NOTICE TO DISTRIBUTED ANTENNA SYSTEM FIRMS
 The University of Central Florida announces that design build services will be required for the project listed below:

Project No.: UCF-TBD, Project and Location: Neutral Host Campus DAS, University of Central Florida, Orlando, FL 32816.

University of Central Florida (UCF) is seeking proposals from interested Distributed Antenna System companies and wireless carriers with the wherewithal to design, install, and manage a campus DAS for the university to increase the cellular coverage and capacity on the main campus and the northern section of the Central Florida Research Park (CFRP). The DAS shall also support Public Safety frequencies both 800MHz and future 700MHz. The DAS shall consist of both macro sites and in-building antennas. UCF has three (3) existing Macro sites consisting of a radio tower for its WUCF-FM station, the Smokestack, and the new North Campus 180 foot monopole. The DAS design should incorporate these three existing macro sites. Proposers requiring additional macro sites (typically building rooftops) will be limited to five sites. Proposers are to select and propose the locations of macro sites. These macro

sites shall support cellular frequencies and protocols and no Public Safety frequencies. The DAS must also include in-building antennas for enhancing cellular capacity and Public Safety coverage for 28 buildings totaling approximately three (3) million gross square feet. (See Exhibit A) UCF has an in building DAS design for reference and will be used by UCF to compare proposers' responses and the eventual design by the selected Proposer.

Selection of finalists for interviews will be made on the basis of the design builder's qualifications which include: approach to the project, qualifications and experience in design, experience of proposed corporate operator, evidence of financial strength, qualifications and experience of key individuals of the design, financing, and construction team, and assurance that the proposed team recognizes the "at risk" nature of any subsequent agreement. Finalists will be provided with a copy of the final interview requirements and a copy of the standard University of Central Florida agreement.

Carefully review the Design Build Contract and General Conditions documents. Submitting a proposal for this project constitutes complete agreement with and acceptance of the terms and conditions contained within these documents. These documents can be found on our website at www.fp.ucf.edu with the advertisement. Please note that the University of Central Florida will not compensate for lodging, food, or travel associated with this project.

Firms desiring to provide DAS services for the project shall submit a letter of application and a completed University of Central Florida "DAS Qualifications Supplement." Proposals must not exceed 40 pages, including the DAS Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals which do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned.

All applicants must be licensed as a low voltage contractor/installer to practice in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a design build firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected design build firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of placement on the convicted vendor list.

Optional Lake Nona DAS for UCF's Medical College

As an option, UCF would like to receive proposals to design and build an in-building DAS system for UCF's two new Medical College buildings located in Lake Nona Medical City.

This proposal is to be kept separate and apart from DAS proposals for the main campus. This DAS system is to be design to later connect to the Lake Nona Development LLC's Medical City DAS system being considered, thus, special considerations are to be included in this proposal.

The University of Central Florida DAS Contractor Qualifications Supplement forms and the Project Fact Sheet (Exhibit "A") which contains the selection criteria may be obtained by contacting: Gina Seabrook, Office of Facilities Planning, University of Central Florida, 4000 Central Florida Boulevard, Post Office Box 163020, Orlando, FL 32816-3020, Phone: (407)823-2166, Fax: (407)823-5141, Email: gina.seabrook@ucf.edu or on our website www.fp.ucf.edu.

Please submit all questions in writing to gina.seabrook@ucf.edu.

Five (5) bound copies of the required proposal data shall be submitted to: Mrs. Gina Seabrook, Facilities Planning, 4000 Central Florida Blvd., Post Office Box 163020, Orlando, FL 32816-3020. Submittals must be received by 5:00 p.m. local time May 31st, 2011. Facsimile (FAX) submittals are not acceptable and will not be considered. Late submissions will not be accepted.

NOTICE TO CONTRACTORS

The University of Central Florida, on behalf of the Board of Trustees, announces that contractor services for the following service(s): WiMAX Campus Distributed Antenna System (DAS)

Project description:

The Contractor will provide construction/installation for a WiMAX In-Building DAS for the university to increase the WiMAX coverage and capacity on the main campus and the northern section of the Central Florida Research Park (CFRP). UCF has an in building WiMAX DAS design based on the ADC Fusion platform that will be followed for a WiMAX DAS build out.

This project also includes the expansion of an existing Mobile Access system supporting Public Safety frequencies both 800MHz and future 700MHz into UCF's Parking Garages, or in some cases installing separate BDAs in each Garage if fiber optic cable is not available. The selected proposer will collaborate with UCF in deciding whether the Public Safety Mobile Access DAS or separate BDAs will be deployed for Parking Garages on a case by case basis. In either case, the selected proposer is to do construction/installation for the Public Safety DAS or BDA for each Parking Garage.

