DEPARTMENT OF EDUCATION

Project: UF-212, (Newell Hall & Annex Renovation/ Rehabilitation)

NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the discipline of architecture will be required for the project listed below:

Project: UF-212, (Newell Hall & Annex Renovation/Rehabilitation)

The project consists of the renovation and rehabilitation of Newell Hall and Annex to create a Student Learning Commons. Newell Hall was built in 1910 as the Florida Experiment Station and is the third oldest building on campus. Newell Hall and the Annex total approximately 34,200 GSF. Newell Hall is one of the oldest UF buildings recorded in the U.S. National Register of Historic Places. The renovation will include individual and group study spaces as well as a variety of seating areas for informal student study. The Annex will become a graduate study area. Wireless Internet access will be available throughout the building. The project will transform this historic, but energy inefficient, building and give it a new purpose.

The estimated construction budget is approximately \$9M, including site improvements and landscaping. The project will be delivered using the Construction Manager At Risk method and construction shall be "fast-tracked" to start by August 2010 and end no later than April 2011. GOLD LEED EB (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory. PLATINUM IS PREFERRED.

The selected firm will provide design, construction documents and construction administration services for the referenced project. Plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Blanket design professional liability insurance will be required from the architect, mechanical, electrical, plumbing, fire protection and structural engineering sub-consultants for this project and will be provided as a part of Basic Services.

Applicants will be evaluated on the basis of their past performance, experience, personnel, design ability, references, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant and its landscape architectural and engineering consultants must possess current design licenses from the appropriate governing board and be properly registered to practice its profession in the State of Florida. If the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the PQS Instructions and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, design intent, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.

2. A completed, project-specific "Professional Qualifications Supplement" (PQS) proposal with signed certification. Applications on any other form will not be considered.
3. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff (applicant and consultants).
4. Proof of the applicant's corporate status in Florida (if applicable) and copies of current licenses for applicant and all engineering and landscape architecture consultants from the appropriate governing board.
5. Proof of the applicant's and all engineering consultants' ability to be insured for the level of professional liability coverage demanded for this project.

As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected professional must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

Additional information to assist the applicant in preparing a complete proposal – including the project-specific PQS forms, instructions, Project Fact Sheet, facilities program, UF Design Services Guide, UF Design and Construction Standards, standard University of Florida Owner-Professional agreement, and other project and process information – can be found on the Facilities Planning & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning & Construction office by 3:00 p.m. (Local Time), Thursday, March 11, 2010. Facsimile (FAX) submittals are not acceptable and will not be considered.

NOTICE TO PROFESSIONAL CONSULTANTS

Florida State University, State of Florida, announces that professional services are required in the discipline of structural engineering for minor projects, and threshold inspections for major projects. Minor projects are specific projects for construction, renovation, alterations or additions that have a basic construction budget estimated to be \$2,000,000 or less; or studies for which the fee for professional services is

\$200,000 or less. Campus Service contracts for minor projects provide that the consultant will be available on an as-needed basis. The University intends to award multiple contracts for the upcoming fiscal year through June 30, 2011. At the option of the University and the consultant, the contract may be renewed for up to two additional one year periods.

INSTRUCTIONS:

Firms desiring to provide professional services shall apply by letter specifying the campus service agreement for which they are applying. Proximity of location will be a prime factor in the selection of the firm.

Attach to each letter of application:

1. A completed Florida State University "Professional Qualifications Supplement," dated August, 2003. Applications on any other form, on versions dated prior to August, 2003, or exceeding the 40 page limit will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered in the State of Florida to practice the required profession at the time of application. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit five (5) copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions will not be considered. Application material will not be returned.

Submittals must be received at the Facilities Design & Construction Office address below, by 2:00 p.m. (Local Time), Wednesday, March 3, 2010. Facsimile (FAX) submittals are not acceptable and will not be considered.

