(2007), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

- 1. The Florida Keys Area is a statutorily designated area of critical state concern, and Islamorada, Village of Islands is a local government within the Florida Keys Area.
2. On February 13, 2008, the Department received for review Islamorada, Village of Islands Ordinance No. 08-01 ("Ord. No. 08-01") adopted by the Village on January 10, 2008.

No. 08-01 amends Chapter 30 Land Development Regulations, Article II Rules of Construction and Definitions, Section 30-32 Specific Definitions; and establishing Chapter 30 Land Development Regulations, Article II Rules of Construction and Definition, Section 30-32 Specific Definitions and further amends Article V Schedule of District Uses and Development Standards. The purpose of Ord. No. 08-01 is to clarify and amend the definitions of "temporary use" and "Public assembly" in order to provide more appropriate criteria for permitting such uses.

CONCLUSIONS OF LAW

- 4. The Department is required to approve or reject land development regulations or portions thereof that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. §§ 380.05(6), Florida Statutes, and § 380.0552(9), Florida Statutes (2007).

The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
8. Ord. 08-01 promotes and furthers the following Principles:
(a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.

FINANCIAL SERVICES COMMISSION

IN THE MATTER OF:

Case No.: 94698-08

CITIZENS PROPERTY
INSURANCE CORPORATION

_____/_____
ORDER APPROVING CITIZENS’ HIGH-RISK ACCOUNT
BOND ISSUANCE AND RELATED DOCUMENTS

THIS MATTER came before the Office of Insurance Regulation for consideration and final agency action upon the request of Citizens Property Insurance Corporation (“Citizens”), pursuant to Section 627.351(6), Florida Statutes, as amended (the “Citizens Act”), and Sections 19(B) and 20 of Citizens’ Plan of Operation (the “Plan of Operation”), for approval of the issuance by Citizens of its High-Risk Account Senior Secured Bonds, Series 2008A, in the aggregate principal amount of not exceeding \$2,000,000,000 (the “Series 2008A Bonds”) and related documentation. Citizens’ request is based on the adoption by its Board of Governors (the “Board”), on March 25, 2008, of the resolution (the “Authorizing Resolution”) attached hereto as Exhibit “A” authorizing the issuance of the Series 2008A Bonds and related documentation.

The Series 2008A Bonds are to be issued pursuant to that certain Trust Indenture dated as of August 6, 1997 (the “1997 Indenture”), as amended, and as further amended by that certain Sixth Supplemental Indenture (the “Sixth Supplemental Indenture” and, together with the 1997 Indenture as amended, the “Indenture”), by and between Citizens and Regions Bank, as successor Indenture Trustee. The Sixth Supplemental Indenture is to be in substantially the same form as the copy received and reviewed by the Office of Insurance Regulation prior to the entry of this Order. Citizens is also entering into or will utilize, as applicable, other related documents and agreements in connection with the issuance of the Series 2008A Bonds.

Citizens is a statutorily-created corporation and government entity that is an integral part of the State of Florida, established pursuant to the Citizens Act. Citizens, through its High-Risk Account, has become a significant provider of residential and commercial windstorm insurance in the State of Florida, and must have access to sufficient funds to meet its policyholder claims and other obligations in the event of a catastrophic hurricane or other weather-related event. The Citizens Act authorizes Citizens to borrow funds for the High-Risk Account by issuing bonds or by incurring other indebtedness and to pledge assessments under the Act and other funds available to Citizens' High-Risk Account as the source of security and repayment for such borrowings. Section 627.351(6)(c)3., Florida Statutes, states that Citizens may issue bonds or incur other indebtedness in the absence of a hurricane or other weather-related event, upon a determination by Citizens, subject to approval by the Office of Insurance Regulation, that such action would enable it to efficiently meet the financial obligations of Citizens and that such financings are reasonably necessary to effectuate the requirements of the Citizens Act.

The Citizens Act and the Plan of Operation authorize Citizens to issue bonds in the absence of a hurricane or other weather-related event and the Plan of Operation, in Section 20(D), contains a determination by the Board that such advance financings constitute financing mechanisms under the Act that will allow Citizens to efficiently meet the financial obligations of the High-Risk Account and that such financings are reasonably necessary to effectuate the requirements of the Act.

On March 25, 2008, Citizens' Board adopted the Authorizing Resolution authorizing the issuance of the Series 2008A Bonds, in one or more series, in the aggregate principal amount of not exceeding \$2,000,000,000, to pay policyholder claims and other obligations of the High-Risk Account as a result of a catastrophic hurricane or other weather-related event. The Authorizing Resolution contains a finding by Citizens' Board that, in order to provide funds to meet policyholder claims and other obligations of the High-Risk Account, it is in the best interests of Citizens to issue the Series 2008A Bonds. The Authorizing Resolution contains a further determination by Citizens' Board that the proceeds derived from the Series 2008A Bonds are reasonably necessary to

enable Citizens to efficiently meet the financial obligations of the High-Risk Account and to effectuate the requirements of the Citizens Act.

As required by Section 19(B) of the Plan of Operation, Citizens has filed with the Office of Insurance Regulation a statement of the purpose of the Series 2008A Bonds, a copy of the Sixth Supplemental Indenture in substantially final form, and an estimate of the costs to be incurred by Citizens in connection with the issuance of the Series 2008A Bonds, which estimate has been approved by the Citizens' Board. The Office of Insurance Regulation, having considered this submission, and being otherwise advised in the premises, hereby finds that:

1. The Office of Insurance Regulation, by and through the Insurance Commissioner, has jurisdiction over the subject matter of, and the parties to, this proceeding pursuant to the Citizens Act.
2. The Series 2008A Bonds are being issued for the purpose of providing additional resources to assist Citizens in covering policyholders' claims and expenses in the High-Risk Account and are hereby determined to be for a valid purpose under the Citizens Act. The Series 2008A Bonds will enable Citizens to efficiently meet its financial obligations and are reasonably necessary to effectuate the requirements of the Citizens Act.
