AGENCY FOR HEALTH CARE ADMINISTRATION

Division Health Quality Assurance

RULE CHAPTER NO.: RULE CHAPTER TITLE:

59A-33 Health Care Clinic Licensure

NOTICE OF CHANGE

This amended notice of change, amends changes to the Notice of Change published in the Vol. 32, No. 23, Notice Section: Notice of Change/Withdrawal, on June 9, 2006, the Florida Administrative Weekly, in accordance with subparagraph Section 120.54(3)(d)1. These changes correspond to objections from the Committee to proposed Rule Chapter 59A-33, F.A.C. All objections have been addressed and changes agreed by the Agency. The proposed rule chapter was originally published on January 13, 2006 in Vol. 32, No 2, Florida Administrative Weekly. THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE CHANGES OR TO OBTAIN COPIES IS: Roger Bell, Unit Manager of the Health Care Clinic Unit, 2727 Mahan Drive, Mail Stop #53, Tallahassee, Florida 32308-5704, (850)488-1365, Suncom 278-1365, e-mail: bellr@ahca.my florida.com

Committee Comment: AHCA Form 3110-0013 June 05, Instructions for Completing the Application for Health Care Clinic Licensure, p. 5 of 18, subsection 8.2

The first subparagraph of this subsection states, "Applicants must be fingerprinted within the past 5 years for Level 2 Screening (FBI and FDLE) under standards of Chapter 435, F.S., and 817.234, F.S.," The law implemented by the application rule and form, Section 400.991(7)(b), F.S., requires applicants to submit "[p]roof of compliance with the Level 2 Background Screening requirements of Chapter 435, F.S., *which has been submitted within the previous 5 years* in compliance with any other health care licensure requirements of the state is acceptable in fulfillment of this paragraph." (Emphasis supplied.) By requiring fingerprinting of applicants within the past 5 years, this form appears impermissibly modifies the law implemented which merely requires the background screening requirements to have been submitted within the past 5 years.

In addition, the form requires natural persons who own or control "more than a 10% interest in the clinic" to be fingerprinted. Paragraph 400.991(7)(b), F.S., states, in part, "Applicants who own less than 10% of the health care clinic are not required to submit fingerprints under this section." By including only those natural persons who own or control more than 10% of the clinic, and by failing also to include those persons who own or control exactly 10% of the clinic, this form appears impermissibly to modify the law implemented.

Finally, the third subparagraph of this subsection states that Section 400.991(7)(a), F.S., defines "applicant" as "individuals owning or controlling, directly or indirectly, 10% or more of an interest in a clinic; the medical or clinic director, the financial officer or similarly titled individual who is responsible for the financial operation of the clinic; and the licensed health care practitioners employed by or under contract with the clinic." The law implemented, Section 400.991(7)(a), F.S., defines "applicant" as: "Individuals owning or controlling, directly or indirectly, 5% or more of an interest in a clinic; the medical or clinic director, or a similarly titled person who is *responsible for the day-to-day operation of the licensed clinic*; the financial officer or similarly titled individual who is responsible for the financial operation of the clinic; and licensed health care practitioners at the clinic." (Emphasis supplied.) The definition contained in this form omits persons owning or controlling between 5 and 10 percent interest in the clinic and omits the person who is responsible for the day-to-day operation of the licensed clinic from the definition of applicant, and therefore omits those persons from those having to provide proof of compliance with Level 2 Background Screening. This form appears to have impermissibly modified the law implemented. The Agency agrees to make these provisions of the forms consistent with the committee's comments.

Committee Comment: Subsection 59A-33.012(4), F.S. This rule lists the sanctions which may be imposed for violations of Part XIII, Chapter 400, and these administrative rules as including: "The assessment of fines, suspension, moratorium, emergency order of suspension and revocation." The law implemented by this rule, Section 400.995(1), F.S., states, "The agency may deny the application for a license renewal, revoke or suspend the license, and impose administrative fines of up to \$5,000 per violation for violations of the requirements of this part or rules of the agency." Please provide and explain the specific law implemented, as required by Section 120.536(1), F.S., authorizing the agency to impose a moratorium.

