DEPARTMENT OF COMMUNITY AFFAIRS

SEEKING PROVIDER AGENCY OR AGENCIES FOR THE COMMUNITY SERVICES BLOCK GRANT (CSBG)
PROGRAM

IN PUTNAM, CLAY AND FLAGLER COUNTIES

The Florida Department of Community Affairs (DCA) is seeking a non-profit entity or entities to administer the Community Services Block Grant (CSBG) in Putnam, Clay and Flagler Counties. A provider could choose to serve one, two or all three counties.

In order to be designated to serve as the eligible entity for one or more of these counties, an entity must agree to make such changes as necessary to its board membership to have a board of directors that would be in compliance with 42 U.S.C. Sections 9909 and 9910 and Rule 9B-22.011, Florida

Administrative Code. Special consideration will be given to any organizations which have demonstrated their capacity and effectiveness in providing a broad range of services designed to eliminate poverty and foster self-sufficiency. Priority will be given to existing CSBG eligible entities in good standing with the Department that are providing related services in the specified counties or in areas contiguous to or within reasonable proximity to any of the specified counties.

Within 60 days of the date of publication of this notice, organizations interested in becoming the CSBG provider for Putnam, Clay or Flagler counties, must mail to the Department of Community Affairs and to the County Commission Chairperson of the respective county the following:

- A letter stating their interest in becoming the CSBG service provider in the specified county; the letter must be signed by the chief executive officer of the private nonprofit CSBG eligible entity or private nonprofit organization
- A board of directors or governing board resolution stating their willingness to provide services in the specified county and to amend the organization's bylaws, structure, board membership, and Articles of Incorporation to comply with 42 U.S.C. Sections 9909 and 9910, and Rule Rule 9B-22.011, Florida Administrative Code.

The interested organization must also include with the letter of interest and the resolution, a copy of the letter or letters of interest which it mailed to the chairperson of the respective county commissions. Mail the entire package to:

Ms. Paula Churchwell Community Program Manager Department of Community Affairs Community Assistance Section 2555 Shumard Oak Boulevard Tallahassee, FL 32399-2100

ACTIONS TO BE TAKEN: Once the above information is received, a publicly noticed hearing on the selection of a proposed service provider will be held in the specified county by the county government. All interested organizations must obtain an application package from DCA (see Additional Information below) and submit it to the county government and DCA prior to the publicly noticed hearing. If the county government declines to convene the public hearing within a specified period of time, the Department of Community Affairs will do so. All interested organizations that meet the above deadline and requirements will be given the opportunity at the public hearing to present their qualifications. The county commission will have an opportunity to make a recommendation to the Department of Community Affairs regarding the selection of the CSBG provider agency.

Once all organizational and county documents have been received, reviewed, and approved by the Department of Community Affairs, a formal request will be made to the Governor that he designate the selected organization as the CSBG eligible entity for the specified county.

ADDITIONAL INFORMATION: Requests for additional information or questions may be addressed to Ms. Hilda Frazier, Planning Manager, Florida Department of Community Affairs, Community Assistance Section, Sadowski Building, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100, (850)488-7541, or Fax (850)488-2488 or e-mail to hilda.frazier@dca.state.fl.us

NOTICE OF PROJECT APPROVAL AND FUNDING

The Florida Communities Trust (Trust) has approved funding applications submitted under the Florida Communities Trust Florida Forever Program, Series FF6 funding cycle. On September 14, 2006, applications were scored, ranked and selected for funding according to the criteria and procedures set forth in Rule Chapter 9K-7, F.A.C. Those applications approved for funding and the amounts of funding approved are listed below. The approval is subject to appeal and may change following the appeals process. If any Applicant files an appeal and the result of the appeal process changes the ranking of the funded applications, then another notice will be issued.

The turbine will be fueled by either natural gas or No. 2 distillate fuel oil. A copy of the proposed modification may be obtained by contacting: Steven L. DEPARTMENT OF CHILDREN AND FAMILY **SERVICES**

The Department of Children and Family Services conducted a survey in 2006 to determine the need for new medication (methadone) treatment service providers, pursuant to Section 397.427, Florida Statutes, and administrative rules adopted thereunder. The results of the 2006 survey indicated that the need for additional outpatient methadone maintenance treatment was identified in the Department of Children and Family Services iurisdictional area of District 9 (Palm Beach County). Prospective applicants were directed to contact the District 9, Substance Abuse and Mental Health Program Office to request an application to apply for services to address the identified need.

However, the Department of Children and Family Services hereby rescinds the request for applicants to address the need identified in the 2006 survey for the following reasons:

1. In a 2002 survey to determine the need for new medication (methadone) treatment service providers, District 9 (Palm Beach County), was identified as the Department of Children and Family Services jurisdictional area. The service provider selected to provide medication (methadone) treatment in District 9 experienced significant delays in becoming operational, and did not begin providing services until July 31, 2006.

A need for additional medication (methadone) treatment service providers is no longer necessary since the service provider selected in 2002 became operational and began serving clients in 2006.

Should you have questions regarding this matter, you may contact the department as follows:

Department of Children and Family Services Substance Abuse Program Office 1317 Winewood Boulevard Building 6, Room 305 Tallahassee, Florida 32399-0700
