60Q-6.110 MEDIATION, GENERALLY

(1) All petitions and claims pending at the time a mediation conference is held are deemed consolidated and shall ~~will~~ be mediated at that conference.

(2) No Change.

(a) The Deputy Chief Judge shall assign a mediator and mediation date for each petition filed. The state mediation conference may be re-scheduled, within the 130-day statutory period, upon mutual request of the parties and agreement of the assigned mediator. The parties shall jointly review the mediator's calendar online to identify potential alternative dates and times before contacting the mediator with a request to reschedule. Within 40 days after the filing of the earliest petition for benefits awaiting mediation, the parties may agree to coordinate with the assigned judge an alternate state mediation date which meets the 130 day statutory deadline. Any such change in date shall be considered a re-scheduling and not a continuance of the mediation. Upon agreement of the parties, and approval of an alternate state mediator, mediation for the case may be transferred to the alternate state mediator provided any pending mediation is held within the 130-day statutory period. Permission of the mediator from whom it is transferred is not necessary. The alternate state mediator shall be responsible for placing the mediation on her/his calendar.

(b) ~~After the state mediation has been noticed on the 40th day following the filing of the earliest petition for benefits awaiting mediation, the state mediation shall not be continued, or transferred by the parties to an alternate state mediator, for a mediation beyond the 130-day statutory period, meaning moved to a date beyond the 130 day statutory period, unless first granted by the judge upon agreement of the parties or upon proper motion demonstrating that the basis for the continuance, or transfer, arises from circumstances beyond the movant's control or for other good cause shown. The motion shall be filed no later than 30 days before the date of the scheduled state mediation absent an emergency, unless the mediation notice is sent to the parties less than 30 days prior to the noticed mediation.~~

(c) Any party that moves for, or stipulates to, reassignment to an alternate mediator for the purpose of effectuating a live mediation shall attend that mediation live or the party's attorney shall attend live. No mediator shall allow telephonic attendance for any lawyer or party that has stipulated or moved for reassignment on the basis of facilitating a live mediation.

~~(e) The state mediation conference may be re-scheduled, within the 130 day statutory period, upon mutual request of the parties and agreement of the assigned mediator.~~

(d) Unless the signator appears live, digital signature software shall be used to execute mediation documents, including mediation conference reports and settlement agreements.

(e) ~~(d)~~ Parties to a workers' compensation claim may jointly request voluntary mediation services from the OJCC. Such requests will be considered as individual state mediator calendars permit. Any voluntary mediation will be conducted

only if all parties so stipulate. Any voluntary mediation will be governed by these rules. Failure to appear at a voluntary mediation shall not be a basis for the imposition of sanctions.

(3) No Change.

(4) If the parties resolve all issues, or all issues except for attorney's fees, prior to the scheduled mediation conference, the attorney or unrepresented claimant who has filed a petition for benefits shall file a pleading in order to cancel the corresponding mediation. The pleading must be filed prior to the scheduled mediation and shall indicate the manner in which each issue was resolved. The preparation and filing of this pleading are not the responsibility of the mediator.

(5) State mediations shall presumptively be conducted virtually on a video platform. The assigned mediator shall appear by video for video mediations. Unless the notice of mediation includes the login or call in information for the mediation, the assigned mediator is responsible for providing that information to all parties or counsel. The assigned mediator may allow telephonic appearance at any video mediation. The following persons shall attend the mediation conference: the claimant; the claims representative of the carrier/servicing agent, which representative must have full authority to resolve all the issues and/or settle the case; the employer, if uninsured; the insured or self-insured employer, if the employer/servicing agent does not have full authority to settle the issues; and the attorneys for the parties. The appearance of an attorney for a party does not dispense with the required video or live attendance of the party. No party shall appear at the mediation conference by telephone, whether mediation is live or virtual, unless such appearance is approved in advance by the mediator. Any party appearing by telephone has stipulated to be bound by that party's attorney of record's signature on the mediation report.

(a) The adjuster, if represented by counsel, may attend the live or virtual mediation by phone unless an objection is filed with the mediator on the basis of good cause. The parties may agree, in writing, that any party may appear telephonically. In the absence of such agreement, the mediator shall have discretion to allow any party and/or that party's attorney of record to appear at the live or virtual mediation conference by telephone, except as provided in (2)(c). The party requesting an appearance by telephone must furnish a upon the party's written request furnished to the mediator and the opposing party or, if represented, the party's attorney of record no fewer than five days prior to the mediation conference. The expense of telephonic attendance shall be borne by the person or party attending by telephone. Each party and attorney attending a virtual mediation is responsible to have adequate computer hardware, signal strength, internet bandwidth, and premises with/from which to attend mediation.

(b) Any person attending mediation telephonically or virtually shall provide an e-mail address for use in exchanging documents during the mediation ~~unless good cause is shown to the mediator at least five days prior to the mediation.~~ Any mediation, except when the outcome is an impasse, attended telephonically is not concluded until the signed agreement report is returned to the mediator. The signed agreement report shall be returned within 72 hours by the end of the business day unless excused by the mediator.

(c) Any party appearing telephonically or by audio-video communication technology has stipulated to be bound by that party's attorney of record's signature on the mediation report. The parties may not object to the enforceability of a mediation agreement on the ground that communication technology was used for participation in the mediation.

(6) No Change.

(7) Immediately following the conclusion of a mediation conference in an open OJCC case, the mediator, whether state, adjunct, or private, shall prepare a mediation agreement report stating which issues or claims in dispute are resolved and which remain unresolved. The mediation agreement report shall identify by filing date each petition mediated. In the case of private mediation, the claimant shall file with the judge within five business days of the mediation conference the mediator's mediation agreement report ~~and mediation settlement agreement, if any.~~ Signatures of the parties on the signed mediation report may be an original, electronic signature by means approved by the Chief Judge, or facsimile and signatures may be on different copies of the agreement report.

60Q-6.111 AUTHORITY AND DUTIES OF MEDIATOR

(1) No Change.

(a) No Change.

(b) The mediation shall be virtual unless the parties have received approval for a live mediation. Any party seeking a live mediation in a district office may request same from the assigned mediator no later than 30 days before the date of the scheduled state mediation. The mediator's decision to hold a live mediation may result in reassignment to a different mediator. Any request for non-virtual mediation in a location other than a district office shall be by motion directed to the Deputy Chief Judge.

(c) ~~(b)~~ The mediator may meet and consult privately with any party or parties or their counsel during the mediation.

(d) ~~(c)~~ Upon written request of any mediator, or upon a motion filed in the case and directed to the Deputy Chief Judge, the Deputy Chief Judge may reassign any mediation to accommodate conflict of interest or potential appearance of

impropriety. ~~Any party may also seek such reassignment through motion.~~

60Q-6.112 DISQUALIFICATION OF MEDIATOR

Any party may, by motion, for good cause shown, request the Deputy Chief Judge ~~judge~~ to disqualify a mediator. The request must state with particularity the basis for disqualification. Any order disqualifying a mediator shall name a substitute mediator. Nothing in this rule shall preclude mediators from disqualifying themselves or refusing any assignment. A mediator disqualifying herself or himself, or refusing an assignment shall do so informally by electronic mail to the Deputy Chief Judge. Thereupon, the Deputy Chief Judge shall re-assign the case to another mediator.

In the event that testimony is taken by video teleconference, administration of the oath by the judge during the proceeding is as binding as if the judge and witness were physically present in the same room. A motion for an in-person hearing or mediation, instead of a video teleconference proceeding, may be granted upon a showing of good cause.

(5) No Change.

(6) Any attorney or unrepresented claimant who has filed a petition for benefits must file a pleading with the judge in order to cancel the corresponding final hearing. The pleading must be filed prior to the scheduled final hearing and shall indicate the manner in which each issue was resolved. Upon receipt of such cancellation pleading, the judge shall change the status of the affected petition or petitions in the OJCC database. Cases with no currently pending issues scheduled for mediation or hearing shall be reflected in the OJCC database as "inactive." Upon changing a case status from active to inactive, the OJCC central clerk shall issue an order documenting such status change. In the event such a change to "inactive" is erroneous, the assigned judge may issue an order vacating the prior order and restoring the case to "active."

(1) To preserve for appeal a challenge to the sufficiency of the Judge’s findings in a final order, a party must raise that issue in a motion for rehearing under this rule. A motion for re-hearing shall state specifically the grounds on which it is based and should not be used to re-argue issues already determined. A motion for re-hearing shall be filed and served within 10 days from the date of the order sought to be reviewed. The judge shall rule on the motion within 10 days of service. Any response to the motion shall be filed within five days of service of the motion. If the judge has not ruled by the close of business 10 days after service, the motion shall be deemed denied.

Section II
Proposed Rules

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Board of Professional Engineers

RULE NO.: RULE TITLE:

61G15-20.0011 Structural Engineering Recognition Program For Professional Engineers

PURPOSE AND EFFECT: The Board proposes the rule amendments to address JAPC concerns and public comments received regarding Structural Engineering Recognition Program for Professional Engineers.

SUMMARY: The proposed rule amendment clarifies and updates the rule language for Structural Engineering Recognition Program for Professional Engineers.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or

the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Section IV
Emergency Rules

DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

Division of Plant Industry

RULE NO.: RULE TITLE:

5BER22-4 Exposed Citrus Nursery Stock

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Section 581.1843(2), Florida Statutes, requires all citrus nursery stock to be produced in a protective structure approved by the Department. Rule Chapter 5B-62, Florida Administrative Code, adopts the Departments standards for those structures. Hurricane Ian has created emergency

conditions jeopardizing the movement of citrus nursery stock in structures that have been compromised and impacted the industry’s ability to move nursery stock.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The provisions of this rule are narrowly tailored to assist in the movement of exposed citrus nursery stock during the emergency conditions created by Hurricane Ian. Due to the emergency conditions, citrus nurseries may be forced to destroy valuable nursery stock that are needed by the industry to help replace trees damaged by the hurricane without the allowances provided by this emergency rule. The Department will immediately begin formal rulemaking to adopt the provisions of the emergency rule.

