DEPARTMENT OF EDUCATION

Notice of Bid/Request for Proposal

The Florida Department of Education announces the call for publishers' submissions of comprehensive prekindergarten curricula for the 2007 Voluntary Prekindergarten (VPK) Curriculum Approval Process. Intent to Submit forms must be

received no later than Friday, April 6, 2007 and are available on the DOE/OEL website at www.myfloridaeducation.com/earlylearning/curric.htm.

For the purposes of this approval process, a curriculum is defined as a set of written materials that

- Is replicable.
- Addresses the use of materials, scheduling, arranging the environment, and interaction between children and adults, either separately or in combination.
- Includes more than activity suggestions and more than theory and pedagogy.
- Is aligned with the VPK Education Standards.
- Is aligned with scientifically-based research.

Only comprehensive curricula will be reviewed for approval during this process. In order to be considered comprehensive, the materials submitted must stand alone and cover the VPK Education Standards in all seven domains. If ancillary or supplemental materials are required in order for a given curriculum to be considered comprehensive those additional materials must be submitted with the basic curriculum as a packaged set (i.e., "curriculum package") and must be made available to providers as a complete curriculum at a set price.

Information about the process, including policies and procedures, specifications, and deadlines, will be posted on the DOE/OEL website at www.myfloridaeducation.com/earlylearning/curric.htm in the near future. Questions related to this announcement may be directed to Kim Komisar, Director, or Tara Huls, Program Specialist, DOE/OEL, by phone at (850)245-0445 or via email at kim.komisar@fldoe.org or tara.huls@fldoe.org.

NOTICE TO PROFESSIONAL CONSULTANTS

The University of North Florida Board of Trustees, a public body corporate, announces that Professional Services in the discipline of Engineering will be required for the project listed below:

Project and Location: University of North Florida Athletic Track and Field Facility – University of North Florida, 4567 St. Johns Bluff Road, South, Jacksonville, Florida.

The project consists of the complete installation of a new 400 meter, nine (9) lane, 14 mm (9/16") prefabricated synthetic sports surfacing system (mondo) including in ground field event equipment, striping, concrete or bituminous substrate and subsurface drainage system connection. The proposed new track and field will be located at the University of North Florida Harmon Stadium Field. Consultants wishing to be considered must have demonstrable previous experience with the mondo system and technical requirements.

INSTRUCTIONS:

Firms wishing to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. The University of North Florida's "Professional Qualifications Supplement" completed by the applicant's office applying for the project. Applications on any other form will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit 6 copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned. Minority Business participation is encouraged; however, it will not be considered in the scoring process.

As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Professional Qualifications Supplement forms, descriptive project information, and selection criteria may be obtained by contacting:

DEPARTMENT OF CORRECTIONS

NOTICE TO PROFESSIONAL CONSULTANTS
PUBLIC ANNOUNCEMENT FOR PROFESSIONAL
ARCHITECTURAL/ENGINEERING SERVICES
RFQ AE022

The State of Florida, Department of Corrections, Bureau of Procurement and Supply, announces that Professional Services are required from Architectural/Engineering firms for Mechanical, Electrical, and Plumbing (MEP) Engineering firms for the project listed below. Applications from qualified firms are to be sent to the attention of Sandra Rogers, Bureau of Procurement and Supply, Department of Corrections, 2601 Blair Stone Road, Tallahassee, Florida 32399-2500, (850)922-8855. The selected firm may be required to perform its services on an accelerated schedule.

INSTRUCTIONS

Any firm desiring to provide professional services for this project shall apply for consideration with a letter of application, indicating within the body of the letter, your firm's specific abilities respective to the particular project's requirements, office location(s) from which the firm will be doing the work and attach current copies of the following:

1. A copy of the Department of Corrections' current "Professional Qualifications Supplement" (PQS) (dated September 2004) with current data. The PQS is posted as a related document for printing on the Vendor Bid System under this solicitation at the following website address: http://fcn.state.fl.us/owa_vbs/owa/vbs_www.search_criteria_form.
2. A reproduction of the firm's current Florida State Board License with the appropriate board governing the discipline offered. If the firm is a corporation, it must be properly chartered with the Department of State to operate in Florida. Include a copy of the charter and current certification that all fees and filings are current.
3. Attach a current copy of the SF330 for the office(s) that will be performing the work. This form may be found at the following website address: <http://www.gsa.gov>.
4. Evidence of professional liability insurance in the amount of at least \$1,000,000.
5. Describe scope of work to be assigned to any sub-consultant and include a SF330 for each sub-consultant.
6. Names, specific qualifications and professional memberships of person(s) to be assigned to this project and their respective roles (do not include resumes).
7. Names, addresses and phone numbers of at least five (5) other agencies for whom similar services have been performed within the last five (5) years and the date, project name, brief project description, firm's project manager and specific services provided in each case.

8. If desired by the firm, additional examples of similar projects completed by persons to be assigned to this project, references (none from current or former Department of Corrections personnel) and any other supporting information.

Submit one original Letter of Interest with one (1) Original and four (4) copies of the required data. The required data shall be submitted in the order listed above. Faxed copies will not be accepted. Applications that do not comply with the instructions set forth above may be considered improper and be disqualified. The plans and specifications developed by the firm awarded this project are subject to reuse in accordance with the requirements of Section 287.055, Florida Statutes, ("Consultants' Competitive Negotiation Act").

The awarded firm shall not knowingly engage in this project, on a full time, part time or other basis during the period of this Contract, any current or former employee of the Department where such employment conflicts with Section 112.3185, Florida Statutes.

Respondents will be ranked by a Competitive Selection Committee based on the information received in response to this Request for Qualifications (RFQ). Interviews of all ranked respondents may or may not be required, at the direction of the Committee. If interviews are required they will be held during the week beginning April 16, 2007, and ending April 20, 2007. Under the authority delegated to the Secretary of the Department of Corrections by Florida Statute 287.055, sitting as the head of the Department of Corrections, Professional Services Contracts will be awarded to one firm following the recommendations of the Competitive Selection Committee and in accord with the statutory negotiation procedures. All firms responding to this RFQ will be notified by a single posting, after approval by the Secretary, through the following website address: http://fcn.state.fl.us/owa_vbs/owa/vbs_www.search_criteria_form. It is the firm's responsibility to check the website for updated information.

Response Date: April 4, 2007, by 4:00 p.m. (Eastern Daylight Time). Late submittals will not be opened or considered.

PROJECT: Provide Continuing Mechanical, Electrical, and Plumbing Engineering services for projects in which basic construction cost, for each project, does not exceed \$1,000,000, or for a study activity when the fee for professional services does not exceed \$50,000.

CONTRACT TERM: Services are for projects authorized within a two (2) year period with an option to renew for one (1) additional two (2) year period.

EXPERIENCE: Candidate firms need to provide information regarding their experience and expertise in the design of Mechanical, Electrical, and Plumbing (MEP) systems for correctional institution application, including but not limited to, HVAC and plumbing systems, geothermal sources,

ventilation and heating systems for non-air-conditioned buildings, generator systems, fire and sprinkler alarms, door controls and security systems.

LOCATION: Most of the work will be related to working on prototype designs for projects in Region I, therefore, the Region I Office, 2015 West Unit Drive, Sneads, Florida, is designated as the project site for purposes of the selection process.