The selected contractor will provide construction documents, and construction administration services with a two (2) year warranty.

INSTRUCTIONS:

Contractors desiring to provide professional services shall apply by letter.

Firms desiring to provide contractor services for the project shall submit a letter of application and a completed University of Central Florida "DAS Qualifications Supplement." Proposals must not exceed 40 pages, including the DAS Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals which do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned.

Selection of finalists for interviews will be made on the basis of the contractors' qualifications, including knowledge and ability, past experience, bonding capacity, cost estimating, and qualification of the firm's personnel, staff, and consultants. Finalists will be provided with a copy of the final interview requirements, a copy of the University of Central Florida Design, Construction, and Renovation Standards, and a copy of the University of Central Florida Contractor agreement. The Selection Committee may reject all proposals and stop the selection process at any time.

All applicants must be licensed as a low voltage contractor/installer to practice in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. The plans and specifications for the Florida Board of Education projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a contractor may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past thirty six (36) months. The selected contractor must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or contractor in excess of \$15,000.00 in connection with this project for a period of thirty six (36) months from the date of their being placed on the convicted vendor list.

The University of Central Florida DAS Contractor Qualifications Supplement forms and the Project Fact Sheet which contains the selection criteria "Exhibit A" may be obtained by contacting: Gina Seabrook, Office of Facilities Planning, University of Central Florida, 4000 Central Florida Boulevard, Post Office Box 163020, Orlando, FL 32816-3020, Phone: (407)823-2166, Fax: (407)823-5141, Email: gina.seabrook@ucf.edu or on our website www.fp.ucf.edu.

Please submit all questions in writing to gina.seabrook@ucf.edu.

Five (5) bound copies of the required proposal data shall be submitted to: Mrs. Gina Seabrook, Facilities Planning, 4000 Central Florida Blvd., Post Office Box 163020, Orlando, FL 32816-3020. Submittals must be received by 5:00 p.m. local

time May 30th, 2011. Facsimile (FAX) submittals are not acceptable and will not be considered. Late submissions will not be accepted.

NOTICE TO GENERAL CONTRACTORS

The University of Central Florida, on behalf of the Board of Trustees, announces that continuing Professional services for minor projects are required for the following service(s): General Contractor.

Project and Location: University of Central Florida, Main Campus, Orlando, Florida 32816-3020.

The project consists of the construction of minor projects for the university. All trades under the General Contractors professional license may be utilized in the scope of this agreement. Campus Service Agreements for these projects provide that the Contractors will be available on an as-needed basis for one year through June 30, 2012. Upon completion of satisfactory performance, the contract may be renewed yearly for two (2) additional years. The contractor receiving the award may not have an exclusive contract to perform services for these projects. The University may have additional campus service professionals under contract during the same time period. Accordingly, the selected firm(s) minimum bonding capacity should be \$1,000,000 and be sufficient to contract multiple concurrent projects.

Minor projects are defined as projects with a value of up to \$1,000,000 or studies for which the fee for professional services is \$200,000 or less.

FORM OF PROPOSALS

It is the University's intention to have professionals in the discipline of General Contractor for this project.

The selected General Contractor will provide budgets, estimates, schedules, construction services, construction administration, and project close out documentation for the referenced project. Blanket professional liability insurance for the General Contractor will be required for this project in the amount of \$250,000 and will be provided as a part of Basic Services.

The committee members have elected not to meet with proposed firms.

Carefully review the General Contractor Agreement, the General Conditions documents, and the UCF Design, Construction, and Renovation Standards. Submitting a proposal for this project constitutes complete agreement with and acceptance of the terms and conditions contained within these documents. These documents can be found on our website at www.fp.ucf.edu with the advertisement. Please note that the University of Central Florida will not compensate for lodging, food, or travel associated with this project.

INSTRUCTIONS

Firms desiring to provide construction services for the project shall submit a letter of application and a completed University of Central Florida "General Contractor Qualifications Supplement." Proposals must not exceed 40 pages, including the General Contractor Qualifications Supplement and letter of application. Pages must be numbered consecutively.

A list of completed jobs over the last three (3) years with contact names and telephone numbers must be provided. Submittals, which do not comply with these requirements or do not include the requested data, will not be considered. No submittal material will be returned.

Five (5) bound copies of the required proposal data shall be submitted to: Mrs. Gina Seabrook, Facilities Planning, 4000 Central Florida Blvd., Post Office Box 163020, Orlando, FL 32816-3020. Submittals must be received by 5:00 p.m. local time on May 31st, 2011. Facsimile (FAX) submittals are not acceptable and will not be considered. Late submissions will not be accepted.

