The Board of Chiropractic Medicine considered the Petition at its meeting held on August 12, 2011, in Palm Beach, Florida. The Board’s Order filed on August 31, 2011, answered the petitioner’s question in the affirmative. It is the Board’s opinion that it is within the scope of practice of chiropractic medicine to manually reduce a shoulder separation. The Board added that only those chiropractors who have been trained in the procedure should perform the manual reduction.
