DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS

University of South Florida Polytechnic announces that Professional Services in the discipline of Architecture will be required for the project listed below:

PROJECT NUMBER: 555

PROJECT AND LOCATION: USF Polytechnic – Phase I Facility, University of South Florida Polytechnic, Lakeland, Florida.

PROJECT DESCRIPTION:

The interdisciplinary USF Polytechnic – Phase I Facility will primarily provide large multi-user interdisciplinary shared core facilities. The plan includes two 100-seat classrooms and multiple smaller classrooms to support student enrollment needs in upcoming years. These classrooms will be scheduled by USF Polytechnic to meet growth in technology. Teaching laboratories for the disciplines of engineering, sciences, arts, business and information technology will provide space for interdisciplinary laboratory courses, as well as more traditional upper and lower division courses as needed. Multiple commons spaces for faculty and support staff is also included in the project. The space in this facility is designated to promote interdisciplinary research and teaching.

Polytechnic ideals are strongly oriented toward interdisciplinary, collaborative relationships – between faculty members, support staff, student support, and others. The

concept of a commons is strongly evocative of these interactions; the co-location and interweaving of faculty members across disciplines, for example, encourages and facilitates the dynamic exchange of ideas so critical for interdisciplinary efforts. The close physical proximity of faculty, staff and students creates a collection of “critical masses,” providing constant opportunities for productive interaction.

The USF Polytechnic – Phase I project includes approximately 60,000 NASF of space funded by State PECO funding, and an option for approximately 30,000 – 50,000 NASF of additional space proposed to be funded through private/public FECGP funding.

This multi-story facility will accommodate upper and lower division interdisciplinary teaching and research needs of the USF Polytechnic. The facility is planned to include research labs (approximately 1,250 NASF); teaching labs (approximately 27,500 NASF); classrooms (approximately 5,000 NASF); office space (approximately 29,000 NASF); instructional media (approximately 7,300 NASF); study space (approximately 12,000 NASF); support and student space (approximately 7,300 NASF); with an additional shell space (approximately 20,000 NASF) if funding permits.

The Phase I Facility is only the first construction of a multi-phased Master Plan which creates an integrated, fully-engaged university campus environment at a highly visible location on Interstate 4 midway along the 80 miles between the Tampa Bay and Orlando megalopolis areas. In addition to serving the needs of its tri-county service area, this university is intended to be a destination campus with a vibrant residential and campus life component. Given this location, the USF Polytechnic seeks an iconic design for this facility.

The construction budget is estimated to be approximately \$65,700,000 including Master Planning, site development, and hurricane hardening. Project development, including professional services, is contingent upon availability of funds. If additional funding is realized, the USF Polytechnic has the option to incorporate additional scope/funding under this contract including completion of shell space. The construction delivery method is anticipated to be Construction Management.

The selected firm should provide planning, design, construction documents, construction administration and post-occupancy services for the project in coordination with the 2005 USF (Polytechnic) Lakeland Campus 10 Year Master Plan and USF standards for design and construction. USF Polytechnic is seeking to secure the services of a consultant team with extensive experience in innovative facility design. All disciplines required for the design of the facility should be provided for this project under the contract with the selected firm, including architecture, engineering, interior design and any specialty consultants. Consultant services for design expertise unique to the innovative needs of a polytechnic