Professional Qualification Supplements, descriptive project information, and selection criteria may be obtained through our website: www.fpc.fsu.edu or by contacting: Lynetta Mills, Facilities Design & Construction, 109 Mendenhall Building A, Florida State University, Tallahassee, Florida 32306-4152, (850)644-2843 telephone, (850)644-8351 facsimile.

For further information on campus service projects, contact: Bill Lamb at the address and phone number above.

The plans and specifications for campus service projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

consultant in excess of \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Request for Qualifications
RFQ 10-13

Student Wellness and Sports Education Center

The University of North Florida – Board of Trustees, a public body corporate, announces that Construction Management Services will be required for the Student Wellness and Sport Education Center to be located at University of North Florida, 1 UNF Drive, Jacksonville, FL 32224.

The project consists of approximately 116,000 gross square feet of new construction in several phases. The facility will be a multi-story building designed to be compatible with the existing campus architecture. The project site is adjacent to the Dottie Dorion fitness center which is north of the new Student Union and west of the existing Arena. The Center's purpose is to enhance the quality of life for the University's student body, faculty, and staff by accommodating a wide variety of activities and educational opportunities. This facility will include dedicated group fitness space, recreational sports activity space, free weights and weight machine spaces. There will be dedicated space for indoor sports including basketball/volleyball/racquetball, boulder climbing, classrooms, passive activity space, retail space, physical health assessment and counseling space plus administrative spaces.

Programming for this facility has been completed by the joint venture firm of PSA Dewberry and Borelli & Partners and will be made available on the consultants' Website.

It has been determined that this facility will be constructed in three phases corresponding to funding availability. The details of each phase will be the initial activity undertaken by the selected CM firm. It is also the goal to construct this facility to the highest possible level of LEED Certification, within the available budget.

The preliminary tentative schedule for this RFQ:

| | |
|--------------------------|--------------------------|
| Advertisement | January 29, 2010 |
| Submissions due | March 1, 2010, 2:00 p.m. |
| Questions due | February 23, 2010 |
| Evaluation/Short listing | March 2010 |
| Interviews/Award | March/April 2010 |

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application with all of the appropriate documents from RFQ 10-13 CM Services – Student Wellness and Sports Education Center Building:

The letter of application should have attached:

1. The most recent version of the “UNF Construction Manager Qualifications Supplement,” completed by the applicant. Applications on any other form will not be considered. Evaluation criteria is detailed in the RFQ 10-13 document.
2. A copy of the applicant’s current Florida Contractor’s License from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.
3. Submit seven (7) complete copies of the above requested data bound and in the order listed above. Applications which do not comply with the above instructions will be disqualified. Application materials will not be returned.

Minority Business participation is strongly recommended and supported by the University of North Florida.

As required by Section 287.133, Florida Statutes, a construction manager may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction manager must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Construction Manager Qualifications Supplemental forms, descriptive project information, and additional information may be obtained electronically online at the UNF Purchasing department website http://www.unf.edu/anf/purchasing/bids_and_notices.aspx or by emailing:

| | | |
|----------------------|-----------------------------|---------------------|
| Dianna White | AND | Angela Dyal |
| Dianna.white@unf.edu | University of North Florida | angela.dyal@unf.edu |
| (904)620-1731 | Purchasing Department | (904)620-1733 |
| | Bldg. 53, Suite 2950 | |
| | 1 UNF Drive | |
| | Jacksonville, FL 32224 | |

Submit seven (7) complete copies of submittals to the above referenced address. RFQ submittals must be received no later than 2:00 p.m. (Local Time), March 1, 2010. Facsimile (FAX) or email submittals are not acceptable and will not be considered.

PUBLIC ANNOUNCEMENT OF A/E SELECTION RESULTS

The Florida School for the Deaf and the Blind announces its intention to negotiate, in accordance with the Consultants Competitive Negotiation Act, for the following:

- PROJECT NUMBER: 20100002
 PROJECT NAME: Engineering Services for Campus Infrastructure Bulkhead
1. Taylor Engineering, Inc.
 2. Structures International, LLC.
 3. Bergmann Associates

BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND
