LAND AND WATER ADJUDICATORY COMMISSION

On August 25, 2006, the Florida Land and Water Adjudicatory Commission (the "Commission") received a Petition to adopt an amendment to Rule Chapter 42GG-1, F.A.C., to amend the boundary of the Tuscany Community Development District (the "District") pursuant to Chapter 190, F.S. The Petition was supplemented on December 1, 2006. Petitioner asserts a copy of the Petition was filed with Citrus County. The Commission will follow the requirements of Chapter 190, F.S., and Chapter 42-1, F.A.C., in ruling on this Petition.

SUMMARY OF CONTENTS OF PETITION: The Petition, as supplemented, was filed by the Tuscany Community Development District with its registered office located at 123 South Calhoun Street, Tallahassee, Florida 32301. The Petition, as supplemented, proposes to modify the land area

presently serviced by the District by amending its boundary to add 332.07 acres to the District located solely within Citrus County, Florida. The District currently covers approximately 1,378.86 acres of land and after amendment the District will encompass approximately 1710.93 acres. Petitioner has obtained written consent to amend the boundaries of the District from the owners of 100% of the real property comprising the expansion parcel. Further, Petitioner indicates the landowners of all the property within the current boundaries of the District are the same landowners whose consent to the creation of the District was documented in the original Petition to establish the District. The consenting landowners within the current District boundaries are also the consenting landowners of all the property within the parcel proposed by the Petition to be added to the District. Each landowner consent documents ownership for all the lands owned, both within the parcel to be added to the District by the Petition and within the current external boundaries of the District. According to the Statement of Estimated Regulatory Costs, although the District's boundary will be expanded through the amendment process, the District's development plan will remain the same as when the District was established. The District will continue to support 4,138 single-family residential units, 1,258 multi-family residential units, 400 life care center units, 400,000 square feet of business/commercial/office and 41,368 square feet of community/neighborhood services. The 322.07 acre expansion is planned for 842 single-family residential units, which are already included in the above totals. No additional residential or non-residential development is anticipated due to the expansion of the District's boundary. The District intends to finance road, water, wastewater, stormwater, entry monumentation, landscaping, irrigation and recreational facilities in the expansion area.

SUMMARY OF THE STATEMENT OF ESTIMATED REGULATORY COSTS: In association with the Petition, as supplemented, the Petitioner has caused a Statement of Estimated Regulatory Costs ("SERC") to be prepared in compliance with section 120.541, F.S. The complete text of the SERC is contained at Exhibit "10" to the Petition, as supplemented. By way of summary, the SERC estimates the principal individuals and entities likely to be required to comply with the amended rule are the households within the geographic area of the amendment. The SERC estimates that rule amendment implementation and enforcement costs to state government entities and Citrus County will be modest and/or are offset by the payment of requisite filing and annual fees; and, estimates there will be no negative impact on state and local revenues from the proposed amendment of the rule. With respect to an estimate of the transactional costs likely to be incurred by individuals and entities required to comply with the requirements of the rule, the SERC indicates that to fund the cost of maintaining infrastructure, assessments and fees will be imposed on the District property owners. Finally, the

SERC concludes that the amendment of the District's boundary will have no impact on small businesses and should not have negative impact on small counties and cities as defined in Section 120.52, F.S. Citrus County is not a small county as defined by section 120.52, F.S. The SERC analysis is based on a straightforward application of economic theory and input was received from the District's Engineer and other professionals associated with the District.

The Florida Fish and Wildlife Conservation Commission at its June 2006 meeting determined that reclassifying the Panama City crayfish (*Procambarus econfinae*) from species of special concern status to threatened status was warranted, and directed the development of a management plan. Reclassification will not occur until the reclassification rules in the proposed plan are approved by the Commission. FINANCIAL SERVICES COMMISSION

Notice of Emergency Order

Issued Pursuant to Section 252.63, Florida Statutes

The Commissioner of Insurance has issued an Emergency Order, Case No.: 89152-07-EO (Order), on February 2, 2007. The Order applies to all insurers, entities and persons as defined in Section 624.04, F.S., that are subject to the Florida Insurance Code. The provisions of the Order are limited to Lake, Seminole, Sumter, and Volusia Counties, which suffered wind damage resulting from severe thunderstorms and tornadoes (February tornadoes). The Order activates the provisions of Section 627.4133(2)(d)1., F.S., limiting cancellation and nonrenewals of personal and commercial residential policies which cover residential properties damaged as a result of wind loss.

The Order also provides that any policy provision, notice, correspondence, or law which imposes a time limit upon an insured to perform any act or transmit information or funds with respect to a contract of insurance, which act was to have been performed on or after February 2, 2007, the time limit is extended to April 15, 2007.

The Order further places limitations on cancellations and nonrenewals for all policies or agreements regulated under the insurance code from February 2, 2007 until April 15, 2007.

