

DEPARTMENT OF HEALTH

NOTICE IS HEREBY GIVEN that on July 2, 2012, the Board of Pharmacy has received the petition for declaratory statement from Angela S. Garcia, PharmD, CPh. The petition seeks the agency’s opinion as to the applicability of Section 465.189, F.S., as it applies to the petitioner.

The petition requests the Board to issue a declaratory statement regarding Section 465.189, F.S., as to whether training in the administration of influenza virus immunization received by interns prior to licensure as pharmacists may be accepted for certification to administer said immunizations subsequent to receipt of licensure as a Florida Pharmacist or if such training is only acceptable for certification if obtained post licensure in the form of continuing education. The request is based upon the proposition that the course work is equivalent and the only distinction is the point of delivery.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Mark Whitten, Executive Director, Board of Pharmacy, 4052 Bald Cypress Way, Bin #C04, Tallahassee, Florida 32399-3254.

NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the disciplines of engineering and architecture for Total Building Commissioning will be required for the project listed below:

Project: UF-368, Reitz Union Expansion and Renovation (Gainesville, FL)

The project consists of the expansion and renovation of the J. Wayne Reitz Union (JWRU) in the heart of campus at the University of Florida. The project will demolish the existing colonnade building, build approximately 100,000 GSF in this location and renovate roughly 50,000 GSF in the existing building. The JWRU was constructed in 1967 when there were only 19,000 students and 150 student clubs. UF currently has approximately 50,000 students and over 900 registered clubs and organizations without any significant expansion to the student space.

The scope of services shall include design phase peer review; completion and maintenance of the Owner's Project Requirements (OPR) document; development of the Commissioning Plan, Commissioning Specifications, and

Systems Manual; and construction phase pre-functional, functional, and performance testing for mechanical, electrical, building automation, and building envelope systems. The consultant shall also support project efforts to achieve higher-than-normal energy efficiency and attain Platinum LEED certification.

Blanket professional liability insurance will be required for this project in the amount of \$1,000,000.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet for Commissioning Consultants, and other background information.

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services.
2. A completed, project-specific Commissioning proposal form with signed certification. Applications on any other form will not be considered.
3. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff (applicant and consultants).
4. Proof of the applicant's corporate status in Florida (if applicable) and copies of current licenses for the applicant and its consultants from the appropriate governing board.
5. Proof of the applicant's ability to be insured for the level of professional liability coverage demanded for this project.

At the time of application, the applicant must possess current design Professional Registration Certificate(s) from the appropriate governing board; must be properly registered to practice its profession in the State of Florida; and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected applicant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

The Commissioning Services Proposal Form and Instructions, Project Fact Sheet, UF Design Services Guide, UF Design & Construction Standards, FP&C non-technical specifications, standard University of Florida Owner-Commissioning Consultant agreement, and other project and process information can be found on the Facilities Planning & Construction website. Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning & Construction office by 3:00 PM local time, on Tuesday August 21, 2012. Facsimile (FAX) submittals are not acceptable and will not be considered.

NOTICE TO CONSTRUCTION MANAGERS:

The University of Florida Board of Trustees announces that CM-At-Risk services will be required for the project listed below:

Project: UF-368, Reitz Union Expansion and Renovation (Gainesville, FL)

The project consists of the expansion and renovation of the J. Wayne Reitz Union (JWRU) in the heart of campus at the University of Florida. The project will demolish the existing colonnade building, build approximately 100,000 GSF in this location and renovate roughly 50,000 GSF in the existing building. The JWRU was constructed in 1967 when there were only 19,000 students and 150 student clubs. UF currently has approximately 50,000 students and over 900 registered clubs and organizations without any significant expansion to the student space.

The total project budget is \$69,000,000, including building demolition, site improvements, underground utilities, fees, surveys & tests, total building commissioning, furnishings & equipment, and contingencies. Construction shall be phased to begin summer 2013. Platinum LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory.

The contract for construction management services will consist of two phases, pre-construction and construction. Pre-construction services will begin at the Conceptual Design stage and will include production of cost studies and estimates; value engineering; analysis of the design documents for constructability, coordination, detailing, materials, and systems; development and maintenance of the construction schedule; production of detailed jobsite management plans; development of strategies for the procurement of trade contracts; development of waste management strategies; and development of a Guaranteed Maximum Price (GMP) proposal based on 100% Construction Documents. If the GMP proposal is accepted and executed, the construction phase will be implemented. In this phase, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase

one of the contract, or failure to arrive at an acceptable GMP budget within the time provided in the agreement, may result in the termination of the construction manager's contract.

Applicants will be evaluated on the basis of their past performance, experience, personnel, references, bonding capacity, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant must be licensed to practice as a general contractor in the State of Florida and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide construction management services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the CMQS Instructions and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific "CM Qualifications Supplement" (CMQS) proposal. Applications on any other form will not be considered.
4. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff.
5. Proof of the applicant's corporate status in Florida (if applicable) and a copy of the applicant's current contracting license from the appropriate governing board.
6. Proof of applicant's bonding capacity and liability insurance coverage.
7. Proof of the applicant's Experience Modification Rating (EMR) safety rating.

If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction manager must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

Additional information to assist the applicant in preparing a complete proposal – including the project-specific CMQS forms, instructions, Project Fact Sheet, facilities program, UF Design Services Guide, UF Design and Construction

Standards, standard University of Florida Agreement for CM Services, and other project and process information – can be found on the Facilities Planning & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning & Construction office by 3:00 PM local time on Thursday August 16, 2012. Facsimile (FAX) submittals are not acceptable and will not be considered.

JACKSONVILLE PORT AUTHORITY

**REQUEST FOR QUALIFICATIONS
STRATEGIC MASTER PLAN FOR THE
JACKSONVILLE PORT AUTHORITY**

CONTRACT NO.: 12-16

The JPA is requesting Statements of Qualifications (SOQ's) from Professional Consultant/Firms interested in preparing a comprehensive Port Strategic Master Plan for the JPA. The Master Plan will serve as the primary document to guide the JPA to its desired pattern of growth and development. The Master Plan will identify and incorporate the changing business trends and adjustments of the maritime port industry over the next five (5) years and will include ten (10) and twenty (20) year plans that are integrated into the Master Plan. The Master Plan should also include recommendations and implementation strategies to provide useful guidance and direction for the JPA's future growth.

Therefore, the JPA is specifically seeking a Planning consulting firm or team with experience in preparing a Strategic Master Plan for the maritime industry or Ports of similar size.

Submission of SOQ's does not guarantee your company will receive a contract from the JPA, nor does it imply that your company has any type of procurement/contractual relationship with the JPA now or in the future. Information provided by your company will be treated in a reasonable manner and will be subject to disclosure pursuant to the laws of the State of Florida.

University of Florida's Small Business Mentoring Initiative
 The University of Florida Small Business Mentoring Initiative Steering Committee announces a call for applications from potential mentors and potential protégés for participation in the University of Florida's Small Business Mentoring Initiative. The Steering committee will review submitted applications meeting the criteria for submission in order to make a decision regarding firms that will be selected to participate in this year's (FY 2012-2013) initiative. The mentoring initiative has been expanded to include the selection of non-construction related mentor/protégé pairings (e.g. commodities to commodities or commodities to services pairing) and selection of one or more pairs of Consultant Firms (e.g. Architectural and/or Engineering firms) for participation in this initiative. Firms wishing to be considered for participation in the University of Florida's Small Business Mentoring Initiative should complete an application and submit it by mail, e-mail or fax, no later than August 27, 2012, to the following:
