THE FULL TEXT OF THE PROPOSED RULE IS:

61-20.001 Licensing Procedure for Manager’s License.

(1) No change.

(2)(a) No person who is subject to the provisions of these rules shall provide community association management services without first complying with the requirements of Chapter 61-20, F.A.C., and Rule Title 61E14, F.A.C.

(b) Application for License. All persons subject to the provisions of these rules shall apply to the department division for a community association manager’s license, on Form DBPR CAM 1 a BPR form 33-009, APPLICATION FOR LICENSURE AS A COMMUNITY ASSOCIATION MANAGER EXAMINATION, incorporated ~~herein~~ by reference in Rule 61-35.020(1), F.A.C. and effective 4-28-94. The application fees as set forth in Rule 61E14-3.001, F.A.C., A non-refundable fee of \$50 shall be included with the application.

(3) Review of Application.

(a) Within 30 days of the receipt of the application the department division shall determine if the application is complete. A complete application refers to an approved department division application form which contains all of the information requested on the form and all documentation and fees required to be furnished with the application (including the applicant’s criminal history record provided by the Florida Department of Law Enforcement), as required by the application or by any statute or rule of the department division, and the fee required by paragraph (2)(b) of this rule. The applicant’s criminal history records, provided by the Florida Department of Law Enforcement upon request by the department division, must be received by the department division for the applicant’s application to be considered complete. An application which contains errors, omissions, or which requires additional or clarifying information is not considered a complete application.

(b) Within 15 days of receipt of the application, the department division shall request the applicant’s criminal history record from the Florida Department of Law Enforcement. If the criminal history record provided by the Florida Department of Law Enforcement shows law enforcement information not included on the applicant’s application, the department division will notify the applicant in writing of the discrepancy and the applicant shall be required to provide an explanation and documentation as necessary to provide the department division the information needed to be fully informed of the applicant’s criminal record. Where an

arrest or charge was dismissed, or formal statement of nolle prosequere by the prosecuting authority was issued, or otherwise disposed of without resulting in a criminal record as defined herein, a copy of the document (need not be certified true copy) issued by the court or other government agency resulting in such disposition shall be sufficient.

(c) No change.

(d) If the application is not complete, the department division shall, within 30 days of receipt, notify the applicant in writing and request the additional information and documentation needed to complete the application. The applicant shall have 60 days from the date of the notice in which to correct the errors or omissions and provide the additional information or explain in writing why such errors or omissions cannot be corrected or such information cannot be provided within 60 days.

(4) General Procedure.

(a) If the deficiency is not timely corrected or the applicant fails to provide any explanation why it cannot respond to such a request, the application shall be denied. The application shall be denied solely on the grounds that the application is not complete. If the applicant timely files some but not all of the requested information or corrects some but not all of the errors or omissions in response to the department’s division’s notice, the timely filed information and other materials shall be included in the application file and no additional deficiency notice shall be sent by the department division. At the expiration of 60 days after the date of the deficiency notice, the department division shall make a decision to approve, subject to meeting the examination requirements of Rule 61E14-1.002, F.A.C., or deny the application based on the information and other materials contained in the application file and shall notify the applicant of the decision within 90 days from the applicant’s last timely filed information in response to the department’s division’s deficiency notice.

(b) If the applicant files a timely response indicating that the requested information and corrections cannot be supplied, the department division shall make a decision as to whether the application is approved, subject to meeting the examination requirements of Rule 61E14-1.002, F.A.C., or denied, based on the information currently contained in the application file and so notify the applicant of the decision within 90 days from the applicant’s last timely filed information in response to the department’s division’s deficiency notice.

(c) If all requested information and corrections are timely filed, the department division shall make a decision to approve, subject to meeting the examination requirements of Rule 61E14-1.002, F.A.C., or deny the application and shall notify the applicant of the decision within 90 days of receipt of the information and other materials which make the application complete.

(d) The applicant shall supply the ~~department division~~ with required documentation (as specified below) as to all matters which comprise the applicant's criminal record. All documentation must be completely legible. Required documentation generally includes, as applicable:

1. For arrests, the police arrest affidavit or arrest report or similar document (~~need not be certified true copy~~);
2. The charges (~~certified true copy~~);
3. Plea, judgment and sentence (~~certified true copy~~); and
4. Order of entry into pre-trial intervention, and where applicable, the order of termination of pre-trial intervention showing dismissal of charges (~~all must be certified true copies~~).

(e) Situations may arise where some government agency's records suggest that a criminal record exists regarding the applicant (e.g., FDLE criminal history records show a criminal conviction in another state), but the court or law enforcement agency that should have the actual records denies having them or cannot produce them or cannot produce whole, legible copies of them. In such instances the burden is upon the applicant to show by clear and convincing evidence that the records are not available or do not exist. It is generally sufficient if the applicant supplies a written statement on the letterhead of the agency, that would apparently be the custodian of the record, signed by a representative of the agency, stating that they have no record of such matter, or the record is lost or was damaged or destroyed, or otherwise stating why the record cannot be produced. Upon receipt of such a document, the burden shifts to the ~~department division~~ to find other evidence to establish the existence of the matter, and failing to find same, the ~~department division~~ shall enter into the applicant's ~~department division~~ record a memorandum or other documentation to memorialize the situation, including why the ~~department division~~ took no action on the apparent suggestion of criminal record, and thereafter the ~~department division~~ does not hold the matter against the applicant.

