PURPOSE AND EFFECT: The Board proposed the new rule to outline the payment for training and regional planning reimbursement.

SUMMARY: New rule text to outline reimbursement.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

NOTICE IS HEREBY GIVEN that on April 12, 2019, the Department of Agriculture and Consumer Services, received a petition for Waiver from Grace H. Yang, as counsel for Anheuser Busch, LLC. Petitioner requested a permanent waiver from subsections 5E-14.111(2) and (3), F.A.C., which mandates requirements regarding structural fumigation and the evacuation of all occupants during the time of fumigation. Net bed need projections for comprehensive medical rehabilitation hospital beds have been adjusted according to occupancy rate thresholds as prescribed by the above-mentioned rules. Letters of intent to apply for Certificates of Need pursuant to this notice must be filed with the Certificate of Need Program Office, Building 1, Room 229, MS 28, 2727 Mahan Drive, Tallahassee, Florida, 32308, on or before 5:00 p.m., August 5, 2019.

Any person who identifies an error in the fixed need pool numbers must advise the agency of the error within ten (10) days of publication of the number. If the agency concurs with the error, the fixed need pool number will be adjusted and republished in the first available edition of the Florida Administrative Register. Failure to notify the agency of the error during this ten day time period will result in no adjustment to the fixed need pool number for this cycle and a waiver of the person's right to raise the error at subsequent proceedings. Any other adjustments will be made in the first cycle subsequent to identification of the error including those errors identified through administrative hearings or final judicial review.
