**Section IV
Emergency Rules**

DEPARTMENT OF REVENUE

Sales and Use Tax

RULE NO.:	RULE TITLE:
12AER10-6	Florida Communications Services Tax Returns for Services Billed On or After August 1, 2010

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Chapter 2010-149, L.O.F., provides that for communications services billed on or after August 1, 2010, the state portion of the Florida communications services tax rate for certain services is reduced 0.15 percent from 6.8 percent to 6.65 percent, and the gross receipts tax rate on those services has increased 0.15 percent from 2.37 percent to 2.52 percent. Communications services billed to a residential household on or after August 1, 2010, will be subject to the 2.37 percent gross receipts tax and will remain exempt from the 6.65 percent state portion of the tax. Such services will also be exempt from the additional gross receipts tax rate of 0.15 percent, ensuring that no person will pay any additional tax.

Section 4, Chapter 2010-138, L.O.F., clarifies that the residential exemption from the communications services tax does not include any transient public lodging establishment.

Effective July 1, 2010, Chapter 2010-83, L.O.F., allows communications services tax dealers to use a proportionate method to allocate bad debts bases on current gross taxes due to determine the amount of bad debt that is attributable to the state and to the local jurisdiction or another reasonable allocation method that has been approved by the Department. Dealers report the bad debt credit on Form DR-700016, Florida Communications Services Tax Return, by deducting the bad debt credit from the state tax or from the local jurisdiction tax due to the Department. The amount of the credit deducted and reported on the return is limited to the amount of state tax due or the amount of local jurisdiction tax due.

Section 6, Chapter 2010-149, L.O.F., authorizes the Department of Revenue, and all conditions are deemed met, to adopt an emergency rule to promulgate forms and instructions necessary to report the communications services tax. The law allows a communications services dealer to collect a combined 6.8 percent tax rate comprised of the state tax rate of 6.65 percent and the additional gross receipts tax rate of 0.15 percent if the components of the tax collected are properly shown on the dealer's tax return. To provide communications services tax dealers and taxpayers who pay tax directly to the Department the necessary form changes to report and remit tax due on communications services beginning August 1, 2010, an emergency rule to incorporate updated tax returns ensures that the public is notified of these law changes by the most appropriate and expedient means. This emergency rule incorporates, by reference, Form DR-700016, Florida Communications Services Tax Return, and Form DR-700019, Communications Services Use Tax Return, effective August 2010, and the instructions to report tax due on communications services billed, including the residential exemption, and to report bad debt credits consistent with the provisions of Chapter 2010-83, L.O.F.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The Legislature expressly authorized in Section 6, Chapter 2010-149, L.O.F., the promulgation of an emergency rule by the Department to provide forms and instructions to report and remit tax due on communications services billed on or after August 1, 2010. The promulgation of this emergency rule, incorporating by reference forms used to report and remit Florida communications services tax and local communications services tax, ensures that the public is notified by the most appropriate and expedient means regarding changes to the tax returns used by the Department for properly reporting the components of the tax collected on the return and for allocating bad debt credits to state and local jurisdictions.

SUMMARY: Emergency Rule 12AER10-6, F.A.C. (Florida Communications Services Tax Returns for Services Billed On or After August 1, 2010), incorporates, by reference Form DR-700016, Florida Communications Services Tax Return, and Form DR-700019, Communications Services Use Tax Return, effective August 2010, and the instructions to report tax due on communications services billed on or after August 1, 2010. The instructions to Form DR-700019 provide: (1) for the components of the communications services tax collected to be shown on the return, as provided in Chapter 2010-149, L.O.F.; (2) that the residential exemption from the communications services tax does not include any transient public lodging establishment, as clarified in section 4, Chapter 2010-138, L.O.F.; and (3) for the reporting of bad debt credits consistent with the provisions of Chapter 2010-83, L.O.F.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Heather Miller, Tax Law Specialist, Technical Assistance and Dispute Resolution, Department of Revenue, P. O. Box 7443, Tallahassee, Florida 32314-7443, telephone (850)922-4835

NOTICE IS HEREBY GIVEN THAT on July 23, 2010, the St. Johns River Water Management District's Governing Board has issued an order.

