PUBLIC HEARING ANNOUNCEMENT

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM and WEATHERIZATION LOW INCOME HOME ENERGY ASSISTANCE PROGRAM WAIVER FOR LIHEAP FUNDING INCREASE

The Department of Community Affairs is seeking written public comments on a proposal to submit a Standard Waiver Request to the U.S. Department of Housing and Human Services (HHS).

COMMENT PERIOD ENDS: July 6, 2006

COMMENTS SUBMITTED TO: Norm Gempel, Manager, Department of Community Affairs, Sadowski Building, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100, (850)488-7541, or FAX (850)488-2488.

PURPOSE: Public comments on preparing a Standard Waiver Request to HHS for increasing the percentage of Low-Income Home Energy Assistance Program (LIHEAP) funding for allocating to the Weatherization Assistance Program/LIHEAP (WAP/LIHEAP). Historically fifteen percent of LIHEAP funding has been provided to the WAP/LIHEAP for performing weatherization activities on low-income client homes in accordance with U.S. Department of Energy (DOE) guidelines and regulations. However, for FY 2006-2007 the LIHEAP has received an additional funding allocation. Thus the reason for this request of an increase from fifteen percent (15%) to twenty percent (20%). This increase will apply only to the additional \$23,001,621 awarded to the state in March 2006. With a higher percentage of the additional funding being allocated to the WAP/LIHEAP, more low-income clients (LIHEAP referral and non-referral) will benefit from receiving weatherization services encompassing all of the DOE approved measures. This will assure that maximum energy savings are realized by the households served. This increase will not decrease the average number of clients that would receive LIHEAP services during the regular agreement period.

ACTIONS TO BE TAKEN: The Department of Community Affairs will review all comments received and make a decision in regard to whether to submit the Standard Waiver Request to HHS.

ADDITIONAL INFORMATION: Requests for additional information or questions may be addressed to Norm Gempel, Manager, Florida Department of Community Affairs, Sadowski Building, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100, (850)488-7541, or Fax (850)488-2488. Anyone who wishes to be notified of the Department's decision may contact Mr. Norm Gempel, at the above address or telephone number, or by email at norm.gempel@dca.state.fl.us.

STATE OF FLORIDA

DEPARTMENT OF COMMUNITY AFFAIRS

In re: A LAND DEVELOPMENT REGULATION
ADOPTED BY ISLAMORADA, VILLAGE OF
ISLANDS
ORDINANCE NO. 06-05

FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2005), approving a land

development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and Islamorada, Village of Islands is a local government within the Florida Keys Area.

2. On April 12, 2006, the Department received for review Islamorada, Village of Islands Ordinance No. 06-05 ("Ord. No. 06-05"). The purpose of the Ordinance is to amend the Landscaping Standards located at Section 1, Division 6 of Article 5, and Chapter 30 of the Village of Islamorada Code.

3. The final date for approval for this Ordinance is June 9, 2006.

4. The Ordinance implements the Recreation and Open Space Element, Policy 7-1.3.1, to implement land development regulations that ensure provision of open space. The policy provides standards for landscaping, native vegetation, and maintenance of open space. The Ordinance also implements the Conservation Element, Policy 6-1.7.3, to remove invasive vegetation.

5. Ord. 06-05 is consistent with the Village Comprehensive Plan.

CONCLUSIONS OF LAW

6. The Department is required to approve or reject land development regulations or portions thereof that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2005).

7. Islamorada, Village of Islands is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Fla. Stat. (2005), and Rule 28-29.002 (superseding Chapter 27F-8), Fla. Admin. Code.

8. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. (2005). The regulations adopted by Ord. 06-05 are land development regulations.

9. All land development regulations enacted, amended or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in § 380.0552(7), Fla. Stat. (2005). See *Rathkamp v. Department of Community Affairs*, 21 F.A.L.R. 1902 (Dec. 4, 1998), *aff'd*, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.

10. Ord. 06-05 promotes and furthers the following Principles:

(a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.

(b) To protect shoreline and marine resources, including mangroves, coral reef formations, seagrass beds, wetlands, fish and wildlife, and their habitat.

(c) To protect upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife, and their habitat.

(f) To enhance natural scenic resources, promote the aesthetic benefits of the natural environment, and ensure that development is compatible with the unique historic character of the Florida Keys.

