NOTICE TO PROFESSIONAL CONSULTANTS

The University of South Florida announces that continuing professional services are required for the following discipline: Asbestos Abatement Consultants (up to 2) (Tampa Campus with ability to include other campuses as required).

Projects included in the scope of this agreement will be specific projects for renovations, alterations, new construction, and additions that have an abatement construction budget estimated to be \$1,000,000 or less, or studies for which the fee for professional services is \$100,000 or less. Continuing Service contracts for these projects provide that the consultant will be available on an as-needed basis for an initial period of one (1) year with an Owner's option to renew for one (1) additional year at a time, up to a total of two (2) additional years. A consultant receiving the award will not have an exclusive contract to perform services for these projects. The University may have additional continuing service professionals under contract during the same time period. Blanket professional liability insurance shall be required for the contract. Services required to be provided under the Continuing Service Contracts include the development of record drawings by the Continuing Service Consultant for projects designed by that consultant to reflect as-built conditions to facilitate the University's space management program. The plans and specifications for University of South Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

INSTRUCTIONS:

Firms desiring to provide professional services shall submit one (1) original submittal and four (4) copies consisting of a letter of interest and a completed "USF Professional Qualifications Supplement for Asbestos Abatement Consultant" form dated September 2006 and any required or additional information within the proposal limits as described in the PQS General Instructions. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida. Submittals must not exceed 40 pages, including the "USF Professional Qualifications Supplement" and letter of interest. Pages must be numbered consecutively. Submittals that do not comply with these requirements or do not include the requested data may not be considered. No submittal material will be returned. Submittals become part of the public record. Selection of finalists for interview will be made on the basis of professional qualifications, including experience and ability, design ability, past performance, workload, volume of USF work (including USF Foundation), and location. As part of the University of South Florida's strategic plan, USF made a commitment to foster a diverse community distinguished by a shared purpose, collaboration, open and timely communication, mutual respect, trust, and inclusiveness. The University of South Florida is an equal

opportunity institution, and, as such, strongly encourages the lawful use of certified Minority and Women-owned Business Enterprises (“MBEs”) in the provision of design and construction-related services by providing a fair and equal opportunity to compete for, or for participation in, design and/or construction-related services.

As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$25,000 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list. The “USF Professional Qualifications Supplement for Asbestos Abatement Consultant”, dated September 2006 and “Project Fact Sheet” which include project information may be obtained by contacting: Kathy Bennett, Contracts Administrator, University of South Florida, Facilities Planning and Construction, 4202 East Fowler Avenue, FPC110, Tampa, Florida 33620-7550, e-mail: kbennett@admin.usf.edu, phone: (813)974-3098, (813)974-2625 or Fax: (813)974-3542. All interested firms are invited and encouraged to attend a Pre-Submittal Meeting to be held at 9:00 a.m. (Eastern Time), on Wednesday, September 27, 2006, at the University of South Florida, Tampa Campus, Facilities Planning and Construction, Conference Room 109, 4202 East Fowler Avenue, Tampa, Florida, to review the scope and requirements of this project. Requests for meetings by individual firms will not be granted. It shall be noted that no verbal communication shall take place between the applicants and the employees of University of South Florida except as provided at the Pre-Submittal Meeting, the Pre-Interview Meeting and the request for the PQS and Fact Sheet. Requests for any project information must be in writing to the above address. One (1) original and four (4) bound copies of the above required proposal data shall be submitted to: Joseph P. D’Azzo, R.A., Assistant Director and Division Head, University of South Florida, Facilities Planning and Construction, 4202 East Fowler Avenue, FPC110, Tampa, Florida 33620-7550. Applications that do not comply with the above instructions may be disqualified. Application materials will not be returned. Submittals must be received at the above campus address (4202 East Fowler Avenue, FPC110, Tampa, FL 33620-7550), to the attention of Joseph P. D’Azzo, Assistant Director and Division Head, by 2:00 p.m. (Eastern Time), on Friday, October 13, 2006. Facsimile (FAX) submittals are not acceptable and will not be considered. The Selection Committee reserves the right to waive any irregularities and may reject all proposals and stop the selection process at any time.

REQUEST FOR BID

The University of Florida, Purchasing and Disbursement Services will receive sealed bids for the following: ITB07MW-115, W/O 807868, O’Connell Center Exterior Fall Protection, estimated budget: \$250,000, to be opened October 10, 2006, at 2:00 p.m. (Local Time). Scope of work: Installation of aluminum 2-line guardrails continuous along the upper and lower gutter rings thus providing fall protection for maintenance staff while walking along the gutter rings. Upper level guardrails are to be interrupted at eight locations to provide vertical ladder access down to exterior mechanical platforms on lower roof level. Installation of single point anchors to allow for tie-off. Testing and certification of in-place tie-off plates, existing horizontal lifeline along upper gutter ring and vertical life lines in each of the eight drainage flumes. Demolition includes removal of existing railing at access floor at upper gutter ring; removal of lifeline on upper hard roof. New work shall include the addition of 2-line guardrail at existing roof hatch platform at upper hard roof. No interior work included in this project. Contractor will be responsible for all permitting. Mandatory Pre-Bid Meeting will be held September 26, 2006, at 1:30 p.m., in the Physical Plant Division, Architecture/ Engineering Conference Room, Bldg. 700, Radio Road, Gainesville, FL. Specifications and Plans are available in Purchasing and Disbursement Services, Elmore Hall, Radio Road, Gainesville, FL 32611. All questions and bid document requests should be directed to: Karen Olitsky, Purchasing and Disbursement Services, kolitsk@ufl.edu or (352)392-1331, ext. 224, www.purchasing.ufl.edu.

