

receiving waters. Generally, the Order sets forth the basis of the Governing Board's decision to grant the variance as follows: 1) requiring Petitioner to comply with these rules onsite would create a technological hardship, and 2) Petitioner's financial contribution to the C-1 Rediversion Project or an Alternative Rediversion Project will accomplish the purpose of Chapter 373 of the Florida Statutes, to prevent harm to the water resources, by facilitating the project's implementation. The C-1 Rediversion Project is a restoration project designed to allow water that would be diverted from the St. Johns River to coastal receiving waters by the Melbourne-Tillman Water Control District canal system to drain once again to the St. Johns River.

A copy of the Order may be obtained by contacting: Timothy A. Smith, Senior Assistant General Counsel, at the Office of General Counsel, St. Johns River Water Management District, 4049 Reid Street, Palatka, Florida 32177-2529, or by telephone at (386)312-2347.

NOTICE IS HEREBY GIVEN THAT on October 12, 2007, the St. Johns River Water Management District has issued an order.

Granted a variance under Section 120.542, F.S. (SJRWMD FOR# 2007-67), to the United States Air Force (Petitioner). The Petition for Variance was received by SJRWMD on September 26, 2007. Notice of receipt of the petition requesting the variance was published in the F.A.W., Vol. 33, No. 40 on October 5, 2007. No public comment was received. This order provides a temporary variance from subparagraph 40C-41.063(1)(c)1., Florida Administrative Code, and Section 11.1.3 of the Applicant's Handbook: Management and Storage of Surface Waters (February 1, 2005). These rules provide in pertinent part that a surface water management system may not result in an increase in the amount of water being diverted from the Upper St. Johns River Hydrologic Basin to intercoastal receiving waters. Generally, the Order sets forth the basis of the Governing Board's decision to grant the variance as follows: 1) requiring Petitioner to comply with these rules onsite would create a technological hardship, and 2) Petitioner's financial contribution to the C-1 Rediversion Project or an Alternative Rediversion Project will accomplish the purpose of Chapter 373 of the Florida Statutes to prevent harm to the water resources, by facilitating the project's implementation. The C-1 Rediversion Project is a restoration project designed to allow water that would be diverted from the St. Johns River to coastal receiving waters by the Melbourne-Tillman Water Control District canal system to drain once again to the St. Johns River.

A copy of the Order may be obtained by contacting: Timothy A. Smith, Senior Assistant General Counsel, at the Office of General Counsel, St. Johns River Water Management District, 4049 Reid Street, Palatka, Florida 32177-2529, or by telephone at (386)312-2347.

NOTICE IS HEREBY GIVEN THAT on November 15, 2007, the South Florida Water Management District (District), received a petition for Wavier from Collier County Board of County Commissioners, for utilization of Works of Lands of the District known as the CR-951 Canal, Section 11, Township 49 South, Range 26 East, Collier County, for the proposed placement of light poles, conduits and guardrails. The petition seeks relief from subsection(s) 40E-6.011(4), (6), and Rule 40E-6.221, Florida Administrative Code, which governs placement of above-ground permanent and semi-permanent structures (the placement of light poles, conduits and guardrails) within 40 feet of top of the canal bank within the Works or Lands of the District.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Juli Triola at (561)682-6268 or email at jtriola@sfwmd.gov. The District will accept comments concerning the petition for 14 days from the date of publication of this notice. To be considered, comments must be received by end of business on 14th day at the South Florida Water Management District, 3301 Gun Club Road, MSC 1411, West Palm Beach, FL 33406, Attn: Juli Triola, Office of Counsel.
