DEPARTMENT OF FINANCIAL SERVICES

NOTICE IS HEREBY GIVEN THAT Florida Department of Financial Services has declined to rule on the petition for declaratory statement filed by Charles K. Bortell, Jr. on April 11, 2008. The following is a summary of the agency’s declination of the petition:

It is well established that declaratory statements issued pursuant to Section 120.565, Florida Statutes, can be applicable only to the specific petitioner and question that is not so limited and would require a response that is the equivalent of a rule. Therefore, the instant petition, which by its own terms, is not limited in its application to the specific petitioner, but to all similarly licensed insurance agents, must be denied. Also the Petition asks for a declaratory statement relative to ongoing conduct, which circumstance also militates for denial of the petition. *Novick v. Department of Health*, 816 So.2d 1237 (Fla. 5th DCA 2002).

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Douglas Shropshire, Staff Counsel, Department of Financial Services, Division of Legal Services, Larson Building, 6th Floor, 200 East Gaines Street, Tallahassee, Florida 32399-0333, or by email at shropshired@dfs.state.fl.us.

NOTICE IS HEREBY GIVEN THAT the Department of Financial Services, Division of State Fire Marshal, has received the petition for declaratory statement from Roy Tremain, Fire Chief. The petition seeks the agency’s opinion as to the applicability of Section 509.215(1)(a), Florida Statutes, in conjunction with subsection (3) of the same statute as it applies to the petitioner.

The Petitioner is charged with enforcement of the fire code and is substantially affected by the interpretation of Section 509.215(1)(a), Florida Statutes, in conjunction with subsection (3) of the same statute, as it applies to a particular parcel of property located in Eustis, Florida.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Lesley Mendelson, Assistant General Counsel, 200 East Gaines Street, Tallahassee, Florida 32399-0340, (850)413-3604 or (850)413-4238, Fax (850)922-1235 or (850)488-0697 (please advise if you would like it mailed or faxed to you and please include your phone number on your request in case any question arises) or by e-mailing your request to Lesley.Mendelson@fldfs.com.

DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS

Florida A&M University (FAMU) announces that Professional Services in the discipline of Architecture will be required for the following: Project No.: FM-318, Rural Diversity Healthcare Center, Crestview, Florida.

The facility was constructed in 1937 as a manufacturing plant building. The textile facility assisted the area economy during the post depression era and produced various items including military clothing during WWII. This project consists of the design and renovations of 39,200 gsf of space into teaching labs, classrooms and offices. The university design solutions will involve the restoration of the historical aspects of the building, while redesigning the building’s interior square footage into classrooms, teaching labs and offices for the

professional schools of Nursing, Allied Health Sciences and Pharmacy. The design consultant will provide programming services in addition to basic architectural design engineering services.

The selected firm will provide design, construction documents and administration for the referenced project. Blanket professional liability insurance will be required for this project in the amount of \$2,000,000 and will be provided as a part of Basic Services.

INSTRUCTIONS: Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed "Professional Qualifications Supplement" (PQS); form is to be obtained from the FAMU Facilities Planning & Construction Office. Applications on any other form will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit eight (8) ring, comb or spiral (no hard, solid or tack) bound copies of the requested data in the order listed above. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned. The plans and specifications for State University System projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$25,000 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Professional Qualifications Supplement (PQS) forms, descriptive project information, and selection criteria may be obtained by contacting: Samuel J. Houston, Director, Office of Facilities Planning and Construction, Florida A&M University, Plant Operations Facility, Building A, Suite 100, 2400 Wahnish Way, Tallahassee, FL 32307, (850)599-3197, Fax (850)561-2289, e-Mail: samuel.houston@famuedu.

Submittals must be received in the Office of Facilities Planning and Construction, by 12:00 noon local time, on August 20, 2008. Facsimile (FAX) submittals are not acceptable and will not be considered.

NOTICE TO PROFESSIONAL CONSULTANTS

Florida A&M University, on behalf of the State of Florida, Board of Regents, announces that Professional Services in the discipline of Architecture will be required for the project listed below: Project No. BR-352; Project and Location: Five Year Update of the Comprehensive Master Plan, Florida A&M University, Tallahassee, FL 32307.

This project consists of a five year update of the Comprehensive Campus Master Plan on a Continuing Services Contract basis, for studies through the next five years, up to the time of the next five year update. Work will consist of updating the various elements in the current Master Plan, including Land Use, Academic Facilities, Support Facilities, Housing, Recreation and Open Space, General Infrastructure, Utilities, Intergovernmental Coordination, Transportation, Capital Improvements, Architectural Design Guidelines, Landscape Design Guidelines and Facilities Maintenance.

Consultants should demonstrate the ability to assess the impacts of five years of University facilities development on public facilities and services (i.e. stormwater management, electrical, potable water, sanitary sewer, solid waste, roads and parks and recreation facilities). Consultants should demonstrate the ability to update existing master plan map conditions to reflect the five year assessment. Greater consideration will be given to those consultants with previous experience in master planning, local government comprehensive plans and concurrency management in Florida.

INSTRUCTIONS: Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed "Professional Qualifications Supplement" (PQS); form is to be obtained from the FAMU Facilities Planning & Construction Office. Applications on any other form will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board.