Notice of Bid/Request for Proposal

NOTICE OF AVAILABILITY OF FLORIDA COASTAL MANAGEMENT PROGRAM FUNDS FOR STATE AGENCIES AND WATER MANAGEMENT DISTRICTS FISCAL YEAR 2007-2008

The Florida Coastal Management Program (FCMP) announces the availability of funds for activities related to implementation of the statutory authorities included in the federally approved FCMP. A complete list of these statutes can be found at http://www.dep.state.fl.us/cmp/federal/23_statutes.htm. Funding proposals should contribute to the protection, management and enhancement of Florida's ocean and coastal resources, and also focus on achieving the policy issues identified in the Coastal Zone Management Act, including: natural resource protection and management; hazard mitigation; water quality protection; siting of major developments; public access; redevelopment of urban, cultural and historic features; expedited governmental decisionmaking; effective coordination with federal agencies; effective public and local government participation; comprehensive planning and management of living marine resources; shoreline erosion and land subsidence; and ocean resource management.

Priority consideration for funding will be given to proposals that complement other state and federal ocean and coastal resource management programs and meet or reduce unmet needs. Eligible applicants include state agencies and water management districts. Applicants should note the following:

- Financial assistance is available in the form of reimbursement grants in amounts ranging from \$15,000 to \$150,000, depending on the availability of federal coastal management funds received from the National Oceanic & Atmospheric Administration (NOAA). The FCMP anticipates that grant recipients will not be required to provide non-federal matching funds or services.
- Rule Sections 62S-4.0045, 62S-4.0055 and subsection 62S-4.007(3), F.A.C., describe the procedures for submitting applications and the criteria and procedures by which applications will be evaluated. A copy of the rule may be printed from the FCMP website at http://www.dep.state.fl.us/cmp/public_notices.htm. There is no specific application form; however, proposals must not exceed 10 pages in length (excluding the cover page).
- For projects involving construction, exotic species removal, habitat restoration and land acquisition, applicants must include a completed and signed '306A Checklist' with the application. The checklist may be obtained at http://www.dep.state.fl.us/cmp/public_notices.htm.
- Selected proposals will be included in the FCMP application to NOAA for Fiscal Year 2007-2008. The funding cycle begins July 1, 2007 and ends June 30, 2008.
- Applications must be received no later than 4:00 p.m. (EST), Tuesday, November 14, 2006.

Questions regarding this Notice should be directed to: Ms. Lynn Griffin, (850)245-2163, or by email at Lynn.Griffin@dep.state.fl.us.

Section XII Miscellaneous

DEPARTMENT OF COMMUNITY AFFAIRS

NOTICE IS HEREBY GIVEN THAT the Building Officials Association of Florida has issued a binding interpretation pursuant to Section 553.775, Florida Statutes, filed by Paul Macheske for Hunton Brady Architects, on April 14, 2006. The following is a summary of the interpretation: "Section 501.5, Florida Building Code, Mechanical Volume (2001) requires that the exhaust ducts in the Petitioner's project be constructed of metal in accordance with Chapter 6 of the Mechanical Volume since the Code is clear with regard to the prohibition of installation of non-metallic exhaust ducts under the circumstances described in the petition."

A copy of the Interpretation may be obtained from http://www.floridabuilding.org/bi/bi_bind_interp_1st.aspx

DEPARTMENT OF TRANSPORTATION

The Florida Department of Transportation intends to issue an "Airport Site Approval Order," in accordance with Chapter 330, Florida Statutes, "Regulation of Aircraft, Pilots, and Airports" and Chapter 14-60, Florida Administrative Code, "Airport Licensing, Registration, and Airspace Protection" for the following site:

Land South Air Heliport, a private airport, in Polk County, at Latitude 27°51'59" and Longitude 081°58'010", to be owned and operated by Mr. James Bulger, 5900 Imperial Lakes Blvd., Mulberry, FL 33860.

A copy of the Airport Site Approval Order, the Airport's application, the applicable rules, and other pertinent information may be obtained by contacting: Mr. William J. Ashbaker, P.E., State Aviation Manager, Florida Department of Transportation, Aviation Office, 605 Suwannee Street, Mail Station 46, Tallahassee, Florida 32399-0450, (850)414-4500, aviation.fdot@dot.state.fl.us, Website: <http://www.dot.state.fl.us/aviation>.

ADMINISTRATIVE HEARING RIGHTS: Any person whose substantial interests will be determined or affected by this Airport Site Approval Order has the right, pursuant to Section 120.57, Florida Statutes, to petition for an administrative hearing. The petition for an administrative hearing must conform to the requirements of Rule Chapter 28-106, Florida Administrative Code, and must be filed, in writing, within twenty-one days of the publication of this notice, with: the Clerk of Agency Proceedings, Office of General Counsel, Florida Department of Transportation, 605 Suwannee Street, Mail Station 58, Room 550, Tallahassee, Florida 32399-0450. Failure to file a petition within the allowed time constitutes a waiver of any right such person has to request a hearing under Chapter 120, Florida Statutes.
