DEPARTMENT OF EDUCATION

NOTICE TO ARCHITECT/ENGINEERS

The Florida International University Board of Trustees announces that services in the discipline of Architecture/Engineering are required for the project identified below:

Project Name
and Number: BT-814 STOCKER ASTROSCIENCE CENTER
Project Location: Modesto A. Maidique Campus (MMC)
Miami, Florida

Project Description:
This new facility will have a permanently mounted telescope for advanced astronomy students. The main observatory level will be raised above the ground lights, at least 4 stories high. The site will have a limited footprint (25 feet wide) and is adjacent to the Chemistry & Physics and the Owa Ehan buildings. The structure be a tower with a small footprint and rise above the adjacent three story buildings. Spaces required include:

- A rooftop, open air observing pad capable of supporting at least 45 students and 7 telescope mounts. The space must have visibility at least 20 degrees above all horizons. Wheelchair accessible.

- A dome to permanently mount a larger telescope for advanced classes and public outreach.
- An enclosed area immediately below the open air observing pad to store and repair the smaller telescopes, and also area there to address students before observing.
- A laboratory room on the ground floor with computer stations for indoor astronomy labs.
- Office spaces for faculty, students and computer labs.
- An exhibit hall/entry way underneath the dome for public programs, exhibits and receptions.

The AstroScience Center’s observing pad will serve as a place to teach astronomy, enhance research opportunities for advanced students and also be an asset to FIU’s extensive public outreach endeavors.

Plans for future expansion may include a planetarium to the south and southeast of the tower.

Construction cost is estimated to be approximately \$1,800,000.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application. The letter of application should have attached:

1. A completed “Florida International University Professional Qualifications Supplement (FIUPQS).” The official FIUPQS forms must be downloaded from the FIU web site at <http://facilities.fiu.edu/projects/BT-814.htm>. Applications on any other form will not be considered.
2. A copy of the applicant’s current Professional Registration Certificate from the appropriate Governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit Seven (7) bound copies of the required proposal data and one CD copy in Adobe Acrobat PDF format of the requested qualifications to: Selection Committee, Florida International University, Real Estate Development and Planning, Campus Support Complex, 11555 S. W. 17th St., Room CSC142, Modesto A. Maidique Campus, Miami, Florida 33199. Applications that do not comply with the above instructions will not be considered. Application material will not be returned. The University reserves the right to suspend or discontinue the selection process at any time and to return or reject any or all submissions of qualifications without obligation to the respondent. The award of this contract is subject to availability of funds.

The plans and specifications prepared by the A/E are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in

excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

FIU HAS CREATED STANDARD CONTRACT FORMS AND STANDARD INSURANCE REQUIREMENTS APPLICABLE TO A/E’S FOR A/E SERVICES TO PROVIDE FOR AN EFFICIENT AND EFFECTIVE PROCESS. THESE FORMS ARE AVAILABLE FOR REVIEW AND CAN BE FOUND AT: <http://facilities.fiu.edu/projects/BT-814.htm>.

ALL APPLICANTS SHOULD REVIEW THE APPLICABLE FIU CONTRACT FORM AND STANDARD INSURANCE REQUIREMENTS CAREFULLY PRIOR TO MAKING A DECISION AS TO WHETHER OR NOT TO RESPOND TO THIS ADVERTISEMENT.

The Project Fact Sheet, which describes the selection process schedule for this Project and additional information regarding the Project scope, may be obtained from the website: <http://facilities.fiu.edu/projects/BT-814.htm>. Requests for meetings by individual firms will not be granted. Once the firm acquires the required forms, questions may be directed to: Real Estate Development and Planning at (305)348-4090 or via email: griffith@fiu.edu.

Submittals must be received between 8:30 a.m. and 12:30 p.m. or 1:30 p.m and 4:00 p.m. (Local Time), Friday, September 24, 2010. Submittals will not be accepted before or after the times and date stated above. Facsimile (FAX) submittals are not acceptable and will not be considered.

EXPRESSWAY AUTHORITIES

REQUEST FOR LETTERS OF INTEREST AND QUALIFICATIONS ("RFQ") – GENERAL ENGINEERING CONSULTANT – CONTRACT NO: 19.23-10

The Tampa-Hillsborough County Expressway Authority (Authority or THEA) requires a General Engineering Consultant (Firm or Consultant) to provide on an as-needed basis a wide range of general professional services to include, but not necessarily limited to:

Administration, support and management of engineering, planning, design, environmental, Intelligent Transportation Systems, right-of-way mapping and surveying, construction management, soil exploration, material testing and foundations, contract administration, landscape architecture, public involvement, communications support, and bond financing support services to include preparation of Engineer Reports to the State of Florida and bondholders as required by the Authority's Bond Documents.

A draft Scope of Services is available on THEA's website: www.tampa-xway.com under "Public Notices." Additional instructions to proposers may be posted by August 27, 2010.

