64B16-31.012	Collaborative Practice Certification: HIV Postexposure Prophylaxis Certification Required Submissions

PURPOSE AND EFFECT: The Board proposes the promulgation of the rules to implement new legislation.

SUMMARY: The rules will be promulgated due to new legislation.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Committee meetings and Board meetings, the Board, based upon the expertise and experience of its members, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the

Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

STATE OF FLORIDA

DEPARTMENT OF COMMERCE

In re: A LAND DEVELOPMENT REGULATION

ADOPTED BY CITY OF LAKE ALFRED

ORDINANCE NO. 1538-24

FINAL ORDER

APPROVING CITY OF LAKE ALFRED ORDINANCE NO. 1538-24

The Florida Department of Commerce (“Commerce”) hereby issues its Final Order, pursuant to section 380.05(6), Florida Statutes, approving land development regulations adopted by the City of Lake Alfred Ordinance No. 1538-24 (the “Ordinance”).

### FINDINGS OF FACT

1. The Green Swamp Area is designated by section 380.0551, Florida Statutes, as an area of critical state concern.
2. The City of Lake Alfred, Florida (“City”), is a local government within the Green Swamp Area.
3. The Ordinance was adopted by the City on May 20, 2024, and rendered to Commerce on May 22, 2024.
4. The Ordinance clarifies provisions of the City’s Unified Land Development Code (the “Code”) relating to floodplain management, creates new definitions, and makes minor modifications to ensure consistent use of terminology throughout the Code. The Ordinance also establishes mitigation requirements for impacts to a special flood hazard area.

### CONCLUSIONS OF LAW

5. Commerce is required to approve or reject land development regulations that are adopted by any local government in the Green Swamp Area of Critical State Concern. See section 380.05(6), Florida Statutes.
6. “Land development regulations” include “local zoning, subdivision, building, and other regulations controlling the development of land.” Section 380.031(8), Florida Statutes. The regulations adopted by the Ordinance are land development regulations.
7. The Ordinance is consistent with the City’s Comprehensive Plan generally, as required by section 163.3177(1), Florida Statutes, and specifically is consistent with Future Land Use Element Objective 2.1, Infrastructure Element Objectives 5 and 6, and Conservation Element Objectives 1 and 2.
8. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. See section 380.05(6), Florida Statutes. The Principles for Guiding Development for the Green Swamp Area of Critical State Concern are set forth in Rule 28-26.003(1), Florida Administrative Code.
9. The Ordinance is consistent with the Principles for Guiding Development for the Green Swamp Area of Critical State Concern as a whole, and specifically with Rule 28-26.003(2)(b) and (2)(g).

WHEREFORE, IT IS ORDERED that Commerce finds that the City of Lake Alfred Ordinance No. 1538-24 is consistent with the City of Lake Alfred Comprehensive Plan and the Principles for Guiding Development for the Green Swamp Area of Critical State Concern and is hereby APPROVED.

This Final Order becomes final 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below.

DONE AND ORDERED in Tallahassee, Florida.
