RULE NO.: 12D-16.002  
RULE TITLE: Index to Forms

**PURPOSE AND EFFECT:** The purpose of amending Distribution to Fiscally Constrained Counties Application (Form DR-420FC) is to delete the option to apply for tax losses relating to the reduction in tangible personal property value for citrus production/packing equipment rendered unused due to Hurricane Irma or citrus greening and add the option to apply for offsets from the reduction in ad valorem tax revenue resulting from implementation of section 197.318, Florida Statutes. The purpose of amending Certification of Tax Deed Application (Form DR-513) is to update the form to match language used in s. 197.502, F.S. The purpose of amending Tax Collector’s Warrant (Form DR-517) is to accept a request from the Florida Tax Collector Association to remove the word “paid.” The purpose of amending Agricultural Income and Information (Form DR-546) is to minimize the form to reduce the burden on the taxpayer and increase property owner response. The effect of these proposed amendments is that affected parties will have updated forms available that comply with current law. Rule text is on the Department’s website at <http://floridarevenue.com/rules>.

**SUMMARY:** The proposed form amendments implement statutory provisions based on current law.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: 1) no requirement for a SERC was triggered under Section 120.541(1), F.S.; and, 2) based on past experiences with

activities for providing the public tax information and rules of this nature, the adverse impact or regulatory cost, if any, do not exceed nor would exceed any one of the economic analysis criteria in a SERC, as set forth in Section 120.541(2)(a), F.S. Any person who wishes to provide information regarding a SERC, or to provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice. Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.:           RULE TITLE:

68A-16.006       Prohibitions Related to Bird Traps

PURPOSE AND EFFECT: The purpose of this rule is to address the trafficking of migratory birds and improve the enforcement relating to illegal activities relating to the taking and trapping of migratory birds. This rule language covers a wide variety of traps used by illegal trappers. The effect of this rule is to establish regulations related to the use, placement, possession, and transport of bird traps to prevent illegal trapping migratory birds. The proposed rule language includes exceptions, such as for persons possessing a federal permit or falconry permit and those engaged in activities authorized under Rules 68A-9.010, F.A.C., (Taking of Nuisance Wildlife), 68A-9.012, F.A.C., (Taking of Wildlife on Airport Property) or 68A-12 F.A.C. (Rules Related to Game).

SUMMARY: The Federal Migratory Bird Treaty Act and associated state rule (68A-16.001, F.A.C) prohibits the capture, possession, sale, purchase, and transportation of native birds in Florida. Despite these protections, illegal trapping of native birds has long been a concern in the state, particularly in south Florida, where trapping is thought to be widespread. Although it is illegal to capture, possess, or sell native birds under existing state rule, there currently are no regulations on the use, placement, possession, or transport of bird traps. This complicates the ability of Law Enforcement to enforce existing protections, because officers cannot make a case unless they witness birds in the trap or persons with a bird in their possession. To support the ability of Law Enforcement officers to enforce existing protections, staff recommend establishing regulations regarding the use, placement, possession, and transport of bird traps. The proposed rule language includes exceptions, such as for persons possessing a federal permit or falconry permit and those engaged in activities authorized under Rules 68A-9.010, (Taking of Nuisance Wildlife), 68A-9.012, (Taking of Wildlife on Airport Property) or 68A-12 F.A.C. (Rules Related to Game).

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is

required, the information expressly relied upon and described herein: the nature of the rule and the preliminary analysis conducted to determine whether a SERC was required.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On March 6, 2019 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code and Paragraph 5-202.11(A), 2009 FDA Food Code, Paragraph 4-301.12(A), 2009 FDA Food Code and subsection 61C-4.010(5), Florida Administrative Code, Subparagraph 3-305.11(A)(2), 2009 FDA Food Code, subsection 61C-4.010(1), Florida Administrative Code from Levy Restaurants at Marlins Park Snack Shack located in Miami. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater; that dishwashing facilities for manually washing, rinsing and sanitizing equipment and utensils are provided, and that each establishment have areas for food storage. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink and to share the dishwashing and food storage areas with another food service establishment under the same ownership and on the same premise.

The Petition for this variance was published in Vol. 45/46 on March 7, 2019. The Order for this Petition was signed and approved on March 13, 2019. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that all the handwash sinks are provided with hot and cold running water under pressure, soap, an approved hand drying device and a handwashing sign. The dishwashing and food storage areas within Commissary & Concession Kitchen (NOS2333240) must be maintained in a clean and sanitary manner. These areas must also be available to Levy Restaurants at Marlins Park Snack Shack during all hours of operation. If the ownership of Commissary & Concession Kitchen and Levy Restaurants at Marlins Park Snack Shack (Levy Premium Food Service Limited Partnership) changes, a signed agreement between the two establishments for the use of

the shared facilities must be provided to the division immediately.

A copy of the Order or additional information may be obtained by contacting: Daisy.Lee@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.
