The petition was received from T.J. Khan, Owner on behalf of Center for Surgical Excellence located in Venice, Florida (Petition VW 2007-014).

A copy of the Petition can be obtained from: Mark Boutin, Bureau of Elevator Safety, 1940 North Monroe Street, Tallahassee, Florida 32399-1013. The Bureau of Elevator

Safety will accept comments concerning the Petition for 14 days from the date of publication of this notice. To be considered, comments must be received on or before 5:00 p.m.

NOTICE IS HEREBY GIVEN that on January 9, 2007, the Division of Hotels and Restaurants received a Petition for Emergency Variance for paragraph 61C-1.004(1)(d), Florida Administrative Code, from Haagen Dazs located in Orlando. The above referenced F.A.C. states that sewage shall be disposed of in a public sewerage system or other approved sewerage system in accordance with the provisions of Chapter 64E-6 or 62-601 F.A.C. Petitioner is requesting a variance to not have hard plumbing in their kiosk and use alternative methods for sewage disposal.

This variance request was approved January 30, 2007, and is contingent upon Petitioner using a three (3) gallon or greater potable water tank and utilizing a wastewater holding tank that is at least 15% larger than the potable water holding tank. Water and wastewater holding tanks are to be emptied at least twice a day. Petitioner must adhere strictly to the following operating procedures: supply for potable water tank must be from an approved source with written documentation provided and sanitize the fresh water and wastewater tanks at least once every 24 hours. Petitioner must store the in-use utensils on a clean, sanitized dry surface, and those utensils are to be washed, rinsed, and sanitized. Handwashing procedures are to be strictly adhered to as specified in the Federal Food and Drug Administration 2001 Food Code Section 2-301.14. If the menu changes or expands in any manner, the Petitioner must notify the Division in writing and this variance request will be re-evaluated. All provisos shall be complied with prior to final licensing. Any violation of the variance is the equivalent of a violation of the rule and may result in a recession of the variance, and subject the Petitioner to disciplinary sanctions as enumerated in Section 509.261, Florida Statutes.

NOTICE IS HEREBY GIVEN that on January 10, 2007, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(7), Florida Administrative Code, from Jet of Miami located in Miami. The above referenced F.A.C. states...each public food service establishment shall maintain a minimum of one public bathroom for each sex, properly designated....The Petitioner requests to use bathroom facilities located on the other eleven floors of the building and not have their own bathroom facilities.

This variance request was approved January 30, 2007, and is contingent upon the Petitioner notifying guests to the location of the public bathroom facilities by directional signage, ensuring the public bathrooms are functional, has hot and cold running water at all times, provided with soap and an approved method to dry hands, kept in a clean and sanitary manner, and available during all hours of operation. If the petitioner decides

to have seating in the future it shall not exceed ten (10) which includes inside and outside seating. Any violation of the variance is the equivalent of a violation of the Rule and may result in a rescission of the variance, and subject the Petitioner to disciplinary sanctions as enumerated in Section 509.261, Florida Statutes.

NOTICE IS HEREBY GIVEN that on January 16, 2007, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(1) and 61C-4.010(6), Florida Administrative Code, from Manny's Food Service of Orlando. The above referenced F.A.C. addresses food supplies, food protection, and physical facilities-except as specifically provided in this rule, public food service establishments shall be subject to the provisions of chapter three and chapter six of the FDA Food Code. They are requesting to do open air food service on a Mobile Food Dispensing Vehicle.

This variance request was approved January 30, 2007, and MFDV is contingent upon the Petitioner's use of open-air steam table properly covered and air curtain operating properly according to manufacturer's specifications and Section 6-202-15(D) (2), 2001 FDA Food Code, as to expel possible contaminants and vermin. Approval is also contingent upon Petitioner conducting all re-heating for hot holding at approved commissaries to the proper temperature per Section 3-403.11, 2001 FDA Food Code; and potentially hazardous food is held at proper temperatures according to Section 3-501.16, 2001 FDA Food Code.

The Petitioner shall strictly adhere to subsection 61C-4.0161(1)(c), Florida Administrative Code, and report to the commissary at least once daily when operating. All warewashing is to be conducted at the commissary and strict adherence to employee health guidelines as specified in the Section 2-201, 2001 FDA Food Code, are to be followed. Petitioner shall also use a potable water tank and utilize a wastewater holding tank that is at least 15% larger than the potable water holding tank; and sloped to a drain that is 1 inch in inner diameter or greater, equipped with a shut-off valve. Petitioner must receive potable water from an approved source with written documentation provided and sanitize the fresh water and wastewater tanks at least once every 24 hours.

Copies of the variance and operating procedures are to be present on the MFDV at all times of operation and shall be adhered to as approved by the Division. This variance is not transferable under any conditions. All provisos must be complied prior to final approval and licensing. Any violation of the variance is the equivalent of a violation of the Rule and may result in a rescission of the variance, and subject the Petitioner to disciplinary sanctions as enumerated in Section 509.261, Florida Statutes.
