DEO Final Order No.: DEO-11-0033  
In re: MONROE COUNTY LAND  
DEVELOPMENT REGULATIONS  
ADOPTED BY MONROE COUNTY  
ORDINANCE NO. 017-2011

FINAL ORDER

The Department of Economic Opportunity (the "Department") hereby issues its Final Order, pursuant to §§ 380.05(6), Florida Statutes, and 380.0552(9), Florida Statutes (2010), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

- 1. The Florida Keys Area is a statutorily designated area of critical state concern, and Monroe County is a local government within the Florida Keys Area.

2. On October 20, 2011, the Department received for review Monroe County Ordinance No. 017-2011 (“Ord. 017-2011”), adopted by Monroe County on September 21, 2011.
3. The purpose of Ord. 017-2011 is to amend Monroe County Code Section 110-5, Notice, Section 110-69, Minor Conditional Uses, and Section 110-70, Major Conditional Uses, to modify the procedure for public notice of, and revise the process for reviewing minor and major conditional use permit applications.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. § 380.05(6), Florida Statutes, and § 380.0552(9), Florida Statutes (2010).
5. Monroe County is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Florida Statutes (2010) and Rule 28-29.002 (superseding Chapter 27F-8), Florida Administrative Code.
6. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Florida Statutes (2010). The regulations adopted by Ord. 017-2011 are land development regulations.
7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the “Principles”) as set forth in § 380.0552(7), Florida Statutes. See *Rathkamp v. Department of Community Affairs*, 21 F.A.L.R. 1902 (Dec. 4, 1998), *aff’d*, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
8. Ord. 017-2011 is consistent with and furthers the following Principles:
  - (a) To strengthen a local government’s capabilities for managing land use and development so that the local government is able to achieve these objectives without continuing the area of critical state concern designation.
  - (d) To ensure the maximum well-being of the Florida Keys and its citizens through sound economic development.
  - (n) To protect the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource.
9. Ord. 017-2011 is consistent with the Principles for Guiding Development as a whole.
10. Ord. 017-2011 furthers the Monroe County Comprehensive Plan.

WHEREFORE, IT IS ORDERED that Ord. 017-2011 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.

The Department of Environmental Protection gives notice of its intent to grant a variance (No. 0296970-002-BV) from the provisions of paragraph 62-4.244(5)(c), F.A.C., to allow the turbidity mixing zone to exceed 150 meters; and from sub-subparagraph 62-4.242(2)(a)2.b., F.A.C., to establish a maximum allowable turbidity level above background for work within 2,000 meters of the St. Lucie Inlet Preserve State Park, Aquatic Preserve, Outstanding Florida Waters (OFW). The variance is for the Florida Inland Navigation District, 1314 Marcinski Road, Jupiter, FL 33477, to conduct maintenance dredging of the Crossroads Channel located at the intersection of the Intracoastal Waterway (ICWW) and Okeechobee Waterway (OWW) in St. Lucie Inlet; to remove material from the M-5 Dredged Materials Management Area (DMMA); and to use the beach compatible material from both sources to nourish 3.5 miles of shoreline along the St. Lucie Inlet Preserve State Park and the Hobe Sound National Wildlife Refuge. (FDEP File No. 0296970-002-BV) The Department’s file on this matter is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Department of Environmental Protection, Office of Beaches and Coastal

Systems, 4708 Capital Circle N.W., Tallahassee, Florida 32303, Telephone: (850)488-7708, website: [www.dep.state.fl.us/beaches/permitting/permits.htm](http://www.dep.state.fl.us/beaches/permitting/permits.htm).

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57 of the Florida Statutes. The petition must contain the information set forth below and must be filed (received by the clerk) in the: Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000.

Mediation under Section 120.573 of the F.S., is not available.

Because the administrative hearing process is designed to redetermine final agency action on the application, the filing of a petition for an administrative hearing may result in a modification of the agency action or even a denial of the application. If a sufficient petition for an Administrative Hearing or request for an extension of time to file a petition is timely filed, this agency action automatically becomes only proposed agency action on the application, subject to the result of the administrative review process. Accordingly, the applicant is advised not to commence construction or other activities in accordance with this variance until the deadlines noted below for filing a petition for an administrative hearing, or request for an extension of time has expired.

Under subsections 28-106.111(3) and 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the: Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000, before the applicable deadline. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. If a request is filed late, the Department may still grant it upon a motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect.

In the event that a timely and sufficient petition for an administrative hearing is filed, other persons whose substantial interests will be affected by the outcome of the administrative process have the right to petition to intervene in the proceeding. Any intervention will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

In accordance with subsections 28-106.111(2) and paragraph 62-110.106(3)(a), (4), F.A.C., petitions for an administrative hearing by the applicant must be filed within 14 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first.

Under Section 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition for an administrative hearing within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S.

A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action; and (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action; (g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.S. Under Sections 120.569(2)(c) and (d), F.S., a petition for administrative hearing must be dismissed by the agency if the petition does not substantially comply with the above requirements or is untimely filed.

This action is final and effective on the date filed with the Clerk of the Department unless a petition is filed in accordance with the above. Upon the timely filing of a petition this order will not be effective until further order of the Department.

This variance constitutes an order of the Department. The applicant has the right to seek judicial review of the order under Section 120.68, Florida Statutes, by the filing of a notice of appeal under Rule 9.110, Florida Rules of Appellate Procedure, with: The Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000; and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within 30 days from the date when the final order is filed with the Clerk of the Department
