DEPARTMENT OF CHILDREN AND FAMILIES

Family Safety and Preservation Program

RULE NO.: 65C-29.003 RULE TITLE: Child Protective Investigations
PURPOSE AND EFFECT: The Department intends to amend
Rule 65C-29.003, F.A.C., to clarify: 1) The responsibilities of
the child protective investigator when a child cannot remain in
the home without safety management; and 2) The least
intrusive protective actions.

SUMMARY: The amendments will clarify that the child
protective investigator must take the child into protective
custody when the child cannot remain in the home without
safety management and a family-made arrangement is not
appropriate. Additionally, the amendments will clarify that
when a relative is unavailable or not an appropriate placement
option, the next least intrusive action is placement of the child
with a non-relative who is known to the family and who is
able to provide for the health and safety of the child and has an
established relationship with the child.

SUMMARY OF STATEMENT OF ESTIMATED
REGULATORY COSTS AND LEGISLATIVE
RATIFICATION: The Agency has determined that this will
not have an adverse impact on small business or likely
increase directly or indirectly regulatory costs in excess of
\$200,000 in the aggregate within one year after the
implementation of the rule. A SERC has not been prepared by
the Agency.

The Agency has determined that the proposed rule is not
expected to require legislative ratification based on the
statement of estimated regulatory costs or if no SERC is
required, the information expressly relied upon and described
herein: The Department used a checklist to conduct an
economic analysis and determine if there is an adverse impact
or regulatory costs associated with this rule that exceeds the
criteria in section 120.541(2)(a), F.S. Based upon this analysis,
the Department has determined that the proposed rule is not
expected to require legislative ratification.

Any person who wishes to provide information regarding a
statement of estimated regulatory costs, or provide a proposal
for a lower cost regulatory alternative must do so in writing
within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

65C-29.003 Child Protective Investigations.
(1) through (2) No change.
(3) Safety Planning Requirements. For every report
received in which a danger threat has been identified, the
following actions shall be completed:
(a) Upon the identification of a danger threat, the child
protective investigator shall determine if, with the provision of
safety management services and the implementation of an in-
home safety plan, the child can safely remain at home.
1. If the child cannot remain in the home without safety
management, the child protective investigator must develop an
out-of-home safety plan. If the family has not made a family-
made arrangement prior to the Department’s intervention or
the family-made arrangement is not appropriate due to the
circumstances surrounding the danger threat(s) in the home,
the child protective investigator shall take the child into
protective custody and determine from the following list the
least intrusive protective actions to ensure the child’s safety:
a. through b. No change.
c. When a relative is unavailable or not an appropriate
placement option, the next least intrusive action is placement
of the child with a non-relative who is known to the family
and who is able to provide for the health and safety of the

Criminal Justice Standards and Training Commission

RULE NO.: RULE TITLE:

11B-30.0062 State Officer Certification Examination Assignment and Retake Eligibility Requirements

NOTICE IS HEREBY GIVEN that on March 24, 2016, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of paragraph 11B-30.006(2)(a), F.A.C., from Brett Shively, Training Director, Florida Department of Corrections School #66 on behalf of Ray Cone. The Petitioner wishes to permanently waive that portion of the rule that states: individuals who, within four years of beginning basic recruit training, have successfully completed a Commission-approved Basic Recruit Training

Program, pursuant to paragraphs 11B-35.002(1)(a), (b) and (c), F.A.C. Petitioner states Ray Cone successfully completed a Commission approved Basic Recruit Training Program from December 14, 2015 through February 29, 2016 and achieved a passing score on the State Officer Certification Exam on March 2, 2016. Petitioner states that due to an administrative error in grading the end of block exam for Intake and Release, Mr. Cone had a score of 78% and not the required 80%. Petitioner states that Mr. Cone was retested on March 17, 2016 and achieved a passing score of 88%. Petitioner states that strict application of the rule creates a substantial hardship and violates principles of fairness because the DOC would not have the benefit of hiring Mr. Cone in a critically needed position and the added costs associated with Mr. Cone having to attend a Basic Recruit Program. Petitioner states the purpose of the underlying statute would be achieved if the waiver is granted.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Linton B. Eason, Assistant General Counsel, Florida Department of Law Enforcement, P.O. Box 1489, Tallahassee, FL 32302 or by calling (850)410-7676.

FINDINGS OF FACT

1. The Florida Keys Area is designated by section 380.0552, Florida Statutes, as an area of critical state concern. Islamorada, Village of Islands, is a local government within the Florida Keys Area.

2. The Ordinance was adopted by Islamorada, Village of Islands, on January 14, 2016, and rendered to the Department on February 15, 2016.

“Off-street parking,” Section 30-855, “Driveways,” and Section 30-857, “Clear Sight Triangle.” The purpose of the ordinance is to add further regulations to off-street parking and driveways and to eliminate the required separation distance between driveways in a residential zoning district.

CONCLUSIONS OF LAW

Stat. The Principles for Guiding Development for the Florida Keys Area of Critical State Concern are set forth in Section 380.0552(7), Florida Statutes.

9. The Ordinance is consistent with the Principles for Guiding Development in Section 380.0552(7), Florida Statutes, as a whole, and is specifically consistent with the following Principles:

(a) Strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives without continuing the area of critical state concern designation.

(n) Protecting the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource.

WHEREFORE, IT IS ORDERED that the Department finds that the Islamorada, Village of Islands Ordinance No. 16-01 is consistent with the Islamorada, Village of Islands, Comprehensive Plan and the Principles for Guiding Development for the Florida Keys Area of Critical State Concern and is hereby APPROVED.
