Rule, have been found to be legally sufficient. Inmates are not unconstitutionally deprived of access to copies to the final order index which are available upon request at the cost of its reproduction. Maintaining a copy of the current final order index in institution law libraries is impractical given the nature of the index and the frequency with which it is updated. A copy of the Order may be obtained from: Giselle Lylen Rivera, Assistant General Counsel, Department of Corrections, 2601 Blair Stone Road, Tallahassee, Florida 32399-2500.

DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS

Florida State University, State of Florida announces that Professional Services in the discipline of architecture will be required for the project listed below:

Project No. BR-252

Project and Location: New Residence Hall
 Florida State University
 Tallahassee, Florida

The project will construct a new 205,307gsf, 600 bed, mid-rise residence hall. This facility will be located as part of the “Student Life Quad” bounded by Wildwood Drive, Jefferson Street and College Avenue. It is presently envisioned to contain apartment style accommodations however, different alternatives can be explored to achieve optimum layouts. Design of the facility must be sensitive and complimentary to the architectural features and qualities of the Student Life Building to the north of the site. Great care must be taken in the siting and design of the building to fit in with the character of the area as described in the Campus Master Plan.

The selected firm will provide design, construction documents and construction administration for the project which may be delivered by the Construction Management system or may be bid. A determination on the method for delivery of construction will be made jointly with the architect and owner. The project is budgeted at \$23,723,000 for construction. Blanket professional liability insurance will be required for this project in the amount of \$1,000,000 and will be provided as a part of Basic Services.

INSTRUCTIONS

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed Board of Regents “Professional Qualifications Supplement,” dated either 2/99 or 9/99. Applications on any other form, or on versions dated prior to 2/99, will not be considered.
2. A copy of the applicant’s current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit Six (6) copies of the above requested data, bound in the order listed above. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned.