The Order is narrowly tailored to address only those persons and entities which were adversely affected by the February tornadoes in the specific counties listed in the Order. Further, this Order is of limited duration and directly addresses the emergency conditions that occurred in such counties. The Order will facilitate the recovery from the emergency by allowing those most adversely affected additional time to protect and secure their homes, businesses and property without fear that insurance policies will be cancelled or valuable rights lost due to the emergency conditions beyond their control. The Order reads as follows:

IN THE MATTER OF:

February Tornadoes;

Emergency Order; Prohibition on Cancellation

or Nonrenewal of Residential Property

Insurance Covering Property Damaged

by February Tornadoes in

Specified Counties

CASE NO.: 89152-07-EO

EMERGENCY ORDER

TO: All Property and Casualty Insurers and Surplus Lines Insurers

THIS CAUSE having come before the Commissioner of the Office of Insurance Regulation as a result of the State of Emergency created by the February Tornadoes, and being fully informed in the premises,

NOW THEREFORE, the Commissioner hereby FINDS as follows:

JURISDICTION AND FINDINGS OF FACT

1. The Office of Insurance Regulation (the "Office") has the duty, pursuant to Section 624.307, Florida Statutes, to enforce the provisions of the Insurance Code (Chapters 624-632, 634.635, 636, 641, 642, 648, and 651, henceforth, the "Code"). The Office shall have the powers and authority expressly conferred upon it by, or reasonably implied from, the provisions of the Code, specifically Section 624.307, Florida Statutes, and as further authorized by Section 252.46, Florida Statutes.

2. Section 252.63, Florida Statutes, provides that, "When the Governor declares a state of emergency pursuant to s. 252.36, Florida Statutes, the commissioner may issue one or more general orders applicable to all insurance companies, entities, and persons, as defined in Section 624.04, Florida Statutes, that are subject to the Florida Insurance Code and that serve any portion of the area of the state under the state of emergency."

3. On February 2, 2007, Florida Governor Charlie Crist issued Executive Order 07-21, declaring a state of emergency to exist in Lake, Seminole, Sumter, and Volusia Counties because of the wind damage resulting from the severe thunder storms and tornadoes (collectively referred to herein as the "February Tornadoes") which had ravished these four counties. Executive Order 07-21 is attached as Exhibit 1.

4. Section 627.4133(2)(d)1., Florida Statutes, provides that, "Upon a declaration of an emergency pursuant to s. 252.36 and the filing of an order by the Commissioner of Insurance Regulation, an insurer may not cancel or nonrenew a personal residential or commercial residential property insurance policy covering a dwelling or residential property located in this state which has been damaged as a result of a hurricane or wind loss that is the subject of the declaration of emergency for a period of 90 days after the dwelling or residential property has been repaired. A structure is deemed to be repaired when substantially completed and restored to the extent that it is insurable by another authorized insurer that is writing policies in this state."

5. Damage sustained in the four counties as a result of the Florida Tornadoes is "wind loss" within the purview of Section 627.4133(2)(d)1., Florida Statutes.

WHEREFORE, the Commissioner of the Office of Insurance Regulation finds that as a result of the direct effects of the Florida Tornadoes the issuance of an Order pursuant to Sections 252.63 and 624.307, Florida Statutes, is required in order to protect the public health, safety and welfare.

Accordingly, IT IS HEREBY ORDERED:

The following applies to the listed insurance set forth below in paragraph (2), for all persons who suffered wind damage in Lake, Seminole, Sumter, and Volusia Counties as a result of the Florida Tornadoes:

(1) An insurer may not cancel or nonrenew a personal residential or commercial residential property insurance policy covering property damaged as a result of the Florida Tornadoes located in Lake, Seminole, Sumter, and Volusia Counties, for a period of 90 days after the dwelling has been repaired, except as provided in Section 627.4133(2)(d), Florida Statutes, and in accordance with all other applicable statutes and rules of the commission.

(2) In addition, this order applies to all contracts of insurance and other contracts that are subject to regulation under the Florida Insurance Code including, but not limited to:

(a) All policies referenced in Chapters 440, 624, 626, and 627, Florida Statutes;

(b) All policies or contracts issued pursuant to Chapters 641 and 651, Florida Statutes;

(c) Contracts issued by Multiple Employer Welfare Arrangements and Commercial Self-Insurance Trusts; and

(d) Premium Finance Company contracts insuring persons who sustained property damage in the February Tornadoes shall be subject to the provisions of this Emergency Order. References herein to "policy" or "contract of insurance" include all agreements regulated under the Insurance Code.

(3) As to any policy provision, notice, correspondence, or law which imposes a time limit upon an insured to perform any act or transmit information or funds with respect to a contract of insurance, which act was to have been performed on or after February 2, 2007, the time limit shall be extended to April 15, 2007. This extension of time shall not relieve a policyholder who has a claim resulting from the February Tornadoes from compliance with his or her obligations to provide information and cooperate in the claim adjustment process relative to his property damage claim. This extension of time shall also not apply to new policies issued on or after February 3, 2007. No interest, penalties, or other charges, shall accrue or be assessed, as the result of the extensions required herein. Interest that is owed pursuant to premium financing plans with premium finance companies or insurers or their affiliates may be assessed.

(4) Between February 2, 2007 and April 15, 2007, no insurer or regulated entity shall cancel or nonrenew a policy or contract of insurance or issue a notice of cancellation or nonrenewal, covering a person, property or risk damaged as a result of the February Tornadoes unless requested by the insured. Furthermore, no such policy may be cancelled or nonrenewed solely because of claims resulting from the February Tornadoes.

(5) All notices of cancellation issued or mailed the week preceding February 2, 2007, affecting an insured who sustained damage in the February Tornadoes, shall be withdrawn and reissued to insureds on or after April 15, 2007.

(6) Any insurer who receives a claim from an insured owing premium may offset the premium due from any claim payment made under the policy.

(7) The Commissioner of the Office of Insurance Regulation may, by written Order, narrow the scope of this order, based upon a determination that it is necessary. DONE and ORDERED this 2nd day of February, 2007.
