

A copy of the Final Order may be obtained by contacting: Board of Medicine, 4052 Bald Cypress Way, Bin #C03, Tallahassee, Florida 32399-3253.

The Board of Nursing hereby gives notice that on August 31, 2010, it received a Petition for Declaratory Statement filed by Lisa Burton, RN, seeking the Board's guidance concerning whether the scope of professional nursing, as referenced in Sections 464.003(3)(a), 464.018(1)(h) and 456.072(1)(o), Florida Statutes, allows petitioner, as an RN, to perform standard venipuncture, pursuant to standing order approved by Aventura Hospital's Medical Executive Committee, for Aventura Hospital's Triage Level 3 patients. The Board will address this petition at its next meeting.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Joe Baker, Jr., Executive Director, Board of Nursing, 4052 Bald Cypress Way, Bin #C02, Tallahassee, Florida 32399-3252. Comments on this petition should be filed with the Board of Nursing within 14 days of publication of this notice.

DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

INVITATION TO BID

As a Contractor, you are invited to submit a bid to the FLORIDA DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES, DIVISION OF MARKETING, hereinafter referred to as Owner, for the Construction of Building Facilities at the Immokalee State Farmers' Market located at 424 New Market Road, Immokalee, Florida. The Project Budget is estimated to be \$7,000,000.00.

The Department is seeking a Contractor for the construction of three new buildings and repair to a fourth building at the Immokalee State Farmers' Market. The contractor shall provide all materials, labor, equipment and inspection fees necessary to complete the construction project in accordance with the terms and conditions of the Invitation to Bid.

PROJECT NAME AND LOCATION: CONSTRUCTION OF BUILDING FACILITIES AT THE IMMOKALEE STATE FARMERS' MARKET, 424 New Market Road, Immokalee, Florida.

SOLICITATION DOCUMENT: The entire solicitation document, which includes specifications, may be viewed and downloaded from the Vendor Bid System at: <http://myflorida.com>, click on Business, Doing Business with the State of Florida, Everything for Vendors and Customers, Vendor Bid System, Search Advertisements, Bid Number: ITB/DM-10/11-06 or by calling: The Purchasing Office at (850)617-7181.

PLANS AND DRAWINGS: Architectural and Civil, Plans and Drawings, including technical specifications and a copy of the bid document can be viewed at: CPH Engineers, 500 West Fulton Street, Sanford, Florida, (407)322-6841, Attention: Pam Smith. These documents are available for purchase from CPH Engineers for a fee of \$250.00 per set. Complete Plans and Specifications will also be available through F. W. Dodge Plan Room, Tampa, FL.

MANDATORY PRE-BID CONFERENCE/SITE VISIT: Each bidder must, before submitting a bid, attend the mandatory pre-bid conference/site visit. The pre-bid conference/site visit will be held on September 30, 2010, 10:00 a.m., Immokalee State Farmers' Market, 424 New Market Road, Immokalee, Florida, (239)658-3505. During the pre-bid conference, a site visit will be held for prospective bidders. It is the bidders' responsibility to consider any and all site conditions or requirements for the project. Specifications will be available at the mandatory pre-bid conference/site visit.

PUBLIC ENTITY CRIME INFORMATION STATEMENT: A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, F.S., for Category Two for a period of 36 months from the date of being placed on the convicted vendor list.

DISCRIMINATION; DENIAL OR REVOCATION FOR THE RIGHT TO TRANSACT BUSINESS WITH PUBLIC ENTITIES: An entity or affiliate who had been placed on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity.

PERFORMANCE BOND AND LABOR AND MATERIAL PAYMENT BOND: Each bid shall be accompanied by a Performance Bond in the amount of one-hundred percent (100%) of the Base Bid Price.

BID BOND: Each bid shall be accompanied by a Bid Bond Guarantee payable to the Department in the amount of five percent (5%) of the Base Bid Price.

Sealed bids will be received, publicly opened and read aloud on:

DATE AND TIME: October 22, 2010, 2:00 p.m.

PLACE: Department of Agriculture and Consumer Services, 407 S. Calhoun Street, Room SB-8, Mayo Building, Tallahassee, Florida 32399-0800, (850)617-7181.

CONTRACT AWARD: The official Notice of Award Recommendation will be by electronic posting at: http://fcn.state.fl.us/owa_vbs/owa/vbs_www.main_menu.

Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, shall constitute a waiver of proceedings under Chapter 120, Florida Statutes. If no protest is filed, the contract will be awarded to the qualified, responsive low bidder in accordance with Chapter 60D-5, F.A.C., by the Owner.

DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS

The University of South Florida Polytechnic (USFP) announces that continuing professional services are required for the following consulting disciplines:

1. Architecture (up to two)
2. Civil Engineering (up to two)
3. Construction Management (up to two)
4. Mechanical and Electrical Engineering (up to two)
5. Information Technology/Audio Visual/Low Voltage Technology Specialties (up to two)

PROJECT and LOCATION: USF Polytechnic – Continuing Professional Services, Lakeland campuses with ability to include services at other University locations.

PROJECT DESCRIPTION:

Projects included in the scope of this Agreement will be specific projects for renovations, alterations, new construction and additions for University facilities that have a basic construction budget that does not exceed \$2,000,000, or survey or studies for which the fee for professional services does not exceed \$200,000. Projects for University facilities may include Teaching, Research, Health, Academic, Administrative, Recreation and Residence Life Facilities, as well as Infrastructure and Utility projects. Continuing Service contracts for these projects provide that the consultant will be available on an as-needed basis for an initial contract period of one (1) year with an Owner's option to renew for one (1) additional year at a time up to a total of two (2) additional years. The consultant(s) receiving the award will not have an exclusive contract to perform services for these projects. The University may have additional continuing service professionals under contract during the same time period. Blanket professional liability insurance shall be required for the contract. Services required to be provided under the Continuing Services Contracts include the development of record drawings by the Continuing Service Consultant for projects designed by that consultant to reflect as-built conditions to facilitate the University's space management program. Any new construction projects should have the ability to be LEED certified if required by the Owner and shall be included as part of basic services and will not be considered as an additional service.

INSTRUCTIONS:

Firms desiring to provide professional services shall submit one (1) original submittal and four (4) bound copies consisting of the information as required in the "Submittal Requirements"

of the Project Fact Sheet including a letter of interest, a completed "Professional Qualifications Supplement (PQS)" dated September 2010, for the USF Polytechnic – Continuing Professional Services, and any required or additional information within the proposal limits as described in the PQS General Instructions. Applications on any other form will not be considered. Submittals are part of the public record. An applicant must be properly registered at the time of contract engagement to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida. The plans and specifications for University of South Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. Applications that do not comply with the above instructions may be disqualified. Application materials will not be returned.

PROJECT SELECTION CRITERIA:

Selection of finalists for interview will be made on the basis of professional qualifications, including experience and ability, design ability, past performance, workload, volume of USF work (including USF Foundation), and location. As part of the University of South Florida's Strategic Plan, USFP made a commitment to foster a diverse community distinguished by a shared purpose, collaboration, open and timely communication, mutual respect, trust, and inclusiveness. The University of South Florida Polytechnic is an equal opportunity institution, and, as such, strongly encourages the lawful use of certified Minority and Women-owned Business Enterprises ("MBEs") in the provision of design and construction-related services by providing a fair and equal opportunity to compete for, or for participation in, design and/or construction-related services. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$25,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The "Professional Qualifications Supplement (PQS)" for the USF Polytechnic – Continuing Professional Services, dated September 2010 and "Project Fact Sheet" which includes project information and selection criteria, may be obtained by contacting: Geralyn Bonfiglio-Sells, Executive Administrative Specialist, Campus Planning and Facilities Operations, University of South Florida Polytechnic, via e-mail: gsells@poly.usf.edu, via mail: 3433 Winter Lake Road, LTB2116, Lakeland, Florida 33803-9807 or by phone: (863)667-7757. Interested firms are invited and encouraged to attend a Pre-Submittal Meeting to be held at 9:00 a.m. (Eastern Time), Thursday, September 30, 2010, at the University of

South Florida Polytechnic, Lakeland Technology Building LTB1104/1105, 3433 Winter Lake Road, Lakeland, Florida, to review the scope and requirements of this project.

