DCA Final Order No.: DCA09-OR-008  
In re: LAKE COUNTY LAND DEVELOPMENT  
REGULATIONS APPROVED BY  
LAKE COUNTY ORDINANCE

\_\_\_\_\_  
FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to Section 380.05(6) and (11), Florida Statutes, (2007), partially approving and partially rejecting land development regulations adopted by a local government within the Green Swamp Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Green Swamp Area is a statutorily designated area of critical state concern, and Lake County is a local government within the Green Swamp Area. Section 380.0551(1), Florida Statutes (2008).
2. On November 17, 2008, the Department received for review the Lake County Land Development Code which consists of a compilation of land development regulations previously adopted<sup>1</sup>[1] through Ordinances ("Ordinances") by the Lake County Board of County Commissioners. See Exhibit 1. The Lake County Land Development Code is identified as Chapters 1 through 10 with implementing Sections.
3. Lake County failed to render certain land development regulations to the Department for consistency review as required by Chapter 9J-1, Florida Administrative Code, which did not become effective under Section 380.05(6), Florida Statutes (2008), until a Final Order issues.
4. The Lake County Land Development Code contains definitions, administrative procedures, a list of zoning districts for each future land use district, conditions for certain types of approval, buffer set backs from environmentally sensitive lands, open space definitions, impervious surfaces in the Green Swamp, concurrency requirements, minimum requirements for road access, level of service standards, accessory uses, and general guidance for administering growth decisions.

CONCLUSIONS OF LAW

5. The Department is required to approve or Reject land development regulations that are enacted, amended or rescinded by any local government in the Green Swamp Area of Critical State Concern. Sections 380.05(6) and (11), Florida Statutes (2002).
6. Lake County is a local government within the Green Swamp Area of Critical State Concern. Section 380.0551, Florida Statutes (2007) and Rule Chapter 28-26, Florida Administrative Code.
7. "Land development regulations" include local zoning, subdivision, building and other regulations controlling the development of land. Section 380.031(8), Florida Statutes (2007). The regulations adopted by the Ordinances are land development regulations.
8. All land development regulations enacted, amended or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. Section 380.05(6), Florida Statutes; see Rathkamp v. Department of Community Affairs, 21 F.A.L.R. 1902 (Dec. 4, 1998), aff'd, 740 So. 2d 1209 (Fla. 3d DCA 1999). The principles for guiding development in the Green Swamp Area of Critical State Concern are set forth in Rule 28-26.003, Florida Administrative Code. ("Principles").
