RULE NO.: RULE TITLE:

64B8-1.007 List of Approved Forms; Incorporation

PURPOSE AND EFFECT: The proposed rule amendment is intended to incorporate the revised intern/resident/fellow and house physician application form into the Board’s forms rule.

SUMMARY: The proposed rule amendment incorporates the revised intern/resident/fellow and house physician application form into the Board’s forms rule.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The change in the form is necessary to clarify that the renewal fee for house physicians is \$200 and not \$220, as currently stated in the form. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF TRANSPORTATION

The Florida Department of Transportation District 2 announces a public meeting to which all persons are invited.

DATE AND TIME: April 6, 2015, 4:30 p.m. – 6:30 p.m.

PLACE: Bradford County Fair Association, Building 1, 2300 N. Temple Avenue, Starke, FL 32091

GENERAL SUBJECT MATTER TO BE CONSIDERED: The Florida Department of Transportation (FDOT) will conduct a Kick-Off Meeting about a study for a possible railroad crossing in Starke. The City of Starke is currently divided by the CSX railroad that runs parallel to US 301. There are approximately 29 trains per day that utilize the tracks and this number is expected to grow. This results in longer wait times throughout the day for emergency vehicles and other motorists. Although there are numerous locations to cross the tracks, there are no raised crossings over the railroad in Starke. An overpass would improve emergency response

times and allow traffic to flow more freely. The goal of the study is to identify a suitable location within Starke. This meeting is being held to give interested persons an opportunity to express their views concerning the location, conceptual design, and social, economic and environmental effects of the proposed improvements.