Requests for meetings by individual firms will not be granted once the Florida Administrative Weekly advertisement is published. No communication shall take place between the applicants and the members of the Selection Committee or employees of the University of South Florida except as provided at the Pre-Submittal Meeting and the request for the PQS and Project Fact Sheet. Requests for any project information must be in writing to the above e-mail address. The Selection Committee reserves the right to reject all proposals and stop the selection process at any time. One (1) original and four (4) copies of the requested submittal data, bound in the order listed in the "Submittal Requirements" of the Project Fact Sheet shall be address to:

Alice M. Murray, Ed.D, Associate Vice President
Campus Planning and Facilities Operations
USF Polytechnic
3433 Winter Lake Rd., LTB2116
Lakeland FL 33803-9807

Submittals are to be received by: USF Polytechnic, 3433 Winter Lake Rd., LTB 2116, Lakeland, FL by 2:00 p.m. (Eastern Time) Thursday, October 14, 2010. Facsimile (FAX) or electronic submittals are not acceptable and will not be considered.

NOTICE TO DESIGN PROFESSIONALS

The Florida International University Board of Trustees announces that services in the disciplines of Architecture and Engineering are required for the project identified below:

Project Name and Number: BT-834 SCP Satellite Chiller Plant
Project Location: Modesto A. Maidique Campus
(MMC), Miami, Florida

Project Description:

The new Satellite Chiller Plant (SCP) facility, with an ultimate 7,500-ton cooling capacity, shall supplement the University's existing chilled water generation operations serving the immediate and future needs of the Academic Health Center located on the northeast corner of the campus as well as other facilities. The university recognized that a new chiller facility would be necessary for its growing research and health sciences complex. The design challenge lies in building essentially a large utilitarian structure on a prominent site across from the School of Architecture; infusing an essentially industrial nature into the fabric of a campus setting, cognizant that such a large bulk should be undisguised. Further to the aesthetic challenge, the University requires that this satellite plant ultimately results in energy savings and reduced operational and maintenance costs.

Full programmatic requirements (subject to available funds) include space for two (2) initial 1,500 ton chillers and cooling towers, with shell space for three (3) future 1,500 ton chillers

and cooling towers, and the ability to provide continuity of operations with two (2) emergency generators providing a minimum chilled water capacity of 3,000 tons during periods of power outage. The design team shall provide evaluations and recommendations on alternate designs, including aquifer condensing loops or varying equipment sizes addressing technical feasibility, environmental implications and regulatory agency assessment, initial/operational cost implications, system payback time periods, and life cycle analysis. Such alternates shall include a complete comparison against the traditional chiller plant design. Compliance with HWVZ requirements as required by Florida Building Code for wind load requirements to the building envelope and cooling towers enclosure with consideration for enhancements (code+) to assure continuity of operations is essential.

The University intends to pre-purchase cooling towers, water chillers, and appurtenant equipment through an Invitation To Bid (ITB) process. The Design Professional shall be responsible for preparing Pre-Procurement specifications.

The scope of work includes the displacement of a portion of an existing parking lot with remaining parking areas altered to accommodate the new SCP and a new vehicular and pedestrian entrance consistent with the Master Plan. The University is currently widening SW 10th Street and expanding the existing campus electrical and telecommunications duct bank, fire loop, including an 18" chilled water loop system under separate contracts. The Design Professional for this Project will be responsible for all domestic water, sewer, fire loop, as well as the chilled water connections and valve design to the Chilled Water Loop.

The total building construction cost is estimated to be approximately \$6,000,000 with a total gross square footage of 16,000 GSF (inclusive of cooling towers screened area). Total available funding is in the amount of \$7,100,000 of PECO funds. An additional \$7,000,000 future funding has been requested and is subject to legislative approval. In the event additional funds are appropriated, the project scope may be amended to include the full program as described in the Project Fact Sheet.

Completion for this project is anticipated for November 2012.

INSTRUCTIONS: Firms desiring to apply for consideration shall submit a letter of application and a completed "Florida International University Professional Qualifications Supplement (FIUPQS)." The official FIUPQS forms must be downloaded from the FIU web site at <http://facilities.fiu.edu/projects/BT-834.htm>. Applications on any other form will not be considered. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board shall be submitted. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit Seven (7) bound copies of the required proposal data and one CD copy in Adobe Acrobat PDF format of the requested qualifications to: Selection Committee, Florida International University, Real Estate Development and Planning, Campus Support Complex, 11555 S. W. 17th St., Room CSC142, Modesto A. Maidique Campus, Miami, Florida 33199. Applications that do not comply with the above instructions will not be considered. Application material will not be returned. The University reserves the right to suspend or discontinue the selection process at any time and to return or reject any or all submissions of qualifications without obligation to the respondent. The award of this contract is subject to availability of funds.