SUMMARY: This emergency rule allows for exposed citrus nursery stock to be moved into structures away from clean material and be sold to growers.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Ben Rosson, Chief, Bureau of Citrus Budwood Registration, 22004 N. State Road 121, LaCrosse, FL 32658, (386)853-6446.

THE FULL TEXT OF THE EMERGENCY RULE IS:

5BER22-4 – Exposed Citrus Nursery Stock

(1) Any citrus nursery stock within a greenhouse that was damaged due to the impact of Hurricane Ian or otherwise exposed shall be moved from the certified greenhouse into a non-certified structure within the permitted nursery or voluntarily destroyed by the nursery by December 26, 2022. All citrus nursery stock moved into a non-certified structure must be tracked by the nursery and the tracking records shall be made available to the Department upon request.

(2) Any citrus nursery stock moved into a non-certified structure within the permitted nursery will be exempt from compliance with Rule Chapter 5B-62, F.A.C., until August 30, 2023, at which time full compliance will be required.

(3) All citrus nursery stock sold or provided to citrus growers shall be accompanied by a written notice that the citrus nursery stock may have been exposed to citrus diseases due to Hurricane Ian.

(4) Repaired certified citrus nursery greenhouses that were damaged due to Hurricane Ian shall be cleaned and sanitized as required by Rule Chapter 5B-62, F.A.C. Upon inspection and approval by the Department, the citrus nursery may start new citrus nursery stock plantings within the greenhouse that will be subject to the full requirements of Rule Chapter 5B-62, F.A.C.

(5) Scion houses that were compromised due to the hurricane are encouraged to be restarted from Foundation material as soon as possible. However, recognizing the shortage that destroying this material could cause, the Division

will require testing quarterly and continuous inspection every 30 days of these trees for 1 year beginning September 30, 2022. Rulemaking Authority 570.07(23), 581.031(1), (3), 581.1843(3) FS. Law Implemented 570.07(2), (13), 581.031(1), (14), (17), 581.1843, FS. History–New 9/27/2022.

THIS RULE TAKES EFFECT UPON BEING FILED WITH THE DEPARTMENT OF STATE UNLESS A LATER TIME AND DATE IS SPECIFIED IN THE RULE.

DEPARTMENT OF EDUCATION

University of Florida

UF-684, O'Connell Center Roof Repairs / Replacement
(Gainesville, Fl)

NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that
Professional Services in the discipline of architecture will be
required for the project listed below:

Project: UF-684, O'Connell Center Roof Repairs /
Replacement (Gainesville, Fl)

The project consists of repairs and replacement of the roof
system at the O'Connell Center. The project will need to be
phased and it will be hard bid. Currently there are several
different types of roof material, and the successful team will be
expected to evaluate the best system(s) to use – whether that be
to do repairs or to do a replacement.

The estimated construction budget is approximately
\$7,000,000, for the entire roof and any other work needed to
support the roof project. The project will be delivered using the
Design-Bid-Build method.

The selected firm will provide design, construction documents,
construction administration and post-occupancy services for the
referenced project. Plans and specifications for University of
Florida projects are subject to reuse in accordance with the
provisions of Section 287.055, Florida Statutes.

Blanket design professional liability insurance will be required
from the architect, mechanical, electrical, plumbing, fire
protection, structural, and civil engineering consultants for this
project and will be provided as a part of Basic Services. The
selected applicant will also be required to provide insurance
coverage for General Liability, Automotive Liability, and
Workers' Compensation.

Applicants will be evaluated on the basis of their past
performance, experience, personnel, design ability, references,
workload, and responses to questions posed both in the shortlist
and interview phases. The Selection Committee may reject all
proposals and stop the selection process at any time.

At the time of application, the applicant and its engineering consultants must possess current design licenses from the appropriate governing board and be properly registered to practice its profession in the State of Florida. If the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the PQS Instructions and shall include:

1. A Letter of Application that concisely illustrates the applicant’s understanding of the scope of services, design intent, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. A completed, project-specific "Professional Qualifications Supplement" (PQS) proposal with signed certification. Applications on any other form will not be considered.
3. Resumes, sustainability accreditation, and other pertinent credentials for all proposed staff (applicant and consultants).
4. Proof of the applicant’s corporate status in Florida (if applicable) and copies of current licenses for applicant and all engineering and landscape architecture consultants from the appropriate governing board.
5. Proof of the applicant’s and all engineering consultants’ ability to be insured for the level of professional liability coverage demanded for this project.

As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected professional must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

Additional information to assist the applicant in preparing a complete proposal – including the project-specific PQS forms, instructions, Project Fact Sheet, facilities program, UF Design and Commissioning Services Guide, UF Design and Construction Standards, standard University of Florida Owner-Professional agreement, and other project and process information – can be found on the Planning Design& Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Planning Design & Construction office by 3:00 PM local time, on Monday October

17, 2022. Facsimile (FAX) submittals are not acceptable and will not be considered.