(5) Good Moral Character.

(a) Unless the ~~department division~~ denies the application for incompleteness under paragraph (4)(a) of this rule, the ~~department division~~ shall evaluate the application and make appropriate inquiry to determine the applicant's moral character. Demonstration of all of the following will establish the applicant's good moral character:

1. through 2. No change.
3. No prior history of violations by the applicant of Chapter 468, Part VIII, F.S., any rule of the ~~department division~~ relating to community association management, or any lawful order of the ~~department division~~ previously entered in a disciplinary proceeding, or of failing to comply with a lawfully issued subpoena of the ~~department division~~; and
4. No change.

5. That the applicant has not committed the following in connection with an application:

- a. Given to the ~~department division~~ a check for payment of any fee when there are insufficient funds with which to pay the same, if the applicant, upon notification by the ~~department division~~, fails to redeem the check or otherwise pay the fee within 30 days of the date of written notification by the ~~department division~~; or
- b. Failed to provide full and complete disclosure, or failed to provide accurate information.

(b) If the applicant has failed to establish good moral character under paragraph (5)(a), the ~~department division~~ will then consider the following additional factors to determine whether an applicant has good moral character for purposes of licensure under Chapter 468, Part VIII, F.S.:

1. No change.
2. If the applicant has committed a first degree misdemeanor or a felony, and the applicant's civil rights have been restored, this alone shall not preclude a finding of good moral character unless the crime is directly related to the professional responsibilities of a community association manager. Crimes that are deemed to be directly related to the professional responsibilities of a community association manager include, for example, fraud, theft, burglary, bribery, arson, dealing in stolen property, forgery, uttering a forged instrument, sexual battery, lewd conduct, child or adult abuse, murder, manslaughter, assault, battery, and perjury. The applicant has the burden of proving restoration of civil rights by ~~providing a certified~~ true copy of government or court records reflecting such action.

3. through 4. No change.

5. Conduct of the applicant relied upon by the ~~department division~~ to determine that the applicant lacks good moral character shall be directly related to the professional responsibilities of a community association manager.

6. Written evidence the ~~department division~~ will consider in determining the applicant's good moral character shall include:

- a. A statement from the applicant explaining the applicant's criminal/unlawful conduct and the reason the applicant believes the ~~department division~~ should issue the license;
- b. through i. No change.

It is the applicant's responsibility to provide such mitigating evidence to the ~~department division~~.

7. No change.

(c) If the applicant has failed to meet the requirements of paragraph (5)(a) of this rule and has been unable to present sufficient evidence to establish good moral character pursuant to paragraph (5)(b) of this rule within the time limitations of this rule and Section 120.60, F.S., the application will be denied.

However, the applicant will be given an opportunity by the ~~department division~~ to waive the time limits of this rule and Section 120.60, F.S., if it appears to the ~~department division~~ that, through the submission of additional information or with additional time for investigation and verification, the applicant's good moral character might be established. The applicant bears the burden of affirmatively providing the ~~department division~~ with evidence of good moral character.

(6) If the application is denied, the ~~department division~~ shall proceed as provided in ~~Section 120.60, F.S. subsection 61B-55.0011(1), F.A.C.~~ The unsuccessful applicant who requests a hearing for issuance of a license under this rule shall have the burden of proof to establish, by a preponderance of the evidence, entitlement to the requested license.

Section V Petitions and Dispositions Regarding Rule Variance or Waiver

DEPARTMENT OF LAW ENFORCEMENT

Criminal Justice Standards and Training Commission

RULE NO.: RULE TITLE:

11B-35.002 Basic Recruit Training Programs for Law Enforcement, Correctional, and Correctional Probation

NOTICE IS HEREBY GIVEN that on August 2, 2017, the Florida Department of Law Enforcement received a petition for a temporary waiver of paragraph 11B-35.002(2)(a), F.A.C., from Marvin Garcia. Petitioner wishes to temporarily waive that portion of the Rule that states: Within four years of the beginning date of a Commission-approved Basic Recruit Training Program, an individual shall successfully complete the program, achieve a passing score on the applicable State Officer Certification Examination pursuant to rule 11B-30.0062, F.A.C., and gain employment and certification as an officer. In justification of his petition for waiver, Petitioner asserts that he completed a commission-approved Basic Recruit Training Program in November of 2013, passed the State Officer Certification Examination (“SOCE”) in January of 2014, and started seeking employment while he was still in training; however, in May of 2014, facing unemployment and impending fatherhood, Petitioner joined the United States Army. In March of 2017, Petitioner applied for a position with the Largo Police Department (“LPD”), and on June 26, 2017, after receiving an offer of employment from the LPD and completing the hiring process, Petitioner was honorably discharged from the United States Army and hired by the LPD. Unbeknownst to Petitioner, Petitioner’s window for obtaining employment expired on May 20, 2017; however, the LPD still desires to employ Petitioner

as a law enforcement officer and to provide him with all necessary training to keep his certification current. Petitioner alleges that, should the waiver not be granted, Petitioner will suffer a substantial hardship as he would have to undergo another Basic Recruit Training Program and pass another SOCE at his own expense, and because he would be without employment during this time.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Dana Kelly, Agency Clerk, Florida Department of Law Enforcement, P.O. Box 1489, Tallahassee, FL 32302, (850)410-7676.