11. Ord. 06-05 is not inconsistent with the remaining Principles. Ord. 06-05 is consistent with the Principles for Guiding Development as a whole.

WHEREFORE, IT IS ORDERED that Ord. 06-05 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.

DONE AND ORDERED in Tallahassee, Florida.

As required by Section 19(B) of the Plan of Operation, Citizens has filed with the Office of Insurance Regulation a statement of the purpose of the Line of Credit and an estimate of the costs to be incurred by Citizens in the procurement of the Line of Credit.

Citizens is a statutorily-created corporation, established pursuant to the Citizens Act. Citizens, through the Accounts, has become a significant provider of residential property and casualty insurance in the State of Florida and, as such, must have immediate access to funding sources for the Accounts pending receipt of the Accounts' ordinary and customary revenue and reinsurance and other reimbursement funds, to

meet policyholder claims and other obligations resulting from ordinary losses or catastrophic hurricanes or other weather-related events. The Citizens Act authorizes Citizens to borrow funds for the Accounts by incurring indebtedness and to pledge assessments under the Citizens Act and other funds available to the Accounts as the source of security and repayment for such borrowings. In order to provide funds to meet policyholder claims and other obligations of the Accounts pending receipt of the Accounts' ordinary and customary revenue and reinsurance and other reimbursement funds, it is in the best interest of Citizens to obtain the Line of Credit and to enter into the Credit Agreement.

The Citizens Act, Section 627.351(6)(c)(3), Florida Statutes, states that Citizens may issue bonds or incur other indebtedness in the absence of a hurricane or other weather-related event, upon a determination by Citizens (see Exhibit "A", letter dated June 9, 2006, from Ms. Murphy, Citizens' Deputy Executive Director), subject to approval by the Office, that such action would enable it to efficiently meet the financial obligations of Citizens and that such financings are reasonably necessary to effectuate the requirements of this subsection.

The Line of Credit will be made available to the Accounts through a 364-Day Revolving Credit Agreement by and among Citizens, JPMorgan Chase Bank, National Association, as Administrative Agent, and the other lenders named therein (the "Credit Agreement"). In connection with the Line of Credit, Citizens will execute certain promissory notes contemplated by the Credit Agreement. The Credit Agreement is to be in substantially the same form as the copy attached to this Order as Exhibit "B".

At a meeting on June 8, 2006, Citizens' Board of Governors (the "Board") adopted a resolution (the "Authorizing Resolution") authorizing and approving the Line of Credit, the Credit Agreement, and any related documentation.

The Office of Insurance Regulation, having considered this submission, and being otherwise advised in the premises, hereby finds that:

1. The Office of Insurance Regulation, by and through the Insurance Commissioner, has jurisdiction over the subject matter of, and the parties to, this proceeding pursuant to the Citizens Act.

2. The Line of Credit is for the purpose of providing funds to the Accounts for the payment of policyholder claims and expenses attributable to ordinary losses or catastrophic hurricanes or other weather-related events. As a result, the Line of Credit will enable Citizens to efficiently meet its financial obligations and is reasonably necessary to effectuate the requirements of the Citizens Act.

3. The Credit Agreement is a "loan agreement" within the meaning of, and is approved for purposes of, Section 19(B) of the Plan of Operation and Section 627.351(6)(c)(3), Florida Statutes.

4. Pursuant to the Citizens Act and Section 19(B) of the Plan of Operation, Citizens has authority to enter into the Credit Agreement, obtain the Line of Credit and issue the promissory notes contemplated by the Credit Agreement.

IT IS THEREFORE ORDERED:

That the Line of Credit and the Credit Agreement, including the loans to be extended to the Accounts thereunder, the issuance and delivery of the promissory notes contemplated by the Credit Agreement and the pledge by Citizens of the Regular Assessments and the CAT Fund Reimbursements (as such terms are defined in the Credit Agreement) to secure such loans, are hereby APPROVED.

Citizens shall file with the Office, as a part of its regularly required reports, a quarterly update with respect to the Accounts of the amounts borrowed, amounts used for the payment of claims and related costs, amounts repaid, and the amounts anticipated to be required by assessment for repayment of debt.

DONE and ORDERED this 12th day of June 2006.