interdisciplinary teaching and research environment may be provided by specialty design consultants with a preference for inclusion of signature architects. Firm submittals should include descriptions of experience and knowledge of Sustainable Design and Hurricane Hardening. The design and construction administration services provided by the selected team shall facilitate the facility needs, and accomplish those needs within the mandatory project schedule in order to meet occupancy requirements for this project. The selected firm will be required to provide computer drawings according to the standards of the University of South Florida, including computer record drawings reflecting as-built conditions to facilitate the University's space management program. Blanket professional liability insurance will be required for this project in the amount of \$3,000,000, and will be provided as a part of Basic Services. It is the University's responsibility to negotiate a fair, competitive, and reasonable compensation per Section 287.055, F.S. A fair, competitive and reasonable compensation shall be evaluated based upon the following information: (1) Compensation on similar projects; (2) other compensation reference data; and (3) after approval of the ranking, proposals requested from the short-listed firms based upon a scope of services document to be provided at the time of negotiations. Selection of finalists for interview will be made on the basis of professional qualifications of the proposed design team, including experience and ability to meet the project requirements and the goals and objectives of USF Polytechnic's Strategic Plan; past experience; award-winning design ability, especially in developing iconic and/or signature facilities; volume of work; and distance from project. The distance factor for this project will provide a maximum of one point difference in scoring for location between in-state and out-of-state applicants. As part of the University of South Florida's Strategic Plan, the university made a commitment to foster a diverse community distinguished by a shared purpose, collaboration, open and timely communication, mutual respect, trust, and inclusiveness. The University of South Florida is an equal opportunity institution, and, as such, strongly encourages the lawful use of certified Minority and Women-owned Business Enterprises ("MBEs") in the provision of design and construction-related services by providing a fair and equal opportunity to compete for, or for participation in, design and/or construction-related services. The plans and specifications for the University of South Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant should warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$25,000 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

INSTRUCTIONS:

Firms desiring to apply to provide professional services shall submit one (1) original submittal and eight (8) bound copies consisting of the information as required in the "Submittal Requirements" of the Project Fact Sheet including a letter of interest, a completed "USF Professional Qualifications Supplement (PQS)" dated August 2008 for the USF Polytechnic – Phase I Facility and any required or additional information within the proposal limits. Applications on any other form will not be considered. Submittals are part of the public record. All applicants should be properly registered at the time of contract engagement to practice its profession in the State of Florida. If the applicant is a corporation, it should be chartered by the Florida Department of State to operate in Florida. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned.

The "Professional Qualifications Supplement (PQS)" for the USF Polytechnic – Phase I Facility, dated August 2008, and "Project Fact Sheet", which includes project information and selection criteria, may be obtained by contacting: Claire Johnson, Executive Administrative Specialist, Campus Facilities and Educational Outreach, University of South Florida Polytechnic, via e-mail at johnsonc@poly.usf.edu, by mail at 3433 Winter Lake Road, Lakeland, Florida 33803, or by phone at (863)667-7056. Interested firms are invited and encouraged to attend a Pre-Submittal Meeting at 1pm Eastern Time, on Tuesday, September 9, 2008 at the University of South Florida Polytechnic – Room LTB 1124/1124A to review the scope and requirements of this project. The LTB 1124/1124A is located on campus at 3433 Winter Lake Road, Lakeland, Florida 33803.

Two site visits are planned on the day of the Pre-Submittal Meeting (Tuesday, September 9, 2008). One is scheduled for 9:30 a.m. (EST) and another at 3:00 p.m. (EST). The site (property) is restricted and no trespassing is allowed. Therefore, all interested individuals should meet at USF Polytechnic, 3433 Winter Lake Road, Lakeland, Florida 33803, LTB Building, Room 2117, where transportation will be provided to the site for each of the scheduled site visits. Please arrive in enough time for the 9:30 a.m. departure or the 3:00 p.m. departure. It is imperative that notification of your interest to visit the site be advised no later than September 5, 2008 by 5:00 p.m. (EST) by contacting Claire Johnson, via e-mail at johnson@poly.ufl.edu. Email request must include the preferred site visit time as well as the number of participants from your organization.

Requests for meetings by individual firms will not be granted once the Florida Administrative Weekly advertisement is published. No communication shall take place between the applicants and the members of the Selection Committee or employees of the University of South Florida except as provided at the Pre-Submittal Meeting, the Pre-Interview

Meeting and the request for the PQS, Fact Sheet and the RSVP for site visit. Requests for any project information should be submitted in writing to the above e-mail address. The Selection Committee may reject all proposals and stop the selection process at any time. One (1) original and eight (8) copies of the requested submittal data, bound in the order listed in the "Submittal Requirements" of the Project Fact Sheet shall be addressed to:

Alice M. Murray Ed.D
Associate Vice President
Campus Facilities and Educational Outreach
University of South Florida Polytechnic
3433 Winter Lake Road
LTB 2116
Lakeland, FL 33803

Applications that do not comply with the above instructions may be disqualified. Submittals are to be received by USF Polytechnic, 3433 Winter Lake Road, LTB Room 2120, Lakeland, Florida 33803 by 2:00 p.m. (Eastern Time), Friday, September 19, 2008. Facsimile (FAX) or electronic submittals are not acceptable and will not be considered.

