STATE BOARD OF ADMINISTRATION

NOTICE IS HEREBY GIVEN by the State Board of Administration of Florida (the Board) of the estimated borrowing capacity, estimated claims-paying capacity, and projected balance of the Florida Hurricane Catastrophe Fund (the Fund) as of December 31, 2009, in compliance with the requirements of Section 215.555(4)(c)2., Florida Statutes. The projected year-end balance on December 31, 2009, is estimated to be \$4.498 billion, which represents the amount of assets available to pay claims, not including any bond proceeds, resulting from Covered Events which may occur during the June 1, 2009 through May 31, 2010 Contract Year. The Fund's projected post-event borrowing capacity estimate is \$11 billion. Given the current state of the financial markets, the range of potential borrowing capacity estimates is dependent on many factors, such as: the size of the event, the markets accessed, the time necessary to access such markets, and the interest rates utilized. The estimated borrowing capacity and projected available year-end cash balance, together with other liquid resources, provides the Fund with a total estimated claims-paying capacity of \$18.998 billion over the next twelve months. Greater detail can be obtained in the "October 2009 Estimated Claims Paying Capacity Report," which can be found on the Fund's website at www.sbafla.com/fhcf/ under "Bonding Program." The obligation of the Board for the payment of reimbursable losses is limited in Section 215.555(4)(c)2., Florida Statutes, and shall not exceed the actual claims-paying capacity of the Fund. The Board recognizes that its good faith estimate is being made while highly volatile global financial market conditions exist; therefore, changing market conditions can dramatically impact the Fund's actual claims-paying capacity either positively or negatively. Current conditions may or may not be the same if and when the Board determines that it is necessary to seek the issuance of revenue bonds.

SECURITIES LITIGATION COUNSEL SEARCH

The State Board of Administration of Florida (the "SBA") is seeking responses to an Invitation To Negotiate ("ITN") from law firms that are interested and qualified to provide legal representation to the SBA on matters relating to securities

litigation (class actions, opt-out and individual actions and derivative actions). The SBA is a constitutional entity that acts as investment fiduciary for the Florida Retirement System Trust Fund and other state and local funds. As of July 31, 2009, the SBA had \$126.87 billion total assets under management.

The ITN will available on Monday, October 19, 2009, and responses are due no later than 5:00 p.m. EST on Tuesday, November 3, 2009. The ITN is posted and available on the SBA's website at www.sbafla.com under the tab labeled "Vendors."

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Notices for the Department of Environmental Protection between December 28, 2001 and June 30, 2006, go to <http://www.dep.state.fl.us/> under the link or button titled "Official Notices."

**NOTICE OF AVAILABILITY
 FLORIDA REAFFIRMATION NOTICE
 MINNEOLA, FLORIDA**

The Department of Environmental Protection has determined that the City of Minneola proposed project for construction of wastewater collection and transmission facilities will not have

a significant adverse impact on the environment. The project cost is estimated at \$1,200,000. The project is expected to qualify for a State Revolving Fund loan composed of federal and state matching funds.

A full copy of the Florida Reaffirmation Notice can be obtained by writing to: Bob Ballard, Bureau of Water Facilities Funding, Department of Environmental Protection, 2600 Blair Stone Road, MS #3505, Tallahassee, Florida 32399-2400, (850)245-8358.

The Department of Environmental Protection gives notice of its intent to grant an exemption from the Class G-II ground water standards for color, iron, and odor pursuant to Rule 62-520.500, F.A.C., as part of the Class V underground injection control construction Permit Number 0127837-008-UC for the Miami-Dade Water and Sewer Department (MDWASD), 3071 S. W. 38th Avenue, Miami, Florida 33146. The exemption is for the aquifer storage and recovery (ASR) project injecting ground water from the Biscayne aquifer into Class G-II ground water. The ASR facility is located 1/2 mile west of the intersection of S. W. 72nd Street and S. W. 167th Avenue in unincorporated Miami-Dade County. The exemption is granted for the duration of MDWASD's underground injection control construction permit number 0127837-008-UC for ASR-1, 2, and 3, subsequent renewals of said permit, and future construction permits to conduct cycle testing on ASR-1, 2, and 3 and is made a part of the permit. The applicant, in conjunction with the Permit Number 0127837-008-UC, must petition for any future exemptions for any additional ASR wells or an operation permit for any ASR project at the facility.

A person whose substantial interests are affected by the Department's proposed exemption decision may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, Florida Statutes. The petition must contain the information set forth below and must be filed (received) in the: Office of General Counsel of the Department, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, within 21 days of publication of this notice. The petitioner must mail a copy of the petition to the applicant: Miami-Dade Water and Sewer Department, Mr. Rafael A. Terrero, Assistant Director of Water System Operations, 3071 S. W. 38th Avenue, Miami, Florida 33146, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, Florida Statutes, or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will only be at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts on which the Department's action is based must contain the following information:

- (a) The name, address, and telephone number of each petitioner; the name, address, and telephone number of the petitioner's representative, if any; the Department case or identification number and the county in which the subject matter or activity is located;
- (b) A statement of when and how each petitioner received notice of the Department action;
- (c) A statement of how each petitioner's substantial interests are affected by the Department action;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A statement of facts that the petitioner contends warrant reversal or modification of the Department action;
- (f) A concise statement of the ultimate facts alleged, as well as the rules and statutes which entitle the petitioner to relief; and
- (g) Demand for relief (sought by the petitioner, stating precisely the action that the petitioner wants the Department to take).

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the Department on the petitions have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available for this proceeding.

The application is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the: Florida Department of Environmental Protection, 2600 Blairstone Road, Room 212E, Tallahassee, Florida 32399-2400 or contact: Joe Haberfeld at (850)245-8655.
