64-4.208 MMTC Background Screening.

(1) Required Background Screening.

(a) No person may serve as an employee, owner, or manager, as those terms are defined by this chapter, of an MMTC unless and until the person has undergone and successfully passed a background screening, as provided in s. 381.986, F.S.

(b) An MMTC that allows a person to serve as an employee, owner, or manager without successfully passing a required background screening will be subject to discipline under this chapter.

(2) Background Screening Procedures.

(a) An MMTC must request and obtain clearance from the department before allowing any individual to serve as an employee, owner, or manager of the MMTC.

(b) To request clearance of a prospective MMTC employee, owner, or manager, an MMTC must provide, via email to OMMULicenseOperation@flhealth.gov, a request that the department process the individual’s background screening report. The MMTC’s request for clearance of a prospective employee, owner or manager must include the full name of the person(s) submitting to background screening together with Form DH8016-OMMU-12/2019, “Waiver Agreement and Statement” incorporated by reference and available at <https://www.flrules.org/Gateway/reference.asp?No=Ref-XXXXX>, which must be completed and signed by the prospective employee, owner, or manager.

(d) Once generated, the background screening report will be sent directly to the department. The department will not process the background screening report unless and until it receives a clearance request from an MMTC, as provided in paragraph (2)(b). If an MMTC does not request clearance from the department within six months from the date the prospective employee, owner or manager submitted fingerprints to a Livescan Service Provider pursuant to paragraph (2)(c), the department will be unable to process the background screening report and the individual will again be required to submit fingerprints to a Livescan Service Provider pursuant to paragraph (2)(c).

(e) After receipt of the background screening report, the department may issue to the individual requests for additional information or clarification necessary to complete the background screening process. Upon assessing the background screening report and any additional information received from the individual, the department will issue notice to the individual stating whether the individual passed the background screening. The department will also issue notice to the MMTC advising whether the individual has been cleared to serve as an employee, owner, or manager of the MMTC.

(f) If an individual’s fingerprints are rejected twice for image quality, the individual shall participate in the Federal Bureau of Investigation’s name check procedure for fingerprint submissions rejected twice due to image quality.

(g) An MMTC must retain in its records clearance notices from the department for all employees, owners, and managers currently serving the MMTC and must retain the notices for at least five years after the employee, owner, or manager is terminated, removed, or otherwise separated from the MMTC.

(3) Fingerprint Retention Fees and Notifications.

RULE NO.: 64-4.210  
RULE TITLE: MMTC Fines, Suspension, and Revocation.  
PURPOSE AND EFFECT:

SUMMARY:  
SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: Pursuant to section 381.986(17), FS, rules

adopted pursuant to section 381.986, FS, before July 1, 2020 are not subject to ss. 120.54(3)(b) and 120.541, F.S.

RULEMAKING AUTHORITY:

LAW IMPLEMENTED:

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS:

THE FULL TEXT OF THE PROPOSED RULE IS:

64-4.210 MMTC Fines, Suspension, and Revocation.

(1) Pursuant to section 381.986, F.S., the department provides within this rule disciplinary guidelines that will be imposed upon licensed MMTCs. The purposes of discipline are to punish MMTCs for violations; to deter them from future violations; to offer opportunities for rehabilitation, when appropriate; and to deter other applicants or licensees from committing violations.

(2) The department may suspend or revoke an MMTC license, or refuse to renew an MMTC license, if the department finds that an MMTC committed a violation as provided in 381.986(10)(f), F.S. For any such violation, the department may revoke or suspend an MMTC's license for a period of time based upon the seriousness of the violation. Factors to be considered in determining the seriousness and length of the revocation or suspension include:

- (a) frequency or number of occurrences;
- (b) potential for rehabilitation;
- (c) any prior violations;
- (d) impact on the department;
- (e) potential and/or actual harm to a qualified patient or a member of the public;
- (f) willfulness and deliberateness of the violation;
- (g) severity of noncompliance;
- (h) length of noncompliance;
- (i) any good faith effort made to prevent a violation; and
- (j) any corrective action taken by the MMTC related to the current violation or prior violations.

(3) The department may, in addition to suspension, revocation, and any other penalties imposed under this chapter, impose a fine of up to \$10,000 per violation, as set forth in the schedule provided in subsection (9). The schedule of fines is meant to serve as a guideline. The department will use the factors set forth in subsection (2) to determine the amount of the fine to impose within the range outlined in the schedule. The maximum fines listed in the schedule reflect the maximum fines

that the department may impose per violation, per day. Where there are multiple incidents resulting in more than one violation of the same provision, the department may impose a fine, up to the maximum, for each violation, per day.

(4) Unless otherwise ordered by the department, an MMTC, during any period of license suspension, shall not cultivate, process, transport, or dispense marijuana, or allow patients or customers to enter the MMTC's premises. Unless otherwise ordered by the department, an MMTC, during any period of license suspension, may continue to possess, cultivate, or process marijuana. The MMTC must fully account for all marijuana and must safeguard any marijuana in its possession or control during suspension. During suspension, the MMTC must maintain its premises in compliance with all representations in the MMTC's application on file with the department and all requirements set forth in section 381.986, F.S., and department rule. Following a suspension, the department may allow the MMTC to resume operations by written notice after the MMTC has complied with any corrective action directives from the department.