GENERAL REQUIREMENTS: The plans and specifications prepared by the Design Professional are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

FIU HAS CREATED STANDARD CONTRACT FORMS AND STANDARD INSURANCE REQUIREMENTS APPLICABLE TO A/E'S FOR A/E SERVICES TO PROVIDE FOR AN EFFICIENT AND EFFECTIVE PROCESS. THESE FORMS ARE AVAILABLE FOR REVIEW AND CAN BE FOUND AT <http://facilities.fiu.edu/projects/BT-834.htm>

ALL APPLICANTS SHOULD REVIEW THE APPLICABLE FIU CONTRACT FORM AND STANDARD INSURANCE REQUIREMENTS CAREFULLY PRIOR TO MAKING A DECISION AS TO WHETHER OR NOT TO RESPOND TO THIS ADVERTISEMENT.

The Project Fact Sheet, which describes the selection process schedule for this Project and additional information regarding the Project scope, may be obtained from the web-site <http://facilities.fiu.edu/projects/BT-834.htm>. Requests for meetings by individual firms will not be granted. Once the firm acquires the required forms, questions may be directed to: Real Estate Development and Planning at (305)348-4090 or email: griffith@fiu.edu.

SUBMIT QUALIFICATIONS TO: Selection Committee, Florida International University, Real Estate Development and Planning, Campus Support Complex, 11555 S. W. 17th Street, Room #142, Modesto A. Maidique Campus, Miami, Florida 33199. Submittals must be received between 8:30 a.m. and 12:30 p.m. or 1:30 p.m. and 4:00 p.m. (Local Time), Friday, October 8, 2010.

Submittals will not be accepted before or after the times and date stated above. Facsimile (FAX) submittals are not acceptable and will not be considered.

**PUBLIC ANNOUNCEMENT OF
ENGINEERING SELECTION RESULTS**

The Florida School for the Deaf and the Blind announces its intention to negotiate, in accordance with the Consultants Competitive Negotiation Act, for the following:

PROJECT NUMBER: 20100002

PROJECT NAME: Engineering Services for Campus Infrastructure HHW Distribution System

1. Matern Professional Engineering, Inc.
2. Performance Engineering Group, Inc.
3. TLC Engineering for Architecture
4. C & S Engineering, Inc.

ADVERTISEMENT FOR BIDS

The School Board of Pinellas County, Florida will receive sealed bids in the Purchasing Department of the School Board of Pinellas County, Florida 301 – Fourth Street S. W., Largo, Florida 33770-3536 until 3:00 p.m. (Local Time), October 6, 2010, for the purpose of selecting a Contractor for supplying all labor, material, and ancillary services required for the scope listed below.

Cooling Tower Install
Bid# 11-968-044
(2) Two schools

SCOPE OF PROJECT: This bid will select a “Mechanical Contractor”. The work shall consist of furnishing all materials, labor, tools, equipment and supervision required to provide and install cooling towers and accessories; pump, piping, controls, electrical, and ancillary components. Work includes demolition and disposal of existing towers shall be included along with associated demolition of piping, pumps, controls, electrical, etc. All related electrical work shall be included. All remodeling shall be in accordance with plans and specifications which are provided at no charge.

BID AND PERFORMANCE SECURITY: Bid and Performance Security is required with this bid

PRE-BID CONFERENCE: A pre-bid conference will be held at the schools shown below. Attendance at this pre-bid conference is MANDATORY in order for all potential bidders to receive the benefit of answers to theirs and other’s technical questions first hand. If you are not the prime bidder but are attending on behalf of someone else, please make note of this when signing the attendance roster where indicated. We apologize for any inconvenience this may cause you, but it is imperative that all information be disseminated in a public forum with all potential bidders present to minimize confusion or misunderstandings. Additions or changes to the original bid documents resulting from this conference of a material nature, will be documented in the form of written addenda and

distributed to all attendees. Please note that if you are late to this mandatory pre-bid conference you will not be eligible to sign the attendance roster and therefore may not submit a bid. You may still, however, attend the conference if you wish.

SCHOOLS LOCATIONS AND DATE AND TIME:

EXECUTIVE OFFICE OF THE GOVERNOR

Volunteer Florida is pleased to announce the availability of 2011 grant funding for AmeriCorps State programs. Proposal Grant Applications will be available on the Volunteer Florida website at: www.volunteerflorida.org, beginning September 24, 2010.