DM New Electrical Panels and Mini A/Cs, FM 080327

AMERICANS WITH DISABILITY ACT OF 1990 – If special accommodations are needed in order to attend the pre-bid meeting or bid opening, contact Purchasing at (305)348-2161 or purchasing@fiu.edu within three (3) days of the event.

NOTICE TO PROFESSIONAL CONSULTANTS

The Florida International University Board of Trustees, announces that Professional Services in the discipline of architecture will be required for the project listed below:

Project and Location: Continuing Services Contract, Florida International University, all sites, Miami, Florida.

The selected firm will provide full architectural and consulting engineering services inclusive of design, construction documents, and administration for specific projects for renovations, alterations, and additions that have a basic construction budget estimated to be \$1,000,000 or less, or studies for which the fee for professional services is \$100,000 or less.

This will be a multiple award contract for an initial period of one-year with Owner's option to renew the contract, at its sole discretion, for additional one-year periods, however, in no event to exceed a total of five successive years. Four (4) contracts will be awarded to four (4) different firms. Continuing Services Contracts provide that the consultant will be available on an as-needed basis for the Fiscal Year, July 1 – June 30.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed (former Board of Regents) "Professional Qualifications Supplement (SUSPQS)," dated September 1999 with FIU revisions dated 2/22/2008. Applications on any other form will not be considered. It is the intent of FIU to encourage participation by qualified Minority Business Enterprises however, State of Florida MBE Certification is not a factor in the selection process. Disregard paragraph 4 on page 2 of the instructions.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit six (6) copies of the above requested data bound in the order listed above. Applications that do not comply with the above instructions will not be considered. Application material will not be returned. The University reserves the right to suspend or discontinue the selection process at any time and to return or reject any or all submissions of qualifications without obligation to the respondent.

The plans and specifications for A/E are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Professional Qualifications Supplement forms and the Project Fact Sheet may be obtained from the web-site <http://facilities.fiu.edu> (Applicant firms may find project under Selection Process Information). Requests for meetings by individual firms will not be granted. Once the firm acquires the required forms, questions may be directed to Real Estate Development and Planning at (305)348-4090 or via email tocecilia@fm.fiu.edu.

Submit qualifications to: Selection Committee, Florida International University, Real Estate Development and Planning, Campus Support Complex, Room #236, University Park, Miami, Florida 33199, by 2:00 p.m. (Local Time), on September 12, 2008. Late submittals shall be disqualified. Facsimile (FAX) submittals are not acceptable and will not be considered.

Notice of Bid/Request for Proposal
Chiller Plant Service Agreement

MANDATORY PRE-BID MEETING: MANDATORY pre-bid conference will be held August 19, 2008, 10:00 a.m., in Campus Support Complex Building, Purchasing Services, Room CSC410, University Park Campus, 11200 S. W. 8 Street, Miami FL. Additional information may be provided and questions will be accepted. Bidders are required to attend in order to be eligible to submit a bid. All questions about meeting location should be directed to Ms. Doreatha Belton, Purchasing Services at (305)348-2161 or beltond@fiu.edu or burchd@fiu.edu. Bidders are required to attend in order to be eligible to submit a bid.

Bid Documents may be obtained in Purchasing Services, University Park CSC 414, 11200 S. W. 8 St., Miami, FL. Please call Ms. Doreatha Belton at (305)348-2161 or email beltond@fiu.edu or burchd@fiu.edu prior to your arrival.

It is FIU policy to remove vendors from the Bid List after failing to respond to three (3) consecutive invitations to bid. If you do not wish to bid on a project, kindly return the invitation with a notation of "No Bid," and company name.

SCOPE OF WORK: The work includes the full service maintenance, including all service, preventive maintenance and repair of the (HVAC) Chiller equipment. Where chillers are indicated, this shall be taken to consist of the entire system including, but not limited to: all pumps, motors, starters, compressors, condensers, control panels and associated chiller electrical/electronic components, all valves (including isolation valves), and sensors located within the various plants, at the various locations.