(5) During any period of license suspension, an MMTC must place on all of its dispensary facilities in the front window, or on the front door, a notice indicating the length of the suspension and the reasons therefor. The notice shall measure a minimum of 8.5 inches in height by 11 inches in width and the lettering shall be at least 14-point font. The department will create and furnish the notice to the MMTC. If the MMTC maintains a website, the MMTC shall prominently display on the MMTC's homepage the identical notice. The notice shall be maintained in place at the dispensaries and on the MMTC's website until the period of suspension ends.

(6) The issuance of a suspension under this part does not relieve the MMTC of the obligation to timely comply with all license renewal requirements. A license suspension does not toll the MMTC's license renewal deadline.

(7) No MMTC whose license has been revoked may apply for licensure under s. 381.986, F.S., and this chapter for at least five years from the date of such revocation. However, if an MMTC's violation of statute or rule is a contributing factor to the death of a patient, the MMTC will be permanently barred from applying for licensure.

(8) If an MMTC's license is suspended or revoked, no part of the application fee, supplemental licensure fee, or renewal fee will be returned.

(9) The department will use the following schedule as a guideline for disciplinary fines. The complete statutory requirement may be found in the statutory provision cited directly in the violation column.

Agency for Persons with Disabilities

RULE NO.: RULE TITLE:

65G-5.004 Selection of Housing.

The Agency for Persons with Disabilities hereby gives notice: That on October 23, 2019, the Agency for Persons with Disabilities ("Agency") received a petition for a waiver from paragraph 65G-5.004(2)(d), F.A.C., from T.S. ("Petitioner"). The rule states in part: "Neither the supported living provider nor the immediate family of the supported living provider shall serve as landlord or have any interest in the ownership of the housing unit." Petitioner sought a waiver from paragraph 65G-5.004(2)(b), F.A.C., and indicates that her daughter has been living in the home owned by her provider for more than 21 years, has received intense specialized care while there, and regards the residence as her home. The Agency agrees that strict application of the rule would cause a significant hardship to her daughter to the extent that it would preclude her daughter from receiving necessary personal support services from the provider she has known all of her life in the familiar environment she considers her home. The waiver shall be effective January 1, 2020, and shall expire on December 31, 2020. As previously established in the initial rule waiver issued on May 29, 2015, the waiver continues to be subject to annual renewal every calendar year starting January 1st pending receipt of a new petition. The order granting the petition was issued on December 13, 2019.

A copy of the Order or additional information may be obtained by contacting: Danielle Thompson, Esq., Agency Clerk,

Agency for Persons with Disabilities, 4030 Esplanade Way, Suite 335, Tallahassee, FL 32399-095, Phone: (850)922-455, Email: APD.Agencyclerk@apdcares.org.

DEPARTMENT OF CHILDREN AND FAMILIES

Agency for Persons with Disabilities

RULE NO.: RULE TITLE:

65G-2.002 License Application and Renewal Procedures

The Agency for Persons with Disabilities hereby gives notice: That on October 17, 2019, the Agency for Persons with Disabilities (“Agency”) received a petition for a variance from subsection 65G-2.002(7), Florida Administrative Code, from Damaris Place Group Home (“Petitioner”). The Agency published notice in the Florida Administrative Register on October 29, 2019 in volume 45/211. Subsection 65G-2.002(7), F.A.C. provides, “A license to operate a facility is not assignable and is valid only for the applicant identified on the application, and for the premises and purposes specified on the license.” Petitioner indicated that the variance is sought in order to allow an Agency client who is blind and incontinent to receive personal care and respite services from Petitioner, which is licensed to provide residential habilitation services. This client spends days but not nights at Petitioner’s group home and is therefore not a “resident.” This client tried attending adult day training (“ADT”) facilities in the area but they were unable to meet his needs. The client, who is blind, has been receiving services from Petitioner for five years and has become familiar with the landscape of the group home and is comfortable with its staff and residents. Additionally, the residents and their guardians are satisfied with the services provided by Petitioner and have no issues with the client remaining in the group home during the day. The Agency agrees that strict application of the rule would cause a significant hardship to the extent that it would disrupt the relationship Petitioner has developed with this client and require him to either reside overnight at the group home (rather than return to his family’s home) or find an ADT facility capable of meeting his needs. The purpose of the underlying statute is also achieved by this arrangement, which is to require uniform minimum standards for facilities and programs licensed under subsection 393.067(1), Florida Statutes, to ensure appropriate care is provided to all residents and Agency clients. The variance shall be effective January 1, 2020 and will expire on December 31, 2020, subject to annual renewal every calendar year starting January 1st pending receipt of a new petition.

A copy of the Order or additional information may be obtained by contacting: Danielle Thompson, Esq., Agency Cler, Agency for Persons with Disabilities, 4030 Esplanade Way, Suite 335, Tallahassee, FL 32399-0950, Phone: (850)922-4556, Email: APD.Agencyclerk@apdcares.org.