The District granted a variance under Section 120.542, F.S. (SJRWMD FOR #2009-85), to Jack Gregory (Petitioner) regarding a project known as "The Preserve at Oak Lake." The Petition for Variance was received by SJRWMD on September 16, 2009. Notice of receipt of the petition requesting the variance was published in the Florida Administrative Weekly, Vol. 35, No. 40 on October 9, 2009. No public comment was received. This order provides a variance from Section 12.4.5(d) of the Applicant's Handbook: Management and Storage of Surface Waters (February 16, 2010). This rule prohibits the withdrawal of mitigation bank credits if at any time the mitigation banker is not in material compliance with the terms of the mitigation bank permit. Generally, the Order sets forth the basis of the District's decision to grant the variance as follows: 1) requiring Petitioner to comply with these rules would violate principles of fairness, and 2) environmental benefits associated with the mitigation bank credits that Petitioner seeks to use have already been achieved, consistent with the purpose of Chapter 373, Florida Statutes.

A copy of the Order may be obtained by contacting: Karen C. Coffman, Assistant General Counsel, Office of General Counsel, St. Johns River Water Management District, 4049 Reid Street, Palatka, Florida 32177-2529, (386)329-4288.

DCA Final Order No.: DCA10-OR-154

In Re: MONROE COUNTY LAND DEVELOPMENT REGULATIONS ADOPTED BY MONROE COUNTY ORDINANCE NO. 018-2010

FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to Section 380.05(6) and Section 380.0552(9), Florida Statutes (2009), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and Monroe County is a local government within the Florida Keys Area.
2. On June 7, 2010, the Department received for review Monroe County Ordinance No. 018-2010 ("Ord. 018-2010"), adopted by Monroe County on May 19, 2010.
3. The purpose of Ord. No.: 018-2010 is to amend the sunset date for A-Frame Signs in Monroe County Code Section 142-4, for signs that are allowed on commercial lots along US Highway 1 to provide greater visibility.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. Section 380.05(6), Florida Statutes, and Section 380.0552(9), Florida Statutes (2009).
5. Monroe County is a local government within the Florida Keys Area of Critical State Concern. Section 380.0552, Florida Statutes (2009) and Rule 28-29.002 (superseding Chapter 27F-8), Florida Administrative Code.
6. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. Section 380.031(8), Florida Statutes (2009). The regulations adopted by Ord. 018-2010 are land development regulations.
7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in Section 380.0552(7), Florida Statutes. See *Rathkamp v. Department of*

Community Affairs, 21 F.A.L.R. 1902 (Dec. 4, 1998), aff'd, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.

8. Ord. 018-2010 promotes and furthers the following Principles:
 - (a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.
9. Ord. 018-2010 is consistent with the Principles for Guiding Development as a whole.
10. Ord. 018-2010 furthers Monroe County Comprehensive Plan and is not inconsistent with the Comprehensive Plan.

WHEREFORE, IT IS ORDERED that Ord. 018-2010 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Notices for the Department of Environmental Protection between December 28, 2001 and June 30, 2006, go to <http://www.dep.state.fl.us/> under the link or button titled "Official Notices."

The Department of Environmental Protection (Department) gives notice of its intent to grant a variance, File #0155875-023-EV-VE, to Mosaic Fertilizer, LLC (Mosaic), 13830 Circa Crossing Drive, Lithia, Florida 33547, under Section 403.201(1)(a), Florida Statutes (F.S.), from the provisions of Rule 62-302.530, Florida Administrative Code (F.A.C), which provides minimum standards for dissolved oxygen levels in surface waters. This variance, File No.: 0155875-023-EV-VE, will apply to dissolved oxygen levels in the hypolimnion (the deepest layer) in the man-made lakes proposed in Wetland Resource Permit modification application #0155875-020 and the Conceptual Reclamation Plan modification designated MOS-FCL-CPH, Four Corners Lonesome Mine. The low dissolved oxygen levels in the hypolimnion of the man-made lakes are not expected to result in any on-site or off-site impacts. Oxygen levels in the upper

layers of the lakes are expected to meet the requirements of Rule 62-302.530, F.A.C., and be adequate to support healthy fish populations. Mediation is not available.

The files associated with this order are available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the: Bureau of Mining and Minerals Regulation, 2051 East Dirac Drive, Tallahassee, Florida 32310-3760. A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received by the clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000.