**PUBLIC ANNOUNCEMENT

Applicants are urged to limit their submittal content to fifty (50) pages, excluding front and back covers and all section dividers. However, this is not a mandatory requirement.

All proposal information submitted becomes the property of the Department of Health, will be placed on file, and not returned. Applications that do not comply with the instructions set forth above and/or do not include the qualification data required will be considered improper and disqualified. Proposals submitted by qualified firms shall be evaluated in accordance with Chapter 60D-2, Florida Administrative Code and Section 287.055, Florida Statutes.

SHORTLIST SELECTION PROCESS: From the proposals received, the Department shall shortlist a minimum of three (3) firms.

The selected firm or firms will be required to be registered with MyFloridaMarketPlace before a contract can be executed. However, they will be exempt from the one percent fee.

EARLY LEARNING COALITION OF DUVAL

REQUEST FOR PROPOSAL – FY 2008 – 2009
#RFP-ELCD-IT-08-09

Information Technology Services

The Early Learning Coalition of Duval (the "Coalition"), a Florida not-for-profit corporation is seeking Information Technology Services. In order to select a vendor to deliver these services, the Coalition requests a proposal for services based on the specifications listed below.

Upon receipt of all the proposals, the Coalition will review and make a decision based on experience, technical abilities, cost and other factors which would be appropriate for a review of quote for Information Technology Services.

Evaluation Criteria:

Experience – 50 points

Cost – 25 points

Technical abilities (staff qualification) – 20 points

Proposal Presentation – 5 points

The selected vendor will be required to enter into an agreement with the Coalition for the services listed below:

Information Technology Services will entail the following (not an all-inclusive list):

- Implement and Maintain network by monitoring and updating the following items:
- Upgrade firmware on Firewalls
- Monitor firewall logs
- Report unauthorized access attempts to proper authorities
- Maintain network connectivity
- Apply software patches and security hot fixes to all servers and PCs
- Test all software / hardware after installation of updates
- Configure network access for PCs
- Maintain databases
- Update antivirus / anti-malware software
- Monitor antivirus threats
- Manage spam filtering services
- Manage secure off-site backup of crucial files and databases
- Set up network printers / scanners / copiers
- Troubleshoot computer / network / printer related errors
- Remove malware from PCs
- Replace and/or upgrade equipment as needed
- Move IT related equipment during workspace / office transfers
- Configure software to interface with Industry-Specific Databases
- Design and plan upgrades to network and software packages
- Implement new technologies to better office productivity
- Provide secure remote access
- Maintain Business Continuity / Disaster recovery plans and test

Other Information:

Number of Staff at ELC of Duval: 40

Number of Computers: approx. 40

Number of Printers: 15 personal printers and 4 network printers (approx.)

Servers: 2

Contract Period: The contract is for a period of 3 years.

More information about the organization can be found on our web site www.elcofduval.org

FLORIDA DEVELOPMENTAL DISABILITIES COUNCIL, INC.

Request for Proposals # RFP 2008-CC-7300

The Florida Developmental Disabilities Council, Inc. (FDDC) announces the availability of a Request for Proposals (RFP). Copies of the RFP can be downloaded for the FDDC website (www.fddc.org) or copies may be requested by writing: FDDC at 124 Marriott Drive, Suite 203, Tallahassee, Florida 32301, or calling (850)488-4180, 1(800)580-7801 (Toll Free), 1(888)488-8633 (TDD). To register to receive electronic mail (email) notices of future RFPs, please visit our website (www.fddc.org) and click on the "RFPs" button near the top of the page, then click on the "sign up" button and follow the directions.

The Florida Developmental Disabilities Council, Inc. (FDDC) is pleased to announce that this request for proposals (RFP #2008-CC-7300) is released in order to seek public relations and media services on a fee-for-service basis to support activities and initiatives of the Council. FDDC has set aside federal funds for a period not to exceed one (1) year for fiscal support of this RFP. Interested parties should obtain a copy of RFP #2008-CC-7300 for specific information related to funding amounts.