The Agency agrees to add amended the rule authorization of proposed Rule 59A-33.012, F.A.C., to read:

Specific Authority 400.9925 FS. Law Implemented 120.542, 120.60(6), 400.9905(5), 400.9915(3), 400.993(6), 400.9935(1)(a)-(g), 400.9935(3), 400.995(1), (6), (8) FS. New Section 400.993(6) authorizes a moratorium, without defining what that means, under the following circumstances:

(6) When a person has an interest in more than one clinic, and fails to obtain a license for any one of these clinics, the agency may revoke the license, impose a moratorium, or impose a fine pursuant to this part on any or all of the licensed clinics until such time as the unlicensed clinic is licensed or ceases operation."

RULE NO.: RULE TITLE:
69O-141.020 Procedures for Withdrawal,
Surrender of Certificate of
Authority, or Discontinuance of
Writing Insurance in this State
Pursuant to Section 624.430,
Florida Statutes

NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed, in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 31, No. 52, December 30, 2005, of the *Florida Administrative Weekly*. These changes are being made to address concerns expressed by the Joint Administrative Procedures Committee. Rule 69O-141.020 is changed to read as follows:

69O-141.020 Procedures for Withdrawal, Surrender of Certificate of Authority, or Discontinuance of Writing Insurance in this State Pursuant to Section 624.430, Florida Statutes.

(1) Scope and Purpose. This rule provides implementation procedures and Qoffice policy regarding Section 624.430, Florida Statutes.

(2) No change.

(a) through (c) No change.

(d) "Lines of insurance," as used in Section 624.430, Florida Statutes, and this rule, is as defined in Section 624.6012, Florida Statutes. Pursuant to the express rulemaking authority given the Qoffice in Section 624.6012, Florida Statutes, for the purpose of implementation of Section 624.430, Florida Statutes, the Qoffice determines each of the following to be a line of insurance (in addition to lines of insurance as may be elsewhere established by rule of the Qoffice): Homeowners property insurance; mobile homeowners property insurance; condo unit owners contents insurance; renter's/dwellers contents insurance; and residential condominium association property coverages.

(3) No change.

(4) The Qoffice interprets the requirement of notice as authorizing the Qoffice to prohibit the withdrawal, surrender, or discontinuance of writing, when such withdrawal, surrender, or discontinuance of writing is done in violation of any law or rule.

(5) Notice to Precede Action to Reduce Presence in Florida. An insurer shall take no action in furtherance of a reduction, prior to the expiration of 90 days after the receipt by the Qoffice of the notice required by Section 624.430, Florida Statutes. Prohibited actions include sending any notice of cancellation of termination, or notice of intent to cancel or terminate, to any policyholder, agent, managing general agent, reinsurer, or other person or entity.

(6) No change.

(a) through (b) No change.

(c) Designated Filing Office. The letter of notice with the two copies shall be addressed to and delivered by certified or registered mail to the following address: Insurance Commissioner ~~Director, Division of Insurer Services~~, Office of Insurance Regulation, 200 East Gaines Street, Tallahassee, FL 32399-0326. There shall be no constructive receipt of the notice by the above-designated filing office, other than upon receipt by the Qoffice's mail room in the usual course of business, of a properly addressed notice by U.S. mail. The 90 days shall not begin to run until a properly addressed notice, in a form substantially complying with this rule, is received by the Qoffice, by U.S. mail.

(d) through (e) No change.

1. through 3. No change.

4. Insurers shall also provide the Qoffice with the following information in the notice:

a. through d. No change.

(7) Office Action Upon Receipt of Notice.

