LAND AND WATER ADJUDICATORY COMMISSION

NOTICE OF RECEIPT OF PETITION

WIREGRASS COMMUNITY DEVELOPMENT DISTRICT
On April 18, 2008, the Florida Land and Water Adjudicatory Commission ("FLWAC" or "Commission") received a petition to establish the Wiregrass Community Development District (the "District"). The Commission will follow the requirements of Chapter 42-1, Florida Administrative Code (F.A.C.), as amended, and Chapter 190, Florida Statutes (F.S.), as amended, in ruling on this petition.

SUMMARY OF CONTENTS OF PETITION: The petition, filed by Locust Branch, LLC, requests the Commission to establish a community development district located entirely within unincorporated Pasco County, Florida. The land area proposed to be served by the District comprises approximately 3,974.216 acres. A general location map is contained as Exhibit A to the petition to establish the District. The Petitioner either owns or has obtained written consent to establish the District from the landowners of 100% of the real property located within the proposed District. The proposed infrastructure plan consists of district roads, water and sewer facilities, storm water management, security facilities, recreation facilities, landscape and streetscape, and off-site improvements.

SUMMARY OF ESTIMATED REGULATORY COSTS: The statement of estimated regulatory costs (SERC) supports the petition to establish the District. The complete text of the SERC is contained as Exhibit H to the petition. The requirements for a SERC are found in Section 120.541(2), F.S. A SERC must contain (a) a good faith estimate of the number of individuals and entities likely to be required to comply with the rule, together with a description of the types of individuals likely to be affected by the rule; (b) a good faith estimate of the

costs to the agency, and to any other state and local government entities, of implementing and enforcing the proposed rule, and any anticipated effect on state or local revenues; (c) a good faith estimate of the transactional costs likely to be incurred by individuals and entities, including local governmental entities, required to comply with the requirements of the rule; (d) an analysis of the impact on small businesses as defined by Section 288.703, F.S., and an analysis of the impact on small counties and small cities as defined by Section 120.52, F.S.; (e) any additional information that the agency determines may be useful; and (f) any good faith written proposal submitted under section (a) and either a statement adopting the alternative or a statement rejecting the alternative in favor of the proposed rule. Addressing section (a), the District, the State of Florida and its residents, Pasco County and its residents, current property owners of lands within the boundaries of the proposed District and future property owners are the principal entities that are likely to be required to comply with the rule. Under section (b), FLWAC and the State of Florida will incur administrative costs. Pasco County may incur costs resulting from the initial review and on-going costs resulting from the on-going administration of the District. There is a \$15,000 filing fee paid to Pasco County to offset any costs it may incur. Adoption of the proposed rule to approve the formation of the District will not have any negative impact on State and local revenues. Addressing section (c), the District may levy non-ad valorem special assessments on properties within its boundaries to finance infrastructure that the District funds and to defray the costs of operating and maintaining the infrastructure and associated community facilities. The District may issue notes, bonds, or other indebtedness to fund its improvement program. Prospective future land owners would be required to pay off such indebtedness over time in the form of non-ad valorem special assessments or other rates, fees or charges. The District may also impose an annual levy for the operation and maintenance of the District. Under section (d), approval of the petition to establish the District will have no impact or a positive impact on small businesses. The petition to establish the District will not have an impact on small counties as Pasco County is not a small county as defined by Section 120.52, F.S. Under section (e), certain data utilized in the report was provided by the developer/petitioner and represents the best information available at the time. Other data was provided by Rizzetta & Company and was based on observations, analysis and experience with private development and other Districts in various stages of existence. A LOCAL HEARING WILL BE HELD AT THE TIME, DATE AND PLACE SHOWN BELOW:

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Notices for the Department of Environmental Protection between December 28, 2001 and June 30, 2006, go to <http://www.dep.state.fl.us/> under the link or button titled “Official Notices.”

The Department of Environmental Protection (Department) gives notice of its intent to issue a variance (File #0142476-010, MOS-FG-VA-VR(2007)) to Mosaic Fertilizer, LLC (Mosaic), Post Office Box 2000, Mulberry, Florida 33860-1100 under Section 378.212(1)(b), Florida Statutes (F.S.), from the reclamation timing requirements defined in Section 378.209(1), F.S. and paragraph 62C-16.0051(12)(b), Florida Administrative Code (F.A.C.) for the Fort Green Mine in Polk, Hardee, and Manatee Counties. The variance is required for delays in reclamation due to limited availability of fill material because of a temporary shutdown of mining operations. The variance is granted for a ten-year period ending June 1, 2018.

Mediation is not available.

A person whose substantial interests are affected by the Department’s action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received by the clerk) in the Office of General Counsel of the Department, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000.

Under subsection 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department’s action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, before the applicable deadline. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. If a request is filed late, the Department may still grant it upon a motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect. If a timely and sufficient petition for an administrative hearing is filed, other persons whose substantial interests will be affected by the outcome of the administrative process have the right to petition to intervene in the proceeding. Intervention will be permitted only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

In accordance with Section 378.212(3), F.S., petitions for an administrative hearing by the applicant must be filed within 14 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first. Under Section 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition for an administrative hearing within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S.

A petition that disputes the material facts on which the Department's action is based must contain the following information:

- (a) The name and address of each agency affected and each agency's file or identification number, if known;
- (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination;
- (c) A statement of when and how the petitioner received notice of the agency decision;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action;
- (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action; and
- (g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C. Under Section 120.569(2)(c) and (d), F.S., a petition for

administrative hearing must be dismissed by the agency if the petition does not substantially comply with the above requirements or is untimely filed.

This intent to issue a variance constitutes an order of the Department. Subject to the provisions of Section 120.68(7)(a), F.S., which may require a remand for an administrative hearing, the applicant has the right to seek judicial review of the order under Section 120.68, F.S., by the filing of a notice of appeal under rule 9.110 of the Florida Rules of Appellate Procedure with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000; and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within 30 days from the date when the order is filed with the Clerk of the Department.

NOTICE OF ROUTINE PROGRAM CHANGE REQUEST

A routine request to update the approved Florida Coastal Management Program (FCMP) has been submitted to the federal Office of Ocean and Coastal Resource Management (OCRM), of the National Oceanic and Atmospheric Administration (NOAA). The Department of Environmental Protection has determined that the proposed program change is a routine program change as defined by 15 CFR 923.84. This

proposed change seeks to include Section 376.25, F.S., the Clean Ocean Act, into the list of statutes that make up the FCMP.

This routine program change will incorporate a change to the referenced statute enacted by the Florida Legislature during the 2008 legislative session. Staff has evaluated the change pursuant to 15 CFR 923.80(c) and concluded that the change is not an amendment to the FCMP. This change will not result in any substantial change to the enforceable policies or authorities of the FCMP related to uses subject to management, special management areas, boundaries, authorities and organization, or coordination, public involvement and national interest.

This notice has been sent to affected parties, including affected local governments, state agencies, and regional offices of relevant federal agencies as required by 15 CFR 923.84(b)(2). A list of persons and organizations notified is available for inspection or can be provided at cost upon request from the FCMP.