Under subsection 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with: Office of General Counsel of the Department, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, before the applicable deadline. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. If a request is filed late, the Department may still grant it upon a motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect.

If a timely and sufficient petition for an administrative hearing is filed, other persons whose substantial interests will be affected by the outcome of the administrative process have the right to petition to intervene in the proceeding. Intervention will be permitted only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

In accordance with Section 403.201, F.S., petitions for an administrative hearing by the applicant must be filed within 14 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first. Under Section 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition for an administrative hearing within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57,

F.S. A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) the name and address of each agency affected and each agency's file or identification number, if known; (b) the name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) a statement of when and how the petitioner received notice of the agency decision; (d) a statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) a concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action; (f) a statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and (g) a statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C. Under Sections 120.569(2)(c) and (d), F.S., a petition for administrative hearing must be dismissed by the agency if the petition does not substantially comply with the above requirements or is untimely filed.

This intent to grant a variance constitutes an order of the Department. Subject to the provisions of Section 120.68(7)(a), F.S., which may require a remand for an administrative hearing, the applicant has the right to seek judicial review of the order under Section 120.68, F.S., by the filing of a notice of appeal under Rule 9.110 of the Florida Rules of Appellate Procedure with the: Clerk of the Department, Office of General Counsel, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000; and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within 30 days from the date when the order is filed with the Clerk of the Department.

The Department of Environmental Protection (Department) gives notice of its intent to grant a variance, File #0155875-037, to Mosaic Fertilizer, LLC (Mosaic), 13830 Circa Crossing Drive, Lithia, Florida 33547, under Section 378.212(1)(b), Florida Statutes (F.S.), from the posting of security on the number of acres the applicant must reclaim at Four Corners Lonesome Mine during the current (2010-2014) five-year period required by portions of Section 378.208(2)(f),

F.S., and paragraph 62C-16.0075(1)(b), Florida Administrative Code (F.A.C.). Environmentally beneficial efforts to reuse existing clay settling areas have reduced the need for five new clay settling areas that would have been 3,464 acres. However, continued long-term use of land for clay settling has delayed reclamation of existing areas and reduced the ability of Mosaic to meet the rate of reclamation. Based on the efforts to reuse existing clay settling areas, the Department has determined that there exists sufficient justification for granting approval of a variance for a five-year period ending December 31, 2015. Mosaic will be required to post \$18,697,788 in security for 2,224.7 acres that were not reclaimed during the 2005-2009 five-year period. Mediation is not available.

The files associated with this order are available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Bureau of Mining and Minerals Regulation, 2051 East Dirac Drive, Tallahassee, Florida 32310-3760.

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received by the clerk) in the: Office of General Counsel of the Department, 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000.

Under subsection 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the: Office of General Counsel of the Department, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, before the applicable deadline. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. If a request is filed late, the Department may still grant it upon a motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect.

If a timely and sufficient petition for an administrative hearing is filed, other persons whose substantial interests will be affected by the outcome of the administrative process have the right to petition to intervene in the proceeding. Intervention will be permitted only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

In accordance with Section 378.212(3), F.S., petitions for an administrative hearing by the applicant must be filed within 14 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first. Under

Section 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition for an administrative hearing within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S. A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) the name and address of each agency affected and each agency's file or identification number, if known; (b) the name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) a statement of when and how the petitioner received notice of the agency decision; (d) a statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) a concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action; (f) a statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and (g) a statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C. Under Sections 120.569(2)(c) and (d), F.S., a petition for administrative hearing must be dismissed by the agency if the petition does not substantially comply with the above requirements or is untimely filed.

This intent to grant a variance constitutes an order of the Department. Subject to the provisions of Section 120.68(7)(a), F.S, which may require a remand for an administrative hearing, the applicant has the right to seek judicial review of the order under Section 120.68, F.S., by the filing of a notice of appeal under Rule 9.110 of the Florida Rules of Appellate Procedure with the: Clerk of the Department, Office of General Counsel, 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399 3000; and by filing a copy of the notice of appeal accompanied by the applicable filing fees with

the appropriate district court of appeal. The notice of appeal must be filed within 30 days from the date when the order is filed with the Clerk of the Department.
