Section IV Emergency Rules

DEPARTMENT OF REVENUE

Corporate, Estate and Intangible Tax

RULE NO.: 12CER13-4
RULE TITLE: Adjustments for Excess Section 179 Expense and Special Bonus Depreciation

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Chapter 2011-229, Laws of Florida, authorizes the Department of Revenue to promulgate an emergency rule, and to renew such rule, to implement the provisions of the law. The law provides that conditions necessary for an emergency rule and its renewal have been met. Chapter 2011-229, Laws of Florida, retroactively makes changes related to bonus depreciation and section 179 expense of the Internal Revenue Code (I.R.C.). This emergency rule establishes procedures for reporting the additions and claiming the subtractions required by Section 220.13(1)(e), F.S.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The Legislature expressly authorized the promulgation of an emergency rule, and the renewal of such rule, to implement Chapter 2011-229, Laws of Florida, and determined that all conditions necessary for this emergency rule have been met. This emergency rule establishes procedures for reporting additions and claiming the subtractions required by Section 220.13(1)(e), F.S., so that taxpayers may timely file the required returns.

SUMMARY: Emergency Rule 12CER13-04, F.A.C. (Adjustments for Excess Section 179 Expense and Special Bonus Depreciation), provides procedures for taxpayers subject to the adjustments contained in Section 220.13(1)(e), F.S., for I.R.C. section 179 expense in excess of: \$250,000 (for tax years beginning in 2010) and \$128,000 (for tax years beginning in 2011 and 2012) and bonus depreciation under I.R.C. sections 167 and 168(k). This emergency rule: (1) provides the additions that taxpayers are required to add back to the amount of the federal deduction claimed under I.R.C. sections 167 and 168(k) for bonus depreciation and under I.R.C. section 179 that exceeds: \$250,000 (for tax years beginning in 2010) and \$128,000 (for tax years beginning in 2011 and 2012); (2) provides the subtractions that are available in each of seven tax years beginning with the year an addition is made under Section 220.13(1)(e), F.S.; (3) requires taxpayers to maintain a schedule reflecting all adjustments made under Section 220.13(1)(e), F.S.; (4) provides that these

adjustments do not affect the basis of the property; and (5) provides when the subtractions under Section 220.13(1)(e), F.S., are allowed.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Robert DuCasse, Revenue Program Administrator I, Technical Assistance and Dispute Resolution, Department of Revenue, P. O. Box 7443, Tallahassee, Florida 32314-7443, telephone (850)717-6476

THE FULL TEXT OF THE EMERGENCY RULE IS:

12CER13-4 Adjustments for Excess Section 179 Expense and Special Bonus Depreciation.

(1) Scope. This rule only applies to taxpayers subject to the adjustments contained in Section 220.13(1)(e), F.S., for IRC section 179 expense in excess of \$250,000 (for tax years beginning in 2010) and \$128,000 (for tax years beginning in 2011 and 2012) and bonus depreciation under IRC sections 167 and 168(k) for assets placed in service on or after January 1, 2010, and on or before December 31, 2012.

(2) Additions Required:

(a)1. For tax years that begin in 2010, taxpayers are required to add back the amount of the federal deduction claimed under section 179 of the Internal Revenue Code ("IRC") that exceeds \$250,000. All amounts in excess of \$250,000 are required to be added back, including amounts carried over from previous tax years under IRC section 179(b)(3)(B). The increased overall investment limitation contained in IRC section 179(b)(2) is the same for Florida as it is for federal income tax purposes.

2. For tax years that begin in 2011 and 2012, taxpayers are required to add back the amount of the federal deduction claimed under section 179 of the Internal Revenue Code ("IRC") that exceeds \$128,000. All amounts in excess of \$128,000 are required to be added back, including amounts carried over from previous tax years under IRC section 179(b)(3)(B). The increased overall investment limitation contained in IRC section 179(b)(2) is the same for Florida as it is for federal income tax purposes.

(b) Taxpayers are required to add back the amount of the federal deduction claimed as bonus depreciation under IRC sections 167 and 168(k) for assets placed in service on or after January 1, 2010, and on or before December 31, 2012.

(3) Subtractions Allowed:

(a) In each of the seven tax years commencing with the year the addition is made under Section 220.13(1)(e), F.S., taxpayers may subtract one-seventh of the amount of excess IRC section 179 expense and one-seventh of the amount of bonus depreciation that is added back under Section 220.13(1)(e), F.S.

(b) The total amount that may be subtracted over the seven-year period should equal, but may not exceed, the amounts of IRC section 179 expense and bonus depreciation that have been added back to Florida taxable income under Section 220.13(1)(e), F.S.

(c) Subtractions may be transferred to the surviving company in a merger or acquisition. Otherwise, if a taxpayer ceases to do business during the seven-year period, it may not accelerate, transfer or otherwise utilize a subtraction.

(4) A schedule reflecting all of the adjustments made under Section 220.13(1)(e), F.S., must be created and maintained. Taxpayers must also report any additions on Schedule I, Additions and/or Adjustments to Federal Taxable Income, of the Florida Corporate Income/Franchise and Emergency Tax Return (Form F-1120, incorporated by reference in Rule 12C-1.051, F.A.C.) and any subtractions on Schedule II, Subtractions from Federal Taxable Income, of the return for the applicable tax year. Partnerships filing a Florida Partnership Information Return (Form F-1065, incorporated by reference in Rule 12C-1.051, F.A.C.) are required to make the adjustments required by Section 220.13(1)(e), F.S., on Part I of Form F-1065.

(5) Basis of Property: The adjustments required by Section 220.13(1)(e)1. and 2., F.S., (relating to excess IRC section 179 expense and bonus depreciation), do not affect the basis of the underlying property. The basis of the property for Florida corporate income tax purposes is the same as the basis of the property for federal income tax purposes. If the property is sold or otherwise disposed of, the gain or loss for Florida corporate income tax purposes is the same as the gain or loss for federal income tax purposes and is included in federal taxable income apportioned to Florida. Differences in the apportionment fraction from one year to the next are disregarded. The applicable depreciation conventions, methods, and recovery periods are computed in the same manner as they are computed in determining federal taxable income.

(6) The subtractions allowed by Section 220.13(1)(e), F.S., are the means by which the additions required by Section 220.13(1)(e), F.S., are reconciled and recovered. If a taxpayer does not claim a deduction for bonus depreciation or a deduction for IRC section 179 expense in excess of \$250,000 (for tax years beginning in 2010) and \$128,000 (for tax years beginning in 2011 and 2012), no add-back is required or subtraction allowed for Florida corporate income tax purposes. Similarly, if a taxpayer did not add back bonus depreciation or excess section 179 expense because, for example, it was not subject to the Florida corporate income tax in that year, no subtraction is allowed for Florida corporate income tax purposes.

(7) No subtraction is allowed for bonus depreciation or IRC section 179 expense unless it has been added back in computing Florida taxable income under Section 220.13(1)(e), F.S.