AmeriCorps State programs engage AmeriCorps members in direct service and capacity-building activities to address unmet community needs. Local programs design service activities for a team of members who have each committed to one year of service. AmeriCorps programs support local community efforts by addressing education, environmental, homeland security, public safety or other human needs. Sample activities include tutoring and mentoring youth, assisting crime victims, building homes, and restoring parks. AmeriCorps members also mobilize community volunteers and strengthen the capacity of the organizations where they serve.

Volunteer Florida, The Governor’s Commission on Volunteerism and Community Service was established in 1994 by the Florida Legislature to administer grants under the National and Community Service Trust Act of 1993. The

Commission grants funds to Florida AmeriCorps and National Service programs; encourages volunteerism for everyone from youths to seniors to people with disabilities; promotes volunteerism in emergency management and preparedness; and helps to strengthen and expand Volunteer Centers in Florida.

AmeriCorps is a program funded by the U.S. Congress under the Catalog of Federal Domestic Assistance number 94.006. The national public/private partnership supporting AmeriCorps is the Corporation for National and Community Service (CNCS). For more information about the CNCS and national AmeriCorps programs, visit: www.americorps.org.

If you have any questions regarding AmeriCorps Programs or the funding process, please contact: amieko@volunteerflorida.org.

WATER MANAGEMENT DISTRICTS

TREE PLANTING SERVICES

The Suwannee River Water Management District (District) is requesting proposals for tree planting projects located on approximately 1,430 acres of land owned by the District. The purpose of these projects is to reforest areas with tree seedlings to meet the District’s Desired Future Conditions (DFC). Reforestation efforts include cutover sites, under-stocked sites, and sites requiring planting to promote tree diversity. Bare-root slash, longleaf or containerized longleaf pine, or specific hardwood species may be planted based on site characteristics and the District’s land management objectives. Site conditions range from dry, upland pine lands to wet flatwoods.

District policies allow for this type of contract to be extended for two additional years without bidding. This contract renewal can occur only if the contractor’s unit rates stay the same, the work is satisfactory, and funding is available. District staff anticipates reforesting approximately 1,500 acres per year during the next three years.

A mandatory pre-proposal meeting will be held at 9:00 a.m. September 24, 2010, at District Headquarters in Live Oak. Responses are due prior to 4:00 p.m., October 1, 2010.

Additional information and Request for Proposal packages are available on the District’s website: www.mysuwannee.com or by contacting: Gwen Lord at (386)362-1001 or email: gal@srwmd.org.

DEPARTMENT OF MANAGEMENT SERVICES

PUBLIC ANNOUNCEMENT FOR MECHANICAL ENGINEERING SERVICES

The Department of Management Services (DMS), Division of Real Estate Development and Management, announces that professional services are required for the project(s) listed below.

PROJECT NUMBER: MSFM-29003009

PROJECT NAME: HVAC System Clean and Seal with Upgrades, FDLE Main Building

PROJECT LOCATION: Tallahassee, Florida

SHORTLIST DATE: Tuesday, October 19, 2010

INTERVIEW DATE: Wednesday, November 3, 2010

ESTIMATED CONSTRUCTION BUDGET: \$2,500,000.00

**Section XII
Miscellaneous**

DEPARTMENT OF COMMUNITY AFFAIRS

DCA10-OR-173

In re: POLK COUNTY LAND DEVELOPMENT REGULATIONS ADOPTED BY POLK COUNTY ORDINANCE NO.10-058

FINAL ORDER

The Department of Community Affairs (the “Department”) hereby issues its Final Order, pursuant to Section 380.05(6) and (11), Florida Statutes (2009), approving Polk County Ordinance No. 10-058.

FINDINGS OF FACT

1. The Green Swamp Area is a statutorily designated area of critical state concern, and Polk County is a local government within the Green Swamp Area.
2. On August 25, 2010, the Department received for review Polk County Ordinance No. 10-058 that was adopted by the Polk County Board of County Commissioners on August 18, 2010.
3. Proposed Ordinance No.: 10-058 amends Table 5.2 to add Linear Commercial Corridor – X to the use table for the Polk City Special Protection Area within the Green Swamp Area of Critical State Concern. The amendment of the use table provides for allowable uses within a future land use district.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are enacted, amended or rescinded by any local government in the Green Swamp Area of Critical State Concern. Sections 380.05(6) and (11), Florida Statutes (2009).