Shortlist consideration and selection will be made directly from the RFQs. Shortlisted firms may be requested to provide written or oral technical proposals or both, for the ranking process. After ranking of the consultants, the contract fee will be negotiated in accordance with Section 287.055, F.S. Funding for all projects is subject to Authority Board approval and funding availability.

Experience Requirements: Firm or Consultant (Firm) should have an established office in the Tampa Bay area, and sufficient qualified local staff to provide the anticipated services. Bond financing support services must be provided by a nationally known and recognized engineering firm ("Firm") with experience in the preparation of Engineer's Reports for bond sales and satisfaction of bond covenants. Experience with toll agencies and electronic toll collection systems a plus.

Consideration will be given to only those firms that are qualified pursuant to law and that have been prequalified by Florida Department of Transportation to perform the indicated Major Types(s) of Work. Firms may use pre-qualified subconsultants and other teaming arrangements for PD&E services, bond financing services, survey and mapping, soil exploration, material testing and foundations, and right of way.

Code of Ethics and Conflict of Interests: All consultants selected to work with the Authority are required to comply with its Code of Ethics and Conflict of Interests policy as provided in Series 140 of the Authority's Policy and Procedures, a copy of which is available on THEA's website.

Procurement Communication Policy: No person may contact any Board Member or Employee or any selection committee member with respect to this notice or the services to be provided, except as related to the Submittal Requirements detailed herein.

Public Meeting Notice: All public meetings will be held at the offices of the: Authority, 1104 East Twiggs Street, Suite 300, Tampa, Florida 33602, unless otherwise noted. Changes to meeting dates and times will be posted at THEA's website and its offices.

Questions-Answers/Contact Person: All questions regarding this RFQ are to be submitted by Email: Sally Castro at sallyh@tampa-xway.com prior to the deadline for questions. A list of Questions and Answers will be posted on THEA's website without identifying the individual asking the question(s). Interested firms should review the list of questions and answers on a regular basis until the submittal deadline. Questions submitted after the deadline will not be answered.

RFQ Submittal Requirements and Evaluation:

Firms wishing to be considered for short-listing shall submit six (6) sets of the RFQ Submittal and one (1) digital copy of the RFQ Submittal in PDF format in a sealed package by mail or hand delivery to: THEA at 1104 East Twiggs Street, Suite 300, Tampa, Florida 33602 on or before 12:00 Noon (Local Time), October 20, 2010.

Submittals are limited to a maximum of ten (10) pages exclusive of Cover Letter, attachments and resumes. Sealed Packages must include the following information on the outside of the package:

- i. "General Engineering Consultant," Contract No.: 19.23-10.
- ii. Firm/Consultant's (Firm) name, address, phone number and Email address.

Submittals must include the following:

1. Cover Letter – Include primary contact person, phone number, Email address, and proposed responsible office for Consultant.
2. Similar Project Experience/References – Provide the firm's experience in related assignments within the past 5 years, with project start and completion dates, citing specific GEC experience and/or toll agency experience. Provide the Client/Owner, address, phone number and Email address. All references may be checked.
3. Project Approach and Team – Provide a narrative describing the firm's approach to delivering the GEC services. In addition to the narrative, provide a proposed organization chart including subconsultant personnel; and a matrix summarizing proposed personnel experience on similar projects, including registrations/certifications. Resumes shall include no more than three client/owner references for all proposed personnel for the past 5 years.
4. Small Business Enterprise (SBE) Policy – THEA strongly encourages participation of local minority, women, disadvantage business enterprises for all of its projects and includes a policy of nondiscrimination on the basis of race, color, gender, and national origin in its employment and contracting practices. All firms contracting with the Authority are required to have or adopt a similar policy. A copy of the SBE Policy is available on THEA's website: www.tampa-xway.com.
Indicate if the Firm it is a certified or registered minority business enterprise and/or identify any local certified minority and women business enterprises that it proposes to use. Firms requiring assistance or information with regard to the Authority's SBE Policy or DBE/MBE/WBE certification can contact THEA's SBE Consultant for this Project Blackmon Roberts Group, Moises Peraza by email: mperaza@blackmonroberts.com or 1(863)802-1280.
5. Prequalification Documentation – Provide a copy of the Notice of Qualification issued by the Florida Department of Transportation (FDOT) showing Consultant's current qualification or proposed subconsultants in advertised type of work.
Current and Projected Workload – Indicate availability of staff proposed for assignment and indicate, as a percentage, the current/projected workload.

7. Office Location and Corporate Registration – Provide the physical address of the office assigned responsibility for providing the services. It is required that Consultants have an office and key staff located within the Tampa Bay area; and, if incorporated, registered to do business in the State of Florida.

Note: Failure to submit any of the above-required information may be cause for rejection of the package as non-responsive. The Authority reserves the right to reject any or all submittals, issue a new RFQ, and waive any informality or discrepancy.
