RULE NOS.:	RULE TITLES:
5M-9.001	Purpose
5M-9.002	Approved Best Management Practices
5M-9.003	Presumption of Compliance
5M-9.004	Notice of Intent to Implement
5M-9.005	Record Keeping

PURPOSE AND EFFECT: The purpose of the proposed rules is to adopt by reference a revised version of the manual titled Water Quality/Quantity Best Management Practices for Florida Sod, 2008 Edition (FDACS-P 01330). The new edition (2024) updates language to reflect statutory changes impacting the Best Management Practices program, provides more specific direction and expectation regarding the best management practices, and removes language not related to water quality or water conservation.

SUMMARY: The subject area of the proposed rules is water quality and water conservation best management practices for Florida sod / turfgrass production, including enrollment in the program and implementation verification site visit requirements. Proposed rule revisions require compliance with Rule Chapter 5M-1 and therefore language that is duplicative with Rule Chapter 5M-1 is removed. Rule revisions also clarify the intent of BMP Program enrollment and checklist requirements, and outline terms for Equivalent Program enrollments.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The department’s economic analysis of the adverse

impact or potential regulatory costs of the proposed rules does not exceed any of the criteria established in Section 120.541(2)(a), Florida Statutes. As part of this analysis, the Department relied on producer input and the office’s experience and knowledge working with the industry. The proposed rulemaking will not add any cost to regulated businesses or the department. Additionally, no interested party submitted additional information regarding the economic impact.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

(2) A Producer or Landowner that holds a permit or license issued by one of the programs listed in Rule 5M-1.008(6)(a) or (b), F.A.C., is not required to complete a BMP manual checklist. These Notices of Intent (NOIs) shall remain in effect for the duration of the permit or license. An agricultural Producer or Landowner who has an active permit, license or other instrument in an Equivalent Program must submit a copy of the instrument as part of their BMP enrollment.

(a) The rule or manual for the NOI is revised or superseded and the conditions of subsection (5) of this rule are met;

(b) The rule or manual for the NOI is repealed;

Upon updating enrollment in the current version of the manual, the NOI remains in effect and retains the initial enrollment date.

(6) When an NOI is subject to conditions identified in paragraph (4)(c) of this rule, the existing NOI will remain in effect under the rule and manual that were effective on the date the most recent NOI was signed until the Landowner or Producer can meet with FDACS staff to enroll in the appropriate rule or manual.

(7) A Landowner or Producer enrolling a parcel(s) of land under a manual for the first time or under a revised rule or manual must implement any new BMP requirements within two years of enrollment.

Petitions and Dispositions Regarding Rule Variance or Waiver

DEPARTMENT OF HIGHWAY SAFETY AND MOTOR VEHICLES

Division of Driver Licenses

RULE NO.: RULE TITLE:

15A-10.034 SSS Frequency of Appointments

The Department of Highway Safety and Motor Vehicles hereby gives notice: On June 17, 2024, the Department issued a final order in response to a petition for rule variance or waiver filed by Scott D. Rodriguez. The petition, which was received by the Department on May 9, 2024, and noticed in Vol. 50, No. 101, of the Florida Administrative Register on May 22, 2024, requested variance from or waiver of the provisions of Rule 15A-10.034, FAC, which require clients of DUI special supervision services (SSS) to report in person for individual supervision. Petitioner, a Virginia resident, alternatively sought supervision through video web conferencing (Zoom appointments) and drug and alcohol screening performed by out-of-state facilities. Petitioner cited the costs and physical demands associated with travel to Florida as substantial hardships justifying the variance sought. The Department carefully considered the petition and found it demonstrated that application of Rule 15A-10.034, FAC, creates a substantial hardship and that the underlying purpose of the rule has or will be achieved by Petitioner through other means. Specifically, Petitioner will attend required meetings with SSS personnel via Zoom appointments. He will also be permitted to participate in out-of-state drug and alcohol screenings with prior approval by the SSS program of approved laboratories in the State of Virginia.

A copy of the Order or additional information may be obtained by contacting: Kathy Jimenez-Morales, Chief Counsel, Driver Licenses, Office of General Counsel, 2900 Apalachee Pkwy, Rm A-432, MS 02, Tallahassee, FL 32399, kathyjimenez@flhsmv.gov, (850)617-3101.

The pertinent Memorandum is incorporated by reference in paragraph 65C-45.003(2)(b). Petitioner requested to waive the requirement for side-by-side reviews prior to participating in the attestation model for licensure.

Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Florida Real Estate Commission

NOTICE IS HEREBY GIVEN that the Florida Real Estate Commission has issued an order disposing of the petition for declaratory statement filed by Raphael Roman, on behalf of Buy Every Property Solutions, LLC, on February 23, 2024. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 50, No. 44, of the March 4, 2024, issue of the Florida Administrative Register. Petitioner sought a determination from the Commission to “clarify licensing requirements and to obtain a formal determination of our licensing needs.” The Florida Real Estate Commission considered the Petition at a duly-noticed public meeting held on April 23, 2024, in Orlando, Florida. The Commission’s Order was filed on June 04, 2024. The Commission denied the Petition because there is no particularized, definite situation upon which the Commission could offer a binding opinion as to the appropriateness of Petitioner’s activities with regard to Petitioner’s specific facts and circumstances, and because Petitioner seeks an opinion regarding activities which already occurred, the Petition must be denied.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Giuvanna Corona, Executive Director, Florida Real Estate Commission, 400 W. Robinson Street, #N801, Orlando, FL 32801, Giuvanna.Corona@myfloridalicense.com

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Florida Real Estate Commission

NOTICE IS HEREBY GIVEN that the Florida Real Estate Commission has issued an order disposing of the petition for declaratory statement filed by Zach W. Miller, Esq. on behalf of JWB Property Management, LLC, on February 15, 2024. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 50, No. 38, of the February 23, 2024, issue of the Florida Administrative Register. Petitioner sought the determination from the Commission regarding whether the definition of “broker,” the use of the phrase, “receive a compensation or valuable consideration therefor” in Section 475.01(1)(a), Florida Statutes or any other statutory or

administrative provision prohibits a landlord or property management company from donating to tenant’s charity of choice after receiving a referral. Petitioner sought this clarification as to tenants for multi-family units and single-family units. The Florida Real Estate Commission considered the Petition at a duly-noticed public meeting held on March 20, 2024, in Orlando, Florida. The Commission’s Order was filed on June 04, 2024. The Commission granted the Petition finding that Petitioner has provided sufficient details regarding the particulars of the proposed plan such that the Commission can make a determination and issue a statement. The Commission issued the following statement: “Implementation of the charitable donation plan detailed in the Petition would involve activities covered by section 471.01(1)(a), F.S., and therefore, would require Florida licensure to avoid potential discipline or criminal activity in Florida.”

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Giuvanna Corona, Executive Director, Florida Real Estate Commission, 400 W. Robinson Street, #N801, Orlando, FL 32801, Giuvanna.Corona@myfloridalicense.com

Petitioner seeks clarification as to whether a Health Access Dentist is limited to practice solely at the location of the Health Access Setting or whether the Health Access Setting could include the programs of those entities regardless of their location.
