**DEPARTMENT OF BUSINESS AND PROFESSIONAL
REGULATION**

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On July 7, 2016, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code, and Paragraph 5-202.11(A), 2009 FDA Food Code from Raw Poke Bar located in Ft Lauderdale. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the three compartment sink and at the handwash sink.

The Petition for this variance was published in Vol. 42, No. 134, F.A.R., on July 12, 2016. The Order for this Petition was signed and approved on July 22, 2016. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash and three-compartment sinks is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash and three-compartment sinks are provided with hot and cold running water under pressure; the handwash sink is provided with soap, an approved hand drying device and a handwashing sign.

A copy of the Order or additional information may be obtained by contacting: George.Koehler@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

DEPARTMENT OF ENVIRONMENTAL PROTECTION
 RULE NO.: RULE TITLE:

62-602.270 Eligibility for Operator Examinations

The Department of Environmental Protection hereby gives notice that it has issued an order on July 15, 2016 granting the School Board of St. Johns County, Florida's Petition for Variance. The Petition was received on March 14, 2016. Notice of receipt of this Petition was published in the Florida Administrative Register on March 17, 2016, Vol 42, No. 53. The petition requested a variance from paragraph 62-602.270(1)(a), F.A.C., to allow students enrolled in the Academy of Coastal and Water Resources at the St. Johns Technical High School to take the Level C Water/Wastewater Exam from the Operator Certification Program prior to high school graduation. No comments were received in response to the notice. The Order, OGC Case No. 16-0146, granted the Petition to paragraph 62-602.270(1)(a), F.A.C., based on a showing that Petitioner demonstrated that it will suffer a substantial hardship if students are precluded from taking the exam prior to obtaining the high school diploma; entry in the workforce upon graduation would be delayed and an economic hardship would occur if made to comply with the current examination requirements.

A copy of the Order or additional information may be obtained by contacting: Ron McCulley, Department of Environmental Protection, MS 3506, 2600 Blair Stone Road, Tallahassee, Florida 32399-2400, (850)245-8384, Ronald.McCulley@dep.state.fl.us during normal business hours, 8:00 a.m. – 5:00 p.m., Monday through Friday, except legal holidays.

Final Order No. DEO-16-130

STATE OF FLORIDA

DEPARTMENT OF ECONOMIC OPPORTUNITY

In re: A LAND DEVELOPMENT REGULATION
ADOPTED BY MONROE COUNTY, FLORIDA,
ORDINANCE NO. 006-2016

FINAL ORDER

APPROVING MONROE COUNTY ORDINANCE NO. 006- 2016

The Department of Economic Opportunity ("Department") hereby issues its Final Order, pursuant to sections 380.05(6) and 380.0552(9), Florida Statutes, approving land development regulations adopted by Monroe County, Florida, Ordinance No. 006-2016 (the "Ordinance").

FINDINGS OF FACT

1. The Florida Keys Area is designated by section 380.0552, Florida Statutes, as an area of critical state concern. Monroe County is a local government within the Florida Keys Area.

2. The Ordinance was adopted by Monroe County on May 27, 2016, and rendered to the Department on July 26, 2016.

3. The Ordinance amends the Monroe County Land Development Code (“Code”) in its entirety. The updates to the Code include, but are not limited to, updating definitions, removing obsolete language, addressing non-conforming uses and structures, providing new opportunities for community participation, addressing variances for lot line setback and non-shoreline setbacks, providing submittal requirements for lot line deviations, establishing a bi-annual review of facility standards, updating references to the Florida Administrative Code, limiting fences to 6-feet, addressing landscape, irrigation, and outdoor lighting standards, strengthening traffic study requirements, and creating to minding restoration requirements.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. Sections 380.05(6), and 380.0552(9), Florida Statutes.

5. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. Section 380.031(8), Florida Statutes. The regulations adopted by the Ordinance are land development regulations.

6. The Ordinance is consistent with the Monroe County Comprehensive Plan generally, and specifically, General Policy 2, as required by section 163.3177(1), Florida Statutes.

7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. Sections 380.05(6) and 380.0552(9), Florida Statutes. The Principles for Guiding Development for the Florida Keys Area of Critical State Concern are set forth in section 380.0552(7), Florida Statutes.

8. The Ordinance is consistent with the Principles for Guiding Development as a whole, and specifically furthers section 380.0552(7)(a), Florida Statutes, which requires “strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives without continuing the area of critical state concern designation.”

WHEREFORE, IT IS ORDERED that the Department finds that Monroe County Ordinance No. 006-2016 is consistent with the Monroe County Comprehensive Plan and

Principles for Guiding Development for the Florida Keys Area of Critical State Concern and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below.

DONE AND ORDERED in Tallahassee, Florida.