The deadline for submitting written questions and letters of intent (Letters of Intent are not mandatory) for this RFP is August 29, 2008, by 4:00 p.m. (EDT). In order for your proposal to be considered, your letter of intent must be received by the above referenced deadline. Letters of Intent will only be accepted by fax, mail, or hand delivery. Letters of Intent by email will not be accepted. All answers to written questions will be posted on the FDDC website during the week of September 1, 2008. The deadline for submitting proposals for this RFP to FDDC is September 26, 2008 by 2:00 p.m. (EDT).

VISIT FLORIDA

VISIT FLORIDA is seeking qualified vendors who can provide products for the four Official Florida Welcome Centers.

Qualified vendors are asked to provide quotes on the cost of providing 100% Florida citrus juice, juice dispensers, and juice cups to the welcome centers located on I-10, I-75, I-95 and U.S. Highway 231. These welcome centers provide over two million visitors with Florida orange and grapefruit juice as part of a longstanding and very successful promotional collaboration with between the Florida Department of Citrus and VISIT FLORIDA.

We are asking all interested vendors to provide quotes based on these specifications by September 1, 2008. Please send your quotes to my attention at:

David Dodd

VISIT FLORIDA

2540 W. Executive Center, Suite 200

Tallahassee, Florida 32301

Please give me a call at (850)205-3817 if you have any questions.

TECHNICAL SPECIFICATIONS

When replying, please provide quotes for the complete package as stated and specified herein (juice, dispensers, and cups). Please note: Prices should include the cost of delivery of all products and the use and maintenance of dispensers.

VISIT FLORIDA will not accept any partial quotes submitted without prices in each category. This quote covers any and all of the Official Florida Welcome Centers as well as any new center(s) that may become operational during the ensuing time period.

Quotes are to be based on institutional-sized containers of Not-From-Concentrate (NFC). Quotes must comply with all the specifications, terms, and conditions stated herein. VISIT FLORIDA estimates the number of gallons of juice to be purchased to be in excess of 90,000 gallons (75,000 Orange Juice & 15,000 gallons of Grapefruit Juice) through June 2012. This number is provided as a tool to aid in preparation of the quotes and should not be construed as the actual amount to be purchased. The final amount may be more or less than the estimated 90,000 gallons.

1. DISPENSERS:

The quote for the juice dispensers must be for a sufficient number of dispensers to be furnished and installed at the delivery points specified. The vendor is required to keep the dispensers in excellent working order at all times. (Repair or replacement of any machines should be completed within twenty-four (24) hours of notification by welcome center staff of a malfunctioning machine.) It is estimated approximately 14 juice dispensers will be needed for all locations.

2. CUPS:

Vendors must furnish, supply, and deliver rolled rim, four (4) ounce practical-fill wax-treated cups, imprinted per the attached sample. All imprinting shall be a (4) four-color graphic design with the lettering that wraps around the cup itself. The design and lettering is the property of the Florida Department of Citrus, which is provided to VISIT FLORIDA for use at the Official Florida Welcome Centers. Camera ready artwork will be provided for the production of these cups.

3. JUICE:

All juice must be 100% All-Florida product. Juice must be properly identified on the outside of the packaging as 100% All-Florida product.

NFC ORANGE JUICE (Pasteurized Single Strength):

Physical and chemical Specifications:

	Higher Quality	Good Quality
Min. Brix.	11.5	11.0
Min. Ratio	14.1	12.5
Max Ratio	19.5	19.5
Min. Color	37	36
Min. Flavor	37	36
Min. Defects	19	18
Min. Score	93	90
Max. Bottom Pulp	12%	12%
Floating Pulp	0-6 grams	0-6 grams
Min. Oil	0.010%	0.010%
Max Oil	0.020%	0.025%

Contains: No Off-Flavor Notes
Typical Orange Flavor and Aroma

Microbiological Specifications:

Colony Forming Units (CFU) Less than 100/ml juice
(On Orange Serum Agar)

Packaging:
Should follow previous specification with the added specification that package should be of a size to hold a volume of juice no greater than the volume of the dispenser.

Storage:
Juice should be stored at temperatures as near as possible to 32 F (0 C) but never higher than 40 F (4 C).

Shipping
This product will be shipped and maintained at between 30 and 35 degrees Fahrenheit, only in trucks or compartments of ships in order to maintain the product's physical and chemical attributes. All methods of transportation will be clean, dry and free from conditions that could result in contamination of the product.

