RULE NO.: 69A-62.005	RULE TITLE: Exemption from 29 Code of Federal Regulations, Section 1910.134(g)(4)
-----------------------------	--

PURPOSE AND EFFECT: The purpose of the proposed rule repeal is to rid Rule Chapter 69A-62, F.A.C., of outdated language.

SUMMARY: Section 633.821(2), (3), F.S., directs the Department to adopt by rule 29 C.F.R. s. 1910.134(g)(4), the “two-in two-out” rule. Local government is given an implementation day of April 1, 2002. If unable to implement without adding additional personnel to its firefighting staff or expending significant additional funds, an extension of 6 months is provided, as long as the Department is notified of the election. If after that time the local government is still unable to comply, they become exempt from the requirement; however the Department must annually confirm entitlement to the exemption. The Department never received a notification of election to extend and therefore has nothing to confirm. This rule implemented the statute and is no longer required.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

The Notice of Petition for Waiver or Variance was published in Vol. 37, No. 3, January 21, 2011, of the Florida Administrative Weekly. The Board further found that Petitioner had failed to establish that applying the requirements of the aforementioned rule to his circumstances would violate principles of fairness and impose substantial hardship.
