WATER MANAGEMENT DISTRICTS

NOTICE IS HEREBY GIVEN that on November 8, 2006, the St. Johns River Water Management District has issued an order.

The St. Johns River Water Management District (SJRWMD) Governing Board hereby gives notice that on November 8, 2006, it issued a Final Order Granting Variance under Section 120.542, F.S. (SJRWMD FOR # 2006-85), to LabCo, LLC (Petitioner). The Petition for Variance was received by SJRWMD on September 1, 2006. Notice of receipt of the petition requesting the variance was published in the F.A.W., Vol. 32, No. 39, on September 29, 2006. No public comment was received. This order provides a temporary variance from subparagraph 40C-41.063(1)(c)1., Florida Administrative Code and Section 11.1.3 of the Applicant's Handbook: Management and Storage of Surface Waters (February 1, 2005). These rules provide in pertinent part that a surface water management system may not result in an increase in the amount of water being diverted from the Upper St. Johns River Hydrologic Basin to intercoastal receiving waters. Generally, the Order sets forth the basis of the Governing Board's decision to grant the variance as follows: 1) requiring Petitioner to comply with these rules onsite would create a technological hardship, and 2) Petitioner's financial contribution to the C-1 Rediversion Project or an Alternative Rediversion Project will accomplish the purpose of Chapter 373, Florida Statutes, to prevent harm to the water resources, by facilitating the project's implementation. The C-1 Rediversion Project is a restoration project designed to allow water that would be diverted from the St. Johns River to coastal receiving waters by the Melbourne-Tillman Water Control District canal system to drain once again to the St. Johns River. A copy of the Order may be obtained by contacting: Timothy A. Smith, Senior Assistant General Counsel, Office of General Counsel, St. Johns River Water Management District, 4049 Reid Street, Palatka, Florida 32177-2529, (386)312-2347.

The Notice of Petition for Waiver or Variance was published in the F.A.W., Vol. 32, No. 21, of the May 26, 2006. The Petitioner sought a waiver or variance of subsection 61H1-33.006(2), F.A.C., entitled "Inactive or Delinquent Florida Certified Public Accountants Who Desire to Become Active Licensees" with regard to the requirement that required continuing professional education hours have been completed in the 24 months immediately preceding the date of an application for reactivation. The

Board considered the instant Petition at a duly-noticed public meeting, held July 26, 2006, in Tampa, Florida. The Board's Order granted the petition finding that Petitioner established that the purpose of the underlying statute, Section 473.311, would be met by granting a variance or waiver from subsection 61H1-33.006(2), F.A.C. The Board further found that Petitioner had established that applying the requirements of the aforementioned Rule to her circumstances would violate principles of fairness and impose substantial hardship.
