**NOTICE OF INTENT TO ISSUE PROPOSED MODIFICATION OF POWER PLANT CERTIFICATION**

The Florida Department of Environmental Protection (Department) hereby provides notice of intent to modify the Power Plant Conditions of Certification issued pursuant to the Florida Electrical Power Plant Siting Act, Section 403.501 et seq., Florida Statutes, concerning the C.D. McIntosh, Jr. Power Plant, Power Plant Siting Application No. PA74-06O, OGC Case No. 08-0236. On February 12, 2008, the Department received an application to modify the Conditions of Certification for C.D. McIntosh, Jr. Power Plant from City of Lakeland pursuant to Section 403.516(1)(c), Florida Statutes for upgrades and replacement of structures and facilities within the Cane Island Tap to Taft Segment (1 1.2 miles) of the Lakeland-Taft Transmission Line.

A copy of the proposed modification may be obtained by contacting Michael P. Halpin, P.E., Administrator, Siting Coordination Office, Department of Environmental Protection, 2600 Blair Stone Road, M.S. 48, Tallahassee, Florida 32399-2400, (850)245-8002. Pursuant to Section 403.516(1)(c)2., Florida Statutes, parties to the certification proceeding have 45 days from issuance of notice to such party's last address of record in which to object to the requested modification. Failure of any of the parties to file a response will constitute a waiver of objection to the requested

modification. Any person who is not already a party to the certification proceeding and whose substantial interest is affected by the requested modification has 30 days from the date of publication of this public notice to object in writing. The written objection must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, M.S. 35, Tallahassee, Florida 32399-3000. If no objections are received, then a Final Order approving the modification shall be issued by the Department. If objections are raised and agreement can not be reached, then pursuant to Rule 62-17.211, Florida Administrative Code, the applicant may file a petition for modification seeking approval of those portions of the request for modification to which written objections were timely filed. Mediation is not available in this proceeding.

#### NOTICE OF INTENT TO GRANT

##### A WATER QUALITY CRITERIA EXEMPTION

The Department of Environmental Protection gives notice of its intent to grant an exemption from the Class G-II ground water standards for sodium, chloride, total dissolved solids, color, and odor pursuant to Rule 62-520.500, Florida Administrative Code, as part of domestic wastewater Permit Number FL0031216 for the Cedar Key Water Reclaiming Facility located north of 8th Street and west of G Street adjacent to Back Bayou, Cedar Key, Levy County, Florida. The facility is owned by the Cedar Key Water and Sewer District (CKWSD), 510 Third Street, Cedar Key, Florida 32625. The exemption is for the permitted discharge of treated domestic wastewater to Class G-II ground water. The exemption is granted for the duration of CKWSD's domestic wastewater Permit Number FL0031216, and made a part of the wastewater permit. The applicant, in conjunction with the domestic wastewater Permit Number FL0031216, must petition for any future exemptions.

A person whose substantial interests are affected by the Department's proposed exemption decision may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, Florida Statutes. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, within 21 days of publication of this notice. The petitioner must mail a copy of the petition to the applicant Ms. Thelma McCain, Chairperson, Cedar Key Water and Sewer District, 510 Third Street, Cedar Key, Florida 32625, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, Florida Statutes, or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will only be at the

discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, Florida Administrative Code.

A petition that disputes the material facts on which the Department's action is based must contain the following information:

- (a) The name, address, and telephone number of each petitioner; the name, address, and telephone number of the petitioner's representative, if any; the Department case or identification number and the county in which the subject matter or activity is located;
- (b) A statement of when and how each petitioner received notice of the Department action;
- (c) A statement of how each petitioner's substantial interests are affected by the Department action;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A statement of facts that the petitioner contends warrants reversal or modification of the Department action;
- (f) A concise statement of the ultimate facts alleged, as well as the rules and statutes which entitle the petitioner to relief; and
- (g) Demand for relief (sought by the petitioner, stating precisely the action that the petitioner wants the Department to take).

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise contain the same information as set forth above, as required by Rule 28-106.301, Florida Administrative Code.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the Department on the petition have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available for this proceeding.

The application is available for public inspection during normal business hours 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Department's Tallahassee Office, 2600 Blair Stone Road, Room 232B, Tallahassee, Florida 32399-2400, telephone David James at (850)245-8648.
