RULE NO.: RULE TITLE:

61C-5.001 Safety Standards

The Department of Business and Professional Regulation, Division of Hotels and Restaurants, Bureau of Elevator Safety hereby gives notice: On March 4, 2019 the Division issued an order. The Final Order was in response to a Petition for an emergency permanent Variance from Northside Generating

Station, filed February 1, 2019, and advertised on February 6, 2019 in Vol.45, No. 25, of the Florida Administrative Register. No comments were received in response to the petition. The Final Order on the Petition for Variance grants the Petitioner a variance from Rule 2.27.3.2.1, ASME A17.1, 2013 edition, as adopted by Rule 61C-5.001 Florida Administrative Code that requires phase I emergency recall operation by fire alarm initiating devices because the Petitioner has demonstrated that the purpose of the underlying statute has been met and that Petitioner would suffer a substantial hardship if required to comply with this rule (VW 2019-022).

A copy of the Order or additional information may be obtained by contacting: Division of Hotels and Restaurants, Bureau of Elevator Safety, 2601 Blair Stone Road, Tallahassee, Florida 32399-1013. hdr.elevators@myfloridalicense.com.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On February 21, 2019 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(7) Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code from Jetpack Nutrition located in Jacksonville. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers only.

The Petition for this variance was published in Vol. 45/37 on February 22, 2019. The Order for this Petition was signed and approved on March 5, 2019. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within Kazu Japanese Restaurant (9965 San Jose Blvd Suite 35 Jacksonville, FL 32257), are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure that directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Jetpack Nutrition (Peng Yi) and/or Kazu Japanese Restaurant (Kazu Japanese

Restaurant Inc.) changes, an updated signed agreement for use of the bathroom facilities will be required immediately.