(a) Subsequent to receiving the initial filing, the Office will request the insurer to provide further information, or will conduct such other investigation as is necessary to determine whether the initial information provided is accurate and whether the proposed action will have the effects projected by the insurer.

(b) The Office shall inform the insurer if the proposed reduction would be in violation of, or cause a violation of, any provision of the Insurance Code or rule of the Office. Within 5 calendar days of the date of such notice, the insurer shall file with the Office a response indicating whether it will proceed to implement the reduction or, if paragraph (9)(b) applies, shall file any application for relief required thereby.

(8) Certificate of Authority Surrender Effectuated by Office Order. No surrender or attempted surrender of a certificate of authority is effective until accepted by order of the office.

(9) Relationship of Reduction to Moratorium Phaseout. The office interprets Section 627.7013(2)(a)4., Florida Statutes, relating to certain applications for reduction filed prior to August 24, 1992, as indicating a legislative intent that as to all attempted or desired reductions affecting "Florida personal lines residential policies" (hereinafter "residential policies"), other than those in which such reduction notice was filed prior to August 24, 1992, Section 627.7013, Florida Statutes, applies and takes precedence over Section 624.430, Florida Statutes, and prohibits or limits such reductions affecting residential policies, initiated for the purpose of reducing the insurer's exposure to hurricane claims.

(a) Factors which will be given great weight in evaluating whether a desired reduction is for the purpose of reducing the insurer's exposure to hurricane claims include:

1. Would the reduction in Florida be accompanied by reduction action by the insurer in other states?

2. If so, would a disproportionate amount of the impact be in areas of the country especially subject to risk of loss from hurricane?

3. How much of the reduction in Florida would be in residential policy exposures as compared to exposures in other lines of insurance in Florida?

4. If the insurer is discontinuing writing only some lines of insurance, are the lines being discontinued especially subject to risk of loss from hurricane, as compared to the lines not being discontinued?

5. Does the insurer have a significant concentration of residential policies and exposure in coastal areas of Florida?

6. Would the desired reduction significantly reduce the insurer's exposure to risk of loss from hurricane exposure under residential policies in Florida?

(b) If the office determines that any proposed reduction violates Section 627.7013, Florida Statutes, the insurer shall not proceed with the reduction as it affects residential policies,

and shall file an application under Rule 69O-141.021, F.A.C., which implements Section 627.7013, Florida Statutes. The reduction in residential policies shall be limited to the extent of relief granted the insurer by the office under Section 627.7013, Florida Statutes and Rule 69O-141.021, F.A.C.

(8)(10) No change.

Specific Authority 624.308(1), 624.6012 FS. Law Implemented 624.307(1), 624.430, 624.6011, 624.6012 FS. History--New 1-8-96, Amended 5-26-96, Formerly 4-141.020, Amended _____.

Payment of Gross Receipts Tax;
Reports

SPECIFIC FACTS AND REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY, OR WELFARE: Chapter 2005-148, Laws of Florida, authorizes the Department of Revenue to promulgate emergency rules, and to renew such rules, to implement the provisions of the law. The promulgation of these emergency rules ensures that the appropriate procedures and forms are available for reporting and remitting gross receipts tax on utility service.

REASONS FOR CONCLUDING THAT THE PROCEDURE USED IS FAIR UNDER THE CIRCUMSTANCES: The Legislature expressly authorized the promulgation of emergency rules, and the renewal of such rules, to ensure the prompt availability of procedures taxpayers can follow to comply with Chapter 203, F.S. (as amended by Chapter 2005-148, Laws of Florida). The Department of Revenue previously sought comment on these emergency rules to the extent possible within the time restraints resulting from the statutory requirements. The preliminary text of proposed rules regarding the imposition of the gross receipts tax on utility services was posted on the Department of Revenue web site. A rule development workshop was held on November 16, 2005, to receive public comments regarding the preliminary text. The public comments received were considered by the Department in preparation of Emergency Rules 12BER06-1 through 12BER06-4.
