Section V  
Petitions and Dispositions Regarding Rule  
Variance or Waiver

**DEPARTMENT OF LAW ENFORCEMENT**

NOTICE IS HEREBY GIVEN THAT on August 12, 2010, the Criminal Justice Standards and Training Commission has issued an order.

On July 22, 2010, the Criminal Justice Standards and Training Commission, received a petition for waiver of subparagraphs 11B-20.0014(3)(d)5. and 6., F.A.C., by Jonathan Kinney and St. Johns River Community College Director of Criminal Justice Training, Gary Killam. The Petitioners seek to waive that portion of the rule requiring breath test instructors to be actively certified prior to instructing a breath test operator renewal course. Both Petitioner Kinney and the Petitioner college assert that Petitioner Kinney was otherwise qualified at the time that he taught the class, and that Petitioner Kinney has, indeed, now received the necessary certification. Receipt of the petition was published in the Florida Administrative Weekly Vol. 36, No. 31, August 6, 2010.

On August 12, 2010, at its regularly scheduled business agenda meeting held in Tampa, Florida, the Commission found that the Petitioners' situation is unique. The Petitioner demonstrated that the strict application of the Commission's rules in this case would violate the principles of fairness. The Commission found that the purposes of the underlying statute, to ensure that alcohol breath test operator instructors are certified prior to instructing courses, will be met by granting this waiver request. The Commission found that the Petitioner Kinney had the knowledge, skills, and abilities required to instruct and, indeed, did become certified soon after instructing the course. The failure of Petitioner Kinney to become certified was an oversight by the Petitioner college and was not flagrant. The Commission granted the Petitioner's waiver.

A copy of the Order may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, Florida 32327, (850)410-7676.

NOTICE IS HEREBY GIVEN THAT on August 12, 2010, the Criminal Justice Standards and Training Commission has issued an order.

This matter concerned a request for a permanent waiver of paragraphs 11B-27.00213(4)(a) and (b), F.A.C., by Tabitha Williams received by the agency on July 16, 2010. The rule at issue requires officers employed on a Temporary Employment Authorization (TEA) to have a four year break in service before they may enter another TEA if they terminate the first TEA prior to completion. Petitioner Williams was terminated

from her TEA for cause by her employer. She seeks a permanent waiver of the rule for her present situation in order to permit her to seek another TEA immediately so she does not have to wait four years to begin a new TEA. Notice of receipt of the petition was published in the Florida Administrative Weekly Vol. 36, No. 30, on July 30, 2010.

On August 12, 2010, at its regularly scheduled business agenda meeting held in Tampa, Florida, the Commission found that the Petitioner's situation is not unique. The Petitioner did not demonstrate that the strict application of the Commission's rules in this case would violate the principles of fairness because she was terminated from her TEA for cause. The Commission found that the purposes of the underlying statutes, to ensure that officers are properly trained and TEAs are properly administered, will not be met by granting this waiver request because the Commission's statutes do not contemplate termination for cause as reflecting good recruiting. The Commission found that the Petitioner's situation was caused by, nor was she harmed by the strict operation of the Commission's rule. The Commission denied Petitioner Williams the requested waiver.

A copy of the Order may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, Florida 32327, (850)410-7676.

adopted by Chapter 30, Section 3001.2, Florida Building Code, adopted by paragraph 61C-5.001(1)(a), Florida Administrative Code, because the Petitioner has not demonstrated that the purpose of the statute underlying the rule will be met or that Petitioner would suffer a substantial hardship if required to comply with this rule (VW 2010-341).

The order is for the JRW Bioremediation LLC variance petition (OGC File No.: 10-1502), received on April 26, 2010. The petition requested a variance from the zone of discharge (ZOD) prohibition for discharges through wells under subsection 62-522.300(3) (renumbered as subsection 62-520.310(9)), F.A.C., for the use of CHITOREM® to cleanup sites contaminated with halogenated aromatic and aliphatic hydrocarbons and other chemicals. Notice of receipt of this petition was published in the Florida Administrative Weekly, on May 21, 2010. No public comment was received. The final order granted a variance from the ZOD prohibition because the petitioner demonstrated a substantial hardship, and that the purposes of the underlying statutes would be met with the conditions imposed by the Department. The conditions require that the use of this product must be through a Department-approved remedial action plan, or other Department-enforceable document, and that such approval shall not be solely by a delegated program; that the discharge must be through a Class V, Group 4 underground injection control well which meets all applicable requirements of Chapter 62-528, F.A.C.; that the extent of the ZOD for antimony, arsenic, selenium, and thallium shall be a 50-foot radius from the point of injection and the duration of the ZOD shall be three years; that the injection of CHITOREM® shall be at such a rate and volume that no undesirable migration occurs of the product, its by-products, or the contaminants already present in the aquifer; and that the Department-approved remedial action plan shall address appropriate ground water monitoring requirements associated with the use of CHITOREM® based on site-specific hydrogeology and conditions.