An official USDA inspection sheet covering the concentrate will be supplied to the buyer upon request.

NFC GRAPEFRUIT JUICE (Pasteurized Single Strength):

Physical and chemical Specifications:

	Higher Quality	Good Quality
Min. Brix.	9.5	9.0
Min. Ratio	10.5	9.0
Max Ratio	11.0	11.0
Max. Naringin (Davis) ppm	450	550
Max. Limonin (HPLC) ppm	3.5	4.5
Max. Recoverable Oils	0.015%	0.015%
Total Centrifuge solids	10%	10%
Min. Defects	19	18
Min. color	18	18
Min. Flavor	58	56
Min. Score	95	92

Contains: No Off-Flavor Notes

Typical Grapefruit Flavor and Aroma

Microbiological Specifications:
Colony Forming Units (CFU) Less than 100/ml juice
(On Orange Serum Agar)

Packaging:
Should follow previous specification with the added specification that package should be of a size to hold a volume of juice no greater than the volume of the dispenser.

Storage:
Juice should be stored at temperatures as near as possible to 32 F (0 C) but never higher than 40 F (4 C).

Maintenance:
Scheduled routine maintenance by the vendor should be done quarterly throughout the year on all of the citrus juice vending machines at the four highway Welcome Centers.

Shipping
This product will be shipped and maintained at between 30 and 35 degrees Fahrenheit, only in trucks or compartments of ships in order to maintain the product's physical and chemical attributes. All methods of transportation will be clean, dry and free from conditions that could result in contamination of the product.

An official USDA inspection sheet covering the concentrate will be supplied to the buyer upon request.

- DELIVERY:
Delivery of the juice, cups, and dispensers shall be F.O.B., destination to the Official Florida Welcome Centers as listed below. All deliveries should be "Inside Deliveries". Deliveries to the welcome centers are to be made on a schedule that is mutually agreed upon by both parties. The vendor is responsible for providing VISIT FLORIDA with an adequate supply of juice, cups, and dispensers at all times.

Please use the attached Quote Sheet and submit quotes to:

**Section XII
Miscellaneous**

DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

“Local Projects”

The Florida Department of Agriculture and Consumer Services is accepting applications for state funding of grants and aid to local communities for the construction and/or renovation of agricultural education and promotional facilities pursuant to Section 288.1175, Florida Statutes. The applicant must be a unit of local government as defined in Section 18.369, F.S., or a fair association as defined in Section 616.001(9), F.S. Applications for certification as an agriculture and promotion facility to be evaluated for inclusion in the Department’s budget must be received by the Department no later than October 1, 2008. To obtain an application, please contact: Mr. Craig Christ at (850)921-1992, or e-mail him at christc@doacs.state.fl.us.

DEPARTMENT OF COMMUNITY AFFAIRS

**NOTICE OF INTENT TO FIND PUBLIC SCHOOLS
INTERLOCAL AGREEMENT CONSISTENT WITH
SECTION 163.3177(2), FLORIDA STATUTES
DCA DOCKET NO. 41-01**

The Department gives notice of its intent to find the Public Schools Interlocal Agreement (“Agreement”) executed between the Manatee County School Board and each of the following local governments: Manatee County, Bradenton, Holmes Beach, Palmetto and Longboat Key pursuant to Section 163.31777, F.S., to be consistent with the minimum requirements of Sections 163.31777(2) and (3), F.S.

The Agreement is available for public inspection Monday through Friday, except for legal holidays, during normal business hours, at the Manatee County Planning Department, 1112 Manatee Avenue West, Fourth Floor, Bradenton, Florida 34206.

Any affected person, as defined in Section 163.31777(3)(b), F.S., has a right to petition for an administrative hearing to challenge the proposed agency determination that the Agreement is consistent with the minimum requirements of Section 163.31777(2), F.S. The petition must be filed within twenty-one (21) days after publication of this notice in the Florida Administrative Weekly, and must include all of the information and contents described in Uniform Rule 28-106.201, F.A.C. The petition must be filed with the: Agency Clerk, Department of Community Affairs, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100, and a copy mailed or delivered to Manatee County School Board, Manatee County. Failure to timely file a petition shall constitute a waiver of any right to request an