Selection of finalists for interviews will be made on the basis of Contractors qualifications, including experience and ability; past experience; bonding capacity; cost estimating; and qualification of the firm's personnel, staff, and consultants. Finalists will be provided with a description of the final interview topics. The Selection Committee may reject all proposals and stop the selection process at any time.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a contractor may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past thirty six (36) months. The selected contractor must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or contractor in excess of \$15,000.00 in connection with this project for a period of thirty six (36) months from the date of their being placed on the convicted vendor list

PROJECT FACT SHEET

The Project Fact Sheet and the General Contractor Qualifications Supplement may be obtained by contacting: Mrs. Gina Seabrook, University of Central Florida, Phone (407)823-2166, Fax (407)823-5141, Email: gina.seabrook@ucf.edu, Web site: www.fp.ucf.edu.

FLORIDA DEVELOPMENTAL DISABILITIES COUNCIL

REQUEST FOR PROPOSALS (FDDC # 2011-EM-9006)

Developing Employment Opportunities for Individuals with Developmental Disabilities Residing in Rural Communities

The Florida Developmental Disabilities Council, Inc. (FDDC) is pleased to announce that this request for proposals (RFP #2011-EM-9006) is released in order to identify specific issues that exist in rural areas that impede employment opportunities for individuals with developmental disabilities and develop effective strategies to address these issues.

Individuals, not-for-profit, and for-profit agencies may submit proposals in response to this RFP. FDDC has set aside federal funds for a period not to exceed one (1) year for fiscal support of this RFP. The exact amount of this contract will be developed during contract negotiations.

Copies of this RFP can be downloaded from the FDDC website (www.fddc.org) or copies may be requested by writing FDDC at 124 Marriott Drive, Suite 201, Tallahassee, FL 32301, or calling (850)488-4180 or Toll Free 1(800)580-7801 or TDD Toll Free 1(888)488-8633.

The deadline for submitting written questions and letters of intent for this RFP is 05/16/2011 by 4:00 p.m. (EDT). Letters of intent are encouraged but not mandatory. Letters of Intent will only be accepted by fax, mail, or hand delivery. Letters of Intent by email will not be accepted. All answers to written questions will be posted on the FDDC website during the week of 05/25/2011. The deadline for submitting proposals for this RFP to FDDC is 06/15/2011 by 2:00 p.m. (EDT).

THE ABOVE ANNOUNCEMENT WILL APPEAR IN THE FLORIDA ADMINISTRATIVE WEEKLY AND ON THE FDDC WEB PAGE (fddc.org) ON 04/29/2011.

PLEASE FORWARD ALL REQUESTS FOR COPIES OF THIS RFP TO CAROLYN WILLIAMS.

QUESTIONS ARE TO BE SUBMITTED IN WRITTEN FORMAT ONLY. THIS IS A LEGAL PROCESS AND WE CANNOT ANSWER QUESTIONS VERBALLY.

REQUEST FOR PROPOSALS (FDDC # 2011-EM-9007)

Employ Me 1st

The Florida Developmental Disabilities Council, Inc. (FDDC) is pleased to announce that this request for proposals (RFP #2011-EM-9007) is released to research and evaluate the Employment First strategies being utilized in various states, evaluate the viability of these strategies for Florida, and develop an implementation plan that will include key stakeholders, specific action steps and evaluation points for determining success of the process.

Individuals, not-for-profit, and for-profit agencies may submit proposals in response to this RFP. FDDC has set aside federal funds for a period not to exceed one (1) year for fiscal support of this RFP. The exact amount of this contract will be developed during contract negotiations.

Copies of this RFP can be downloaded from the FDDC website (www.fddc.org) or copies may be requested by writing FDDC at 124 Marriott Drive, Suite 201, Tallahassee, FL 32301, or calling (850)488-4180 or Toll Free 1(800)580-7801 or TDD Toll Free 1(888)488-8633.

The deadline for submitting written questions and letters of intent for this RFP is 06/02/11 by 4:00 p.m. (EDT). Letters of intent are encouraged but not mandatory. Letters of Intent will only be accepted by fax, mail, or hand delivery. Letters of Intent by email will not be accepted. All answers to written questions will be posted on the FDDC website the week of 6/13/11. The deadline for submitting proposals for this RFP to FDDC is 07/11/11 by 2:00 p.m. (EDT).

THE ABOVE ANNOUNCEMENT WILL APPEAR IN THE FLORIDA ADMINISTRATIVE WEEKLY AND ON THE FDDC WEB PAGE (fddc.org) ON 04/29/2011.

PLEASE FORWARD ALL REQUESTS FOR COPIES OF THIS RFP TO CAROLYN WILLIAMS.

QUESTIONS ARE TO BE SUBMITTED IN WRITTEN FORMAT ONLY. THIS IS A LEGAL PROCESS AND WE CANNOT ANSWER QUESTIONS VERBALLY.
