WATER QUALITY EXEMPTION**

The Department of Environmental Protection gives notice of its intent to grant (renew) an exemption from the Class G-II ground water standard for sodium pursuant to Rule 62-520.500, Florida Administrative Code (F.A.C.), as part of industrial wastewater Permit No. FL0001538 to the Florida Power and Light Company's, Port Everglades Power Plant, 8100 Eisenhower Boulevard, Fort Lauderdale, Florida 33316. The exemption is for the permitted discharge of treated industrial wastewater to Class G-II ground water. The exemption is granted for the duration of FPL's industrial wastewater Permit No. FL0001538, and made a part of said permit. The applicant, in conjunction with industrial wastewater Permit No. FL0001538, must petition for any future exemptions.

A person whose substantial interests are affected by the Department's proposed exemption decision may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, Florida Statutes. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, within 21 days of publication of this notice. The petitioner must mail a copy of the petition to the applicant: Mr. Andy Flajole, PGD Environmental Specialist, Florida Power and Light, 700 Universe Boulevard (GPA/JB), Juno Beach, Florida 33408-2657, at the time of filing at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will only be at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts on which the Department's action is based must contain the following information:

- (a) The name, address, and telephone number of each petitioner; the name, address, and telephone number of the petitioner's representative, if any; the Department case or identification number and the county in which the subject matter or activity is located;
- (b) A statement of when and how each petitioner received notice of the Department action;

- (c) A statement of how each petitioner's substantial interests are affected by the Department action;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A statement of facts that the petitioner contends warrants reversal or modification of the Department action;
- (f) A concise statement of the ultimate facts alleged, as well as the Rules and statutes which entitle the petitioner to relief; and
- (g) Demand for relief (sought by the petitioner, stating precisely the action that the petitioner wants the Department to take).

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the Department on the petition have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available for this proceeding.

The application is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at: Department's Tallahassee Office, 2600 Blair Stone Road, Room 232B, Tallahassee, Florida 32399-2400; telephone Mr. David James at (850)245-8648.
